

## No, Pope Will NOT Have a Terrible May!

On this program I'm going to make the daring announcement that Pope Francis will NOT be having a terrible May after all despite what Q Anon said, I think back on April the 3rd, because there have been several developments since then, evidently, and Q Anon is not quite as confident as he was before. And some people on YouTube say the Pope is already having a terrible May and they cite the Chilean bishops who have all resigned. No, that makes the Pope look good! Or they say the Pope announced that he may resign. No, that gives the Pope a lot of sympathy. So, neither of those indicate that the Pope is having a terrible May.

And Q Anon posted just a few days ago this very interesting picture of a demon owl and he says this demon owl is the 'guardian' of the Pope and he put that in brackets 'personal'. In other words, this demon owl is the guardian of Pope Francis; not any other Pope, certainly not Pope Benedict, for example. Well, I looked up demon owls, I did a little research, and here's an example of a demon owl. This demon owl is called 'stolas'; you can look it up if you want to. It's a demon owl with chicken legs. And there are other demon owls, for example, the demon owl that's the patron saint for the Bohemian Grove.

Unfortunately, I'm afraid Donald Trump and Q Anon have come to the conclusion they don't have the power or the authority to overtake the demon. And that's also true in Bible prophecy. Donald Trump is going to take on the One World Government and the One World Religion but it does not say he is going to take out the Unholy Trinity of the End Times, and that would be the False Prophet, the Antichrist and Satan. Here's what Q Anon posted, this was back on April 3rd, and I want to read this exactly to you, this is what he is backing away from, in my opinion, he said: **'Pope will be having a terrible May. Those who backed him will be pushed into the light'**. And all of these people who were saying that Pope Francis is now having a terrible May they forget this second part of Q Anon's post **'those who backed him will**

***be pushed into the light'***. That has not happened and that is what is going to have to happen for the Pope to have a terrible May.

And I was doing some more research on this and I discovered an article, and I believe this was on Your News Wire.com, and here is the headline, ***'WikiLeaks: Conservative Pope Benedict was Forced to Resign by the Deep State.'***

<https://yournewswire.com/?s=Conservative+Pope+Benedict+was+Forced+to+Resign+by+the+Deep+State>

This article was datelined, February the 11th, 2018. I think Donald Trump has come to understand what was meant by Pope Benedict being forced out. And here is some of the rest of the headline for this article: ***'WikiLeaks email revealed conservative Pope Benedict was forced to resign by Deep State operatives. George Soros Barack Obama and Hillary Clinton orchestrated a coup in the Vatican to overthrow conservative Pope Benedict in February 2013 according to WikiLeaks emails.'*** I think Donald Trump now knows that score. So why doesn't he release the facts? He is up against a demon, that's why!

Pope Benedict became the first pope to resign since Pope Gregory the 12th in 1415 and the first one to do so on his own initiative since Pope Celestine V in 1294, and in my research I discovered that back on January the 20th, this year, about four months ago, a group of Catholic leaders sent a letter to President Trump asking the following questions. Listen to these questions, they are very important. I think Donald Trump now knows the answers to these questions. ***'What other covert operations were carried out by U.S. Government operatives concerning the resignation of Pope Benedict or the Conclave that***

***elected Pope Francis?*** Just how much was Obama's administration involved in forcing out Pope Benedict, in other words. Number 2: ***'Did US government operatives have contact with the Cardinal Danneel's mafia?'*** It's been suggested, and I think there is some evidence, that Cardinal Danneel orchestrated the removal of Pope Benedict and the installation of Pope Francis.

The 3rd question, now listen to this, this is very significant, ***'Internet international monetary transactions with the Vatican were suspended during the last few days prior to the resignation of Pope Benedict. Were any US government agencies involved in this?'*** They were putting financial pressure on the Vatican. Question number 4, ***'Why were international monetary transactions resumed on February 12, 2013, the day after Pope Benedict announced his resignation? Was this pure coincidence?'*** I don't think so; this was a result of the banksters who did not want Pope Benedict and they wanted a Communist Pope in there and they got their wish.

Number 5, ***'What actions, if any, were taken by John Podesta, Hillary Clinton and others tied to the Obama administration who were involved in the discussions proposing the fomenting of a Catholic spring?'*** Number 6, ***'What was the purpose in nature of the secret meeting between Vice President Joseph Biden and Pope Benedict the sixteenth at the Vatican on or about June 3rd, 2011?'*** I'm sure Donald Trump now knows what that secret meeting between Biden and Pope Benedict was all about. And number 7, ***'What roles were played by George Soros and other international financiers who may be currently residing in the United States territory?'*** And I believe that this would indicate, and Donald Trump now knows the facts, that Pope Francis was not validly elected. He is not a legitimate Pope; he is the False Prophet, as Daniel says in chapter 10, verse number 3.

As I said, Donald Trump is prophesied to take down the One World Government and the One World Religion in Bible prophecy. This is not going to be an easy job and I've showed you this picture, just in my last video, for example.

Donald Trump is going to have a difficult enough time in taking on the One World Government and the One World Religion. So my message to you, Mr. Trump and Mr. Q Anon, you CAN give Pope Francis a terrible May if you understand who IS destined in Bible prophecy to take on the demon; who IS going to crush the head of the serpent! It is the Blessed Virgin Mary who is prophesied to crush Satan. If you want to enlist her aid in defeating that 'guardian' of the Pope, that 'demon owl', then you will be able to give Pope Francis a terrible May! But I'm here to tell you right now, Pope Francis is not going to have a terrible May. He has too much power from the other side protecting him; too much innocent shed blood that is giving him his guardianship. So my advice to you Mr. Donald Trump is to also carry out the prophecy that you will convert to Catholicism, as prophesied in Isaiah 45. So, thanks to all of you and if any of you would like to help me continue getting these messages out, I think you will find that I have given you a factual message today.
