

## White House Shooting: Prophetic Warning to Obama

Now, for all you naysayers and atheists and skeptics who said that nothing would happen on 11/11/11, something very significant did happen on that very evil date and that was when Oscar Romero Ortega Hernandez, in Washington DC, pulled out an AK 47 and shot nine times at the White House. That was very significant: it was a prophecy of the downfall President Barack Obama.

All you false prophets on YouTube and on the internet, please take note: why did Oscar Romero Ortega Hernandez take nine shots at the White House with his AK 47? Because he said: '*Obama is the Antichrist*'. Now, where did he get that loony idea? He got it from you false prophets on YouTube and on the internet. It is a lie from the pit of hell for you to say that Obama is the Antichrist: he is not.

Satan does not want you to know who Obama really is. Obama IS found in Bible prophecy but he is not the evil one of the End Times. So, you false prophets are going to have to take some of the blame for OROH shooting nine rounds at the White House with his AK 47. You are the ones who are preaching lies about Obama; that he is the Antichrist. At least, you could tell your followers that it would be impossible for them to kill Obama if he were the real Antichrist. You need to tell your followers that the Antichrist, as well as the False Prophet, can not be killed. According to the Bible, they will be cast alive into the lake of fire.

At least, the false prophets are right about one thing, Obama is found in Bible prophecy: he is the Leopard in Daniel 7, he is the Lion in Jeremiah 50, and, he is the last King of the South in Daniel 11. Let's take a look at Daniel, chapter number 7, where we see Obama described as a Leopard in verse number 6: '***After this I beheld, and lo, another like a Leopard*** (remember, two beasts have already come up out of the sea, the Lioness and the Bear) ***which had on the back of it four wings like a fowl; the beast had also four heads; and dominion was given to it***'.

Let me quickly review what the Leopard stands for. In the near time fulfillment of Daniel's prophecy, the Leopard stood for Greece and Alexander the Great. Therefore, the Leopard represents both a king and a kingdom because, remember, Daniel sees the four beasts come up out of the sea, but the angel says they come up out of the earth.

The End Times fulfillment of Daniel's prophecy is that the Leopard represents Barack Obama and the United States. A leopard's skin color, which is both black and white, signifies our mixed racial heritage, both of America and the President. The fact that he's given dominion symbolizes that Barack Obama is the leader of the free world and, of course, America has dominion on the planet at the current time.

But the clincher is that the Leopard has 4 heads and 4 wings. That points to Obama as our 44th President. As far as America goes, the 4 heads would be the 4 leaders of the Senate, the House, the Executive Branch, and the Judicial Branch. And, the 4 wings refer to our 4 branches of the military who sit on the Joint Chiefs of Staff. But, how does the Leopard represent the downfall of Obama. Don't forget, the three beasts, the Bear, the Lioness, and the Leopard, are all followed by the fourth beast who is the Antichrist.

Maybe we can see the downfall of Barack Obama better in Daniel, chapter number 11, verse number 40: **'And at the time of the end** (that indicates this is an End Times prophecy) **the King of the south** (here in Daniel, chapter 11, Daniel refers to Obama as the last King of the South; remember, there are six kings of the south and Obama is the last) **shall push at him**(that means he's going to push at the King of the North) **and the King of the North** (remember, there are six kings of the north in Daniel 11, and the last one is the premiere of Russia) **shall come against him** (he will come against Obama) **like a whirlwind and with chariots, and with horseman** (all these symbolize modern military equipment) **and with many ships** (of course, Russia has a great navy) **and he shall enter into the countries** (the two countries that the last King of the north will invade are Britain and America primarily) **and shall overflow** (that means the defeat is complete) **and pass through.'**

This struggle between the last King of the North and the last King of the South is also found in Jeremiah, chapter number 50, verse number 41: **'Behold a people shall come from the north, and a great nation** (that would be Russia, Russia is north of Jerusalem) **and many kings shall be raised up from the coasts of the earth** (many people will join Russia in this attack on the United States and Britain. Remember, there are ten horns on the beast in the book of Revelation, and these shall hate the harlot and the harlot, is, of course, the United States) **They shall hold the bow and the lance and they are cruel and they show no mercy, their voice shall roar like the sea, and they shall**

***ride on horses*** (and of course, that is symbolic, they will actually ride on mechanized equipment) ***everyone put in array like a man to the battle, against you, O daughter of Babylon.***'

America is the daughter of Babylon and, of course, Obama would be the king of Babylon. And next, we come to the downfall of Barack Obama, in Jeremiah 50, verse 43: ***'The king of Babylon*** (this is Obama) ***has heard the report of them*** (that would be the nations of Russia and the ten nations that are with them, in other words, most of the nations of the world) ***and his hands waxed feeble: anguish took hold of him, and pangs as of a woman in travail.*** (Jeremiah does not introduce Obama until verse number 44, and the reason is because 44 is Obama's number in Bible prophecy, as we saw the 4 heads and 4 wings on the Leopard in Daniel) ***Behold, he shall come up like a Lion*** (again, Obama is described as a big African jungle cat, just like a leopard and a leopard is, of course, a spotted lion) ***from the swelling of the Jordan*** (this would be south of Jerusalem and actually Obama does come from south of Jerusalem, he comes from Kenya which is due south of Israel) ***to the habitation of the strong***(the strong would be the United States) ***but I will make him run suddenly upon her*** (that describes how Obama came out of nowhere to become the President of the United States) ***and who shall be the chosen man that I may appoint over her*** (in other words, it is the Lord God, that's the "I", who actually appointed Obama to be our President, not because he is worthy but because we do not deserve any better) ***for who is like me?*** (that is like God) ***and who will appoint me the time? and who is the shepherd that will stand before me?'***

This is very frightening to understand that Obama has been chosen by God himself and he will lead America to defeat in World War 3. Whenever the Old Testament prophets are prophesying about Barack Obama they always include somewhere in their chapters the numbers 44 or 444. Those are Obama's numbers in Bible prophecy. Remember, I quoted you the passages from Daniel, chapter number 11, where Obama is the last King of the South. The first twelve verses in that chapter are arranged in a 4-4-4 sequence, and in chapter number 4, which is also about Obama, the great tree that Nebuchadnezzar sees in his dream refers also to Obama because it is cut down at the base which indicates the downfall of our President.

Let's see how he uses the number 4 in chapter number 4, because, in verse number 3 he lists 4 items, ***'signs, wonders, kingdom, and***

**dominion**’, and he continues this in verse number 7: **‘then came in the magicians, the astrologers, the Chaldeans, and the soothsayers,**’ 4 more items. And, in verse number 11: **‘the tree grew,** (that is it's a growing tree) **it's strong, the height reached to heaven and the sight thereof to the ends of the earth.’** So, we have three different verses near the very beginning of the chapter all of which have 4 items each and these verses indicate that this chapter also is about Barack Obama.

In my opinion, Barack Obama is even more important than the Antichrist in Bible prophecy. We saw that in Jeremiah, chapter 50, and in Daniel, chapter number 11, we saw the last King of the North defeat the last King of the South. And, in Daniel, chapter number 7, we saw that the Leopard is succeeded by the 4th and final beast who is the Antichrist. But, in Daniel, chapter number 2, and chapter number 4, we see perhaps a more specific descriptions of the downfall of Barack Obama. In these two chapters, king Nebuchadnezzar has some very significant dreams. In chapter number 2, he dreams of a giant statue, and as Daniel explains to the king, the statue, at least the gold head part of it, symbolizes himself. And, in Daniel chapter number 4, a great tree appears to Nebuchadnezzar in his dream and that tree also symbolizes the king; and both the statue and the tree are cut down at their base. I believe that also symbolizes the end, the downfall of Barack Obama.

Remember that series I did on Barack Obama's dream in his autobiography: *"Dreams of my Father"*. He also has a dream of a huge figure. Obama never tells us what happened to that figure but I believe that figure also symbolizes Obama, and I believe that figure was also cut down in Obama's dream. It's interesting to me that both Obama and Nebuchadnezzar are filled with fear after their dreams.

In chapter number 2, Daniel introduces another way to show that this chapter and the cutting down of the great statue, refers at least partially to Barack Obama, and that's because he uses the word "king" 44 times. That's a sure indication that we are talking about Obama. In verse number 2 he uses the word "king" three times, in verse three, once, in verse number 4, twice, and in verses 5, 7 and 8, he uses the word "king" again. Now, I won't go through all of these verses, you can count the number of times the word "king" is used in Daniel, chapter number 2, yourself.

There is some discrepancy in verses number 37 and 44. I am using the Latin translation, and I admit, Latin was not the language in which Daniel wrote chapter number 2. I'm not sure how many "kings" are found in verses 37 and 44 in the original Aramaic, maybe a Bible scholar can help me out. I'm ninety nine percent sure that there are 44 "kings" but I'm not one hundred percent sure. So, if someone would like to clue me in on that please feel free.

In conclusion, Oscar Romero Ortega Hernandez' attack on the White House was significant and it was prophetic. Don't forget, this occurred on the 11th of November, and, as I explained in my last video, 11/11/11 is another numerical symbol for the Antichrist because it means 666. Don't forget that OROH used nine bullets; thus another 9/11 prophecy. And, of course, his name itself has 4 names. 'Four' is the most common End Times number and it also indicates Barack Obama.

Even the weapon used in this assault is prophetic; it was a Russian assault rifle, an AK 47. I believe it was designed by Mikhail Kalashnikov and that prophesies that the last King of the South, Barack Obama, will lose World War 3 to the last King of the North, who is the premiere of Russia. And, all you false prophets out there, before there are any more attacks against the White House, please read Daniel and read Jeremiah. Obama is not the Antichrist.
