

CHRISTMAS MESSAGE 2014

I want to extend my grateful thanks to all of you who supported my ministry this past year; your help was greatly appreciated and its value cannot be over estimated! Your financial assistance has allowed me to wonderfully expand my ministry. In addition to crucial additions to this web site in 2014, such as printing the unsealed prophecies of Daniel and Matthew 24, my videos are now being uploaded to GloriaTV. Very soon I hope to add the downloadable end times prophecies of Zachariah here also. Although this web site is relatively inexpensive, it is not free!

Therefore, this Christmas message for 2014 will be both a financial appeal as well as a schedule of my new upcoming videos which I expect to publish on YouTube during the next 4-5 weeks about the fulfillment of Bible prophecy and the climactic events we will see in 2015.

First, here are the working titles in my video schedule (not necessarily in chronological order):

- 1) The Rapture of Remnant Christians in 2015?
- 2) The Antichrist's Awful Appearance in 2015.
- 3) Barack Obama and America's Sad Fate in 2015.
- 4) The Taking Down of Israel and Benjamin Netanyahu in 2015.
- 5) Pope Francis, the Catholic Church in Rome, and the One World Religion, all Become Wormwood in 2015.
- 6) The Bible Prophecies of Vladimir Putin and Russia will Strike the Planet in 2015!

Second, the financial part of this message concerns my two chief helpers who I especially want to thank. The first helper is my niece who corrects the captions on my videos and which enables them to be seen and understood in 50 different languages throughout the world. This is a fulfillment of Revelation 8/13 where the Eagle cries "woe, woe, woe to the inhabitants of the earth" while flying through mid heaven. This "mid heaven" refers to electronic communications of the 21st century when Jesus said that the Gospel would be preached to the entire world, and this would be a sign of His coming. The electronic media of the end times is what He was referring to.

The second helper is my web manager in Australia who does the great artwork you see on this website. She is also responsible for all the typesetting and page arrangements which make this site so attractive and understandable. All these aids are beyond my capabilities, or at least, they would take so much of my time that I could never produce any prophecy videos.

Currently, I pay my niece minimum wage for her invaluable services and I pay my web manager approximately 2/3 of what little comes in to the PayPal account. In 2014 she received about \$300, which is a mere pittance. So, as you can see, my web manager is basically donating her indispensable services. I should add that I get no monetary assistance from any Church or religious organization.

I would love to give both of these wonderful Christian women Christmas bonuses. Jesus said: "the laborer is worth his hire". This is where you my supporters come in. Whatever you can donate at this time would be especially appreciated. Just click on the Donate/Contact tab at the top of this page and then select the amount of your gift. God bless all of you and thank you very much.

Sincerely yours,
William Tapley, Third Eagle of the Apocalypse.
