

## Forest Fire in Israel Warning from God

On this program I want to talk about that huge forest fire in Israel. I believe this is a warning from Almighty God. I believe Israel is entering the seven years of Tribulation. This was a warning for them not to attack Iran. This is very similar to the warning, Barack Obama received last week, not to attack North Korea. That's why he received 12 stitches to his lip, and remember numerology is important in Bible prophecy.

Let's take a look at the significant aspects of this huge fire in Israel. First of all, this forest fire began on the first day of Hanukkah, and secondly, there were those 40 prison guard trainees, who were burned alive in that bus. What a terrible tragedy. I believe this was also a specific warning from the Bible. The warning last week to Barack Obama, referred to Daniel chapter number 11, because he is found in Daniel chapter 11, but this warning, to Israel, referred to Daniel chapter number 3. Those prison guards, being burned alive in the bus, relate to Shadrach, Meshach and Abednego surviving in the fiery furnace. Let's take a look at Daniel chapter number 3, verse 17.

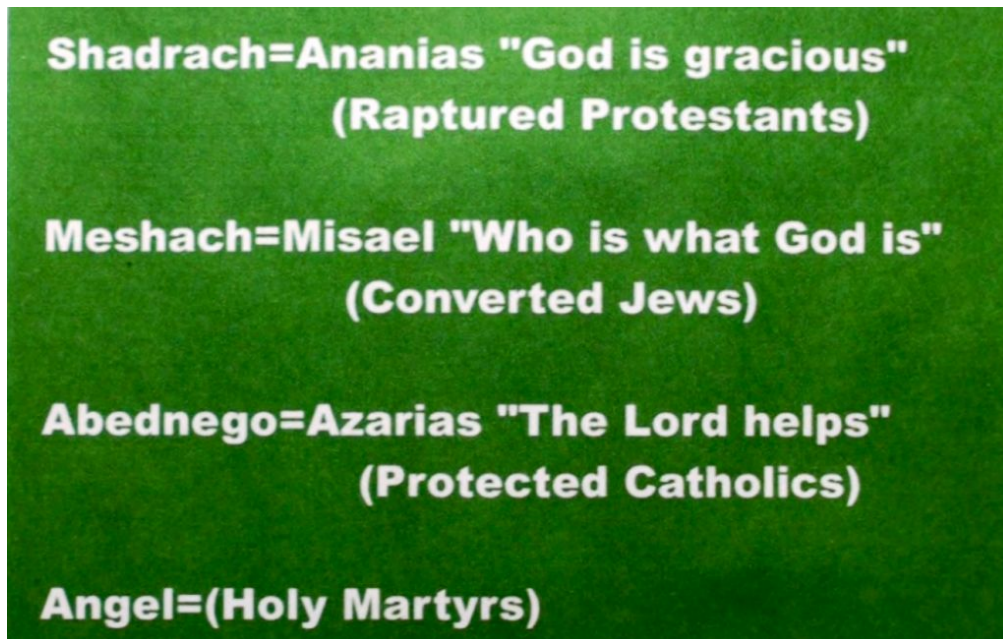

**Dan 3:17 'If it be so, our God whom we serve is able to deliver us from the burning fiery furnace, and he will deliver us out of your hand, O king.'** And verse 18:

**Dan 3:18 'But if not, be it known to you, O king, that we will not serve your gods, nor worship the golden image which you have set up.'** And verse 19:

**Dan 3:19 "Then was Nebuchadnezzar full of fury, and the form of his visage was changed against Shadrach, Meshach, and Abednego: therefore he spoke, and commanded that they should heat the furnace seven times hotter than usual.'**

Notice that Shadrach Meshach and Abednego were saved from the fiery furnace, because they followed the laws of God. Do you know how this forest fire began in Israel? It was begun by several teenage kids smoking a Turkish Nargile water pipe. Contrast those youths with Shadrach, Meshach and Abednego. Israel is no different than any other decadent Western culture. They have lost the blessings of Almighty God. And this forest fire indicates, that Israel also, has entered the Tribulation Period.

Now Shadrach, Meshach, and Abednego specify three groups who will survive the Tribulation, if we look at the original meaning of their Hebrew names.

Shadrach's original name in Hebrew was Ananias, which means 'God is gracious', and then refers to the great grace which Protestants received to be raptured.

Meshach's original name in Hebrew was Misael which means 'Who is what God is', and that is a theological concept, and therefore refers to conversion, in other words, the Converted Jews.

Abednego's original name in Hebrew was 'Azarias' which means 'The Lord helps' and that refers to the Catholics who will be protected in the desert by Mary's rosary and scapular.

And the fourth figure in the fiery furnace was an angel, and that refers to the Holy Martyrs. These are the four groups who will reign with Jesus during the Millennium.

Please do not listen to the false prophets on YouTube, who are pounding the drums for war between Israel and Iran. Israel will lose this war. This is not the war in Ezekiel 38 and 39. That war refers to Armageddon.

Now Ezekiel 36 has been fulfilled, where God promises to restore the Jews to Israel, but the Jews have broken that covenant. God kept his

part of the bargain, but now, Israel has lost the blessings of Almighty God. You cannot have legalized abortion in your country, and expect God to bless your nation. You cannot spend 88 million dollars to promote gay tourism in the city of Tel Aviv, and expect God to bless your country.

This forest fire in Israel is a sign from Almighty God that His blessings have been lifted from the nation of Israel, because they have broken the covenant. He fulfilled His part of the bargain, but God's blessing has been lifted from Israel, and that means, that God's curse is about to be visited upon the nation of Israel. And what is that curse? The Bible says that if Israel does not fulfill their part of the bargain, they would be ruled by their enemies, and that prophecy is about to come true.
