

## The Scarlet Beast in Revelation and Daniel Pt 5

This program is a continuation of my series in response to Jonathan Kleck's programs about 'Mystery Babylon'. And the last time, I was talking about the Scarlet Beast, which I believe is Mr. Kleck's enemy, because he said that the Lord told him Egypt was his enemy, and we discovered, Egypt is one of the seven heads on the Scarlet Beast. And, as Mr. Kleck often states, there will be an End Times battle between the seed of the woman (who is the Blessed Virgin Mary), although I'm not sure Mr. Kleck understands this, and the seed of the serpent (who is, of course, Satan) which include the followers of the Scarlet Beast in the End Times.

In the last program, we saw that the Scarlet Beast is the 8th and final beast in the book of Revelation and it will be a Communist One World tyranny; but this beast is also found in quite a few places in Daniel. So let's, on this program, take a look at where the beast is found in Daniel, chapter number 7, verse number 23: ***'Thus he said, the fourth beast shall be the fourth kingdom on earth, which shall be diverse from all kingdoms, and shall devour the whole earth, and shall tread it down, and break it in pieces.'*** This fourth and final beast in Daniel 7 is the same as the 8th and final beast in the book of Revelation, in other words, the Scarlet Beast.

Also please note, as we look at these various expressions of the Scarlet Beast, they are always masculine: for example, a 'he goat' or a statue of a 'king'. This is in contrast to the Whore of Babylon which rides the Scarlet Beast. Verse number 24: ***'And the ten horns out of this kingdom are ten kings that shall arise:'*** these ten kings are the same as the 10 horns on the Scarlet Beast, and since 10 is a number of completion, it simply means that all the world's leaders will support the Antichrist, ***'and another shall rise after them;'*** who is the Antichrist, ***'and he shall be diverse from the first, and he shall subdue three kings.'*** The 'three kings' who the Antichrist subdues are the leaders of Britain, Russia and the United States.

And in verse 25, Daniel continues talking about the Antichrist: ***'And he shall speak great words against the most High, and shall wear out the saints of the most High,'*** now remember, when John was talking about the Scarlet Beast in Revelation, he said that the ten kings have one mind which is to defeat Christianity, ***'and think to change times and laws: and they shall be given into his hand until a time and times and half a time'*** and that would be the second half of the

Tribulation Period. Verse 26: ***'But the judgment shall sit, and they shall take away his dominion, to consume and to destroy it to the end.'*** This means that God Himself will destroy the Antichrist and this fourth beast.

So, we've seen that in Revelation the Scarlet Beast has seven heads, six of which represent ancient kingdoms and that would be Egypt, Assyria, Babylon, Medo Persia, Greece and Rome. And in Daniel chapter number 7, the fourth beast included the three previous beasts which in the near time were Babylon, Medo Persia and Greece.

Next, in Daniel chapter number 2, King Nebuchadnezzar has a dream of a huge statue which also symbolizes a succession of world empires, and in fact, is another expression of the Scarlet Beast, verse 31: ***'You, O king, saw, and behold a great image. This great image, whose brightness was excellent, stood before you; and the form thereof was terrible. This image's head was of fine gold,'*** the image symbolizes King Nebuchadnezzar's kingdom which was Babylon, ***'his breast and his arms of silver,'*** that was the Persian Empire, ***'and his belly and his thighs of brass,'*** and that symbolizes Alexander the Great and Greece. Verse number 33: ***'His legs of iron, his feet part of iron and part of clay.'*** Now the 2 iron legs on this image, which was in fact a huge statue, symbolized the two capitals of the Roman Empire, which were Rome and Byzantium, which is today known as Istanbul.

The ten toes on this statue were the same as the ten kings which came out of the fourth beast in Daniel chapter number 7 and the same as the ten horns on the Scarlet Beast in the book of Revelation, and as I said before, they symbolize all the world's leaders of the End Times who will support the Antichrist. Verse 34, ***'You saw till a stone was cut out without hands, which smote the image on his feet that were of iron and clay, and broke them to pieces.'*** This is the same as the judgment on the 4th beast in Daniel, chapter number 7, and it refers to Armageddon where Jesus is the stone (1) which is cut out without hands and who defeats the Antichrist and the Scarlet Beast at Armageddon.

Next, in chapter number 8 of Daniel, we see another version of this Scarlet Beast of Revelation except we see this as a struggle between a Goat and a Ram. The Ram symbolizes the West, that is Capitalism, the same as the Whore of Babylon. The two horns on the Ram symbolize Britain and America, and the Goat symbolizes International

Communism which would be the seventh beast in the book of Revelation and is part of the Scarlet Beast. So we read in chapter 8, verse number 5: **'And as I was considering, behold, a he goat came from the west on the face of the whole earth, and touched not the ground: and the goat had a notable horn between his eyes.'** This Goat comes from the West because Marxism came from Germany; the notable horn between his eyes, however, stands for Russia.

And verse number 7: **'And I saw him come close to the ram, and he was moved with anger against him, and struck the ram, (this describes World War III) and broke his two horns: and there was no power in the ram to stand before him, but he cast him down to the ground, and stamped on him: and there was none that could deliver the ram out of his hand.'** Daniel 8, verse number 8: **'Therefore the he goat waxed very great: and when he was strong, the great horn was broken;'** this means that Russia will also be broken in World War III even though victorious, **'and from it came up four notable ones toward the four winds of heaven.'**

This description is very interesting: these four notable ones or kings are the same as the ten kings which come out of the fourth beast in Daniel, chapter number 7. They are the same as the ten toes on King Nebuchadnezzar's statue in Daniel chapter number 2, and they are the same as the ten horns on the Scarlet Beast in the book of Revelation. In other words, they symbolize all the kings of the world, all the leaders, all of those who will support the Antichrist. So you might say, *'Well, why would four kings also symbolize ten kings?'* And the reason is because these four notable ones come from the four winds of heaven, in other words, all four directions: north, south, east and west.

And next we see that the Antichrist comes from one of these four directions: **'And out of one of them came forth a little horn,'** and the little horn has always been recognized by Bible scholars as the Antichrist, **'which waxed exceeding great, toward the south, and toward the east, and toward the pleasant land.'** As I have explained on another program, this indicates that the Antichrist will come from Istanbul, Turkey or somewhere in that region. Now, the Antichrist, this 'little horn', has the same ending in this chapter as in the book of Revelation and as in the other chapters of Daniel. In verse number 25, **'And through his policy also he shall cause craft to prosper in his hand;'** the Antichrist supports witchcraft, **"and he shall magnify himself in his heart,"** of course, he sets himself up as the abomination of desolation, **'and by peace shall destroy many: he**

***shall also stand up against the Prince of princes;***’ of course this is Jesus, ***‘but he shall be broken without hand.’*** Notice that phrase, ***‘broken without hand,’*** almost the exact same expression as the statue being broken in Daniel, chapter number 2, and of course, the Lamb of lambs destroys him in Revelation.

So in conclusion, we see that this Scarlet Beast, this final One World Communist Tyranny is extremely important in Bible Prophecy. The Whore of Babylon which symbolizes Britain, America and all of the decadent West will be defeated during the first half of the Seven Years of Tribulation, but this Scarlet Beast, is much worse. This Scarlet Beast will usher in what Jesus called the worst time in the entire history of mankind. And so my message for you, Mr. Kleck, is that if the Lord told you Egypt is your enemy, then you must fight against this Scarlet Beast, and that would be during the second half of the Tribulation, in other words, after the Rapture. Don't be surprised if you are left behind and if you are left behind, Mr. Kleck, that means you must be part of the seed of the woman and the woman is Mary. She is the one who will direct operations against the Antichrist and his Scarlet Beast.

*1) I've come to understand that Jesus is the Stonecutter, not the stone.*
