

Subscriber Alert! Amazing Bible Prophecy Video!

This is just a brief notification to you my subscribers about an amazing video by Father Adam Skwarczyński which one of my subscribers from Australia sent me, and thank you very much Luke I appreciate it. And he verifies almost everything I have been saying on this channel about prophecy of the End Times. And I especially ask you, my Protestant subscribers, do not be put off by the fact that he is a Catholic priest.

For example he tells an amazing story about a Protestant minister in Almolonga, Guatemala who received a miracle, and the entire town is now converted, and you should see the vegetables they grow there. He shows the picture of a woman with a cabbage five times the size of her head.

So I know that all of you, please click on the link below. You will be very edified by this amazing video.
