

The Scarlet Beast: Response to Jonathan Kleck Pt 3

On this program I want to talk about the Scarlet Beast in the Book of Revelation. This is part 3 in my response series to Jonathan Kleck, where he stated in his programs on "Mystery Babylon", that Egypt belonged to the Whore of Babylon and I think he is mistaken on this. This is not a big error but it might be for you, Mr. Kleck, because you said the Lord told you Egypt was your enemy, so it's important for you to understand who Egypt belongs to.

You are 100% correct, Mr. Kleck, when you say that Mystery Babylon symbolizes the United States of America. Please don't listen to the false prophets who say that Babylon is the Catholic Church, for example, or Israel; they are leading you astray. Babylon also symbolizes the entire decadent West, in other words, Capitalism. And the Scarlet Beast she rides symbolizes International Communism. But, even more than that, the Scarlet beast has seven heads and they represent ancient empires, most of them, beginning with Egypt.

This struggle between the Whore of Babylon and the Scarlet Beast is found many times in Scripture, most notably, several times in the Book of Daniel. But I want to start with Revelation, chapter 17, verse number 3, **"And he carried me away in the spirit into the wilderness** (some Bibles say desert but it's the same idea) **and I saw a woman** (this is the Whore of Babylon) **sitting upon a scarlet colored beast** (this is Capitalism controlling Communism) **full of the names of blasphemy, having seven heads, and ten horns."**

Now, the blasphemy, the seven heads, and the ten horns, they all belong to the Scarlet Beast, not to the Whore of Babylon. And when John says he is taken in the spirit into the wilderness, that means that both of these entities are in a spiritual desert. And verse number 8: **"The beast that you saw was, and is not, and shall come up out of the bottomless pit, and go into perdition."** This beast that was refers to International Communism in its heyday: it's the last world empire. "Is not" refers to the collapse of the Soviet Union after the fall of the Berlin Wall. And it goes to perdition and it comes up out of the bottomless pit because it will be reborn as the One World Communist Tyranny. It will be defeated by Jesus Himself at Armageddon. **"And they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is."**

So people who wonder at this Beast, that is, who are surprised by it, are those who are destined to go to Hell. You need to know ahead of time who this Scarlet Beast is. I did a previous video on this subject and a YouTube subscriber said he did not think that you would go to hell if you did not know what the Beast was before it arrived but rather if you are in wonder at the Beast, or in other words, in awe of it, after it arrived, and that is a possible explanation: I don't deny that could be. But don't forget, the angel asks John: **"why do you wonder, I will tell you the mystery of the woman and the beast...?"**

And now let's look at verse number 9, **"And here is the mind which has wisdom. The seven heads are seven mountains, on which the woman sits."** The false prophets out there, they understand that the seven mountains refers to the city of Rome, but they mistakenly believe it refers to the location of the Whore of Babylon which rides the Beast, but this is not true. The city of Rome is the location of the Scarlet Beast, not the Whore of Babylon.

And John continues, **"And they are seven kings: five are fallen, and one is, and the other is not yet come."** (Rev. 17:10) This means that the Scarlet beast is a continuum of empires, and here is where Jonathan Kleck needs to understand these five previous empires, because the first one was Egypt, the second one was Assyria, then came Babylon, Medo Persia and then Greece. Now the "one that is" referred to the Empire at John's time which was the Roman Empire; "and the other is not yet come" refers to the Scarlet Beast which was International Communism, **"and when he comes, he must remain a short time,"** and of course, as we know, the Communist Empire was the shortest of all these empires that we have referred to.

And now, let's look at the 8th beast which is the final One World Communist Tyranny because that comes out of this seventh beast. Verse number 11, **"And the beast that was, and is not, even he is the eighth, and is of the seven, and goes into perdition."** This means that Jesus will defeat this final One World Communist Tyranny at the Battle of Armageddon. **"And the ten horns which you saw are ten kings,"** now, ten is an all-inclusive number in Bible Prophecy and this basically means that all the leaders of the world will support this One World Tyranny and the Antichrist, **"which have received no kingdom as yet; but receive power as kings one hour with the beast,"** and this beast is the Antichrist. Verse number 13, **"These have one mind and shall give their power and strength to the beast."**

Now, these last ten kings of the Antichrist, their one mind is to destroy Christianity: **"These shall make war with the Lamb"**, and of course the "Lamb" is Jesus, **"and the Lamb shall overcome them"**, and this occurs at the Battle of Armageddon, **"for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful."** As I have said many times, the "called, chosen and faithful" are the three armies: the "called" refers to the Raptured Protestants, they are called to the Marriage Supper of the Lamb. The "chosen" or elect refer to the Protected Catholics, and the "faithful" refer to the holy martyrs. The called and the faithful come down from heaven with Jesus, but the Protected Catholics will be on earth when Jesus returns on Mount Zion for the Battle of Armageddon.

And now, John shifts gears because he goes backwards in time to the beginning of the Seven Years of Tribulation. Armageddon occurs at the End when Jesus will destroy this 8th and final Beast but at the beginning of the Tribulation comes World War 3 when the Scarlet Beast burns the Whore of Babylon, that is us, Britain and America primarily, with fire in one hour. A lot of people don't like me calling what's going on now as World War 3 because they haven't yet seen the burning of fire in one hour but it is coming sooner than we think.

Let's look at verse number 16, **"And the ten horns which you saw on the beast, these shall hate the harlot,"** and there's no doubt, in most of the countries in the world right now; they hate America and they are jealous of us, **"and shall make her desolate and naked, and shall eat her flesh, and burn her with fire."** As I say, get ready! And verse 17, **"For God has put it in their hearts to fulfill his will,"** this judgment upon America comes from Almighty God himself, **"and to do what pleases him, and give their kingdom to the beast,"** the Antichrist comes from God because actually he is appointed by the Lord (Daniel 4:14). We don't deserve any better and he is fulfilling God's will, **"until the words of God shall be fulfilled."**

And so in conclusion, Mr. Kleck, I hope this helps you understand where ancient Egypt belongs in this continuum. The Scarlet Beast represents all of the great empires beginning with Egypt and going right up through the last One World Communist Tyranny, the 8th beast. And on the next program, I want to talk about where this beast is also found in Daniel: for example, in Daniel, chapter number 2, we see a great statue. That statue is the same as the Scarlet Beast. And in Daniel chapter number 8, we see this 8th beast described as a Goat. In each case, this final One World Communist Tyranny is victorious over the decadent West.
