

Roy Potter Attacks Q Anon! Huge Error!

On this program I am going to call out a Colonel Roy Potter, I think he's retired, who is criticizing Q Anon, and he has no business to do this!

He does not understand that Q Anon is a prophet. Q Anon is, of course, actually Donald Trump. But the President has more than one role: he is following in the footsteps of our Lord, Jesus Christ. Jesus Christ was also a king, a prophet, and a priest. Now, I don't think Donald Trump will become a priest, although he may, because he is prophesied in Isaiah 45 to destroy the One-World Religion as well as the One-World Government. And Mr. Roy Potter, you don't understand the nature of prophecy. In fact, you forced our President, as Q Anon to back down and I'm referring to that post which he made, I believe it was late Sunday or early Monday, about a DEFCON 1 non-nuclear warning. Q Anon knew what he was doing. He was doing no different than Daniel, or Ezekiel, or the Psalm 83 War, or John in the book of Revelation. He was warning about war. He was not saying that we were in a DEFCON situation now; he was giving you a prophecy that we soon will be. There is a big difference!

You do not understand prophecy, Mr. Roy Potter and now you are asking Q Anon to be more simple and use straightforward language. That is not the role of a prophet. A prophet is supposed to be mysterious; that's his very nature. He is inspired by the Holy Spirit. Mr. Roy Potter, I'm asking you to read Isaiah 45 and Micah 5. Let me read to you what Donald Trump is fulfilling in Isaiah 45, verse number 6: **'That they may know who are from the rising of the Sun.'** Who is Isaiah talking about there? He's talking about North Korea, among

others. **'And they who are from the West, that there is none besides me. I am the Lord, and there is none else.'** So, I'm warning you, Mr. Potter, Donald Trump's right hand is guided by Almighty God according to Bible prophecy. I urge you to understand prophecy and how it works.

I understand full well that a prophet is not popular. Donald Trump, as President, has to be popular, but Q Anon is not supposed to be popular. And woe to you if you do to him exactly what Jesus said that the Israelites did to the prophets of old; He told the scribes and Pharisees: **'you have slain the prophets from Abel to Zechariah'**. Please, you in the Q Anon community, who are doing a great service; you are doing exactly what you are supposed to do. You are supposed to understand the prophecy; but you are not supposed to attack the Prophet! I hope you get off your high horse, Mr. Roy Potter. You don't know what you are doing. You think you do and I think you're a good man; you're an honest, patriotic American. But you do not understand prophecy. Please look into this.
