

Another 9/11 Warning From God! Wake Up Atheists!

Tomorrow is the 13th anniversary of those horrific terror attacks on the Twin Towers in New York City and I want Americans to be especially alert tomorrow because God has given us another 9/11 warning. And I especially want to thank one of my subscribers, 50itstime for sending me five emails last night to alert me to this amazing prophecy and I'll get to that in just a minute. First, we need to understand that this terror attack on 9/11 was not the main event; it was a prophecy from Almighty God about the main event. The main event is the 'burning with fire of Babylon in one hour' as prophesied by John in the book of Revelation. Rabbi Jonathan Cahn called 9/11 the Harbinger and he was right.

Please notice by the way that a Rabbi is giving this warning and if you go on YouTube, you'll find that God is using Catholics, Protestants, and Jews to warn America. He is warning us through music videos, through television commercials, even sporting events. God is trying to reach everyone and even you, Atheists, what is it going to take to wake you up?! I know you're hoping that God comes down and taps you on the shoulder. Why do you think you deserve some more of a warning from God than the rest of us? This 9/11 terror attack affected everyone and so will the main event which will very soon come to America.

This new 9/11 warning from Almighty God involves yet another female American world champion athlete, very much the same as Serena Williams when she won the gold medal in tennis at the summer Olympics. And, of course, I'm sure you remember that the American flag fell during those ceremonies at exactly the moment when the words of the National Anthem rang out '**our flag was still there**'. This was an obvious warning to the United States.

This amazing new 9/11 warning from Almighty God occurred during a 1500 meter race in Zurich, Switzerland which featured the American World Champion, Jennifer Simpson, and the girl who came in second, Shannon Rowbury, who is also American and the amazing thing is: it was a virtual dead-heat. A photo finish was required to determine the winner and it turned out that Jennifer Simpson won by 1/100th of a second. These two young women symbolized the United States of America. They are the same as the falling of the two towers on 9/11.

They symbolize the two 'is fallens' in the book of Revelation, and 'why?' do you ask? Because both young women fell at the finish line! both Shannon and Jennifer. This is not an accident. This is not a coincidence. Also, please notice the words of the advertiser at the finish line: 'Omega'. Omega means 'the end'. Remember, Jesus said in the Bible, ***'I am the Alpha and the Omega, the beginning and the end.'*** Omega is the last letter in the Greek alphabet. This finish to this race signifies the end of America.

And now, let's take a brief look at the times for this event. Jennifer Simpson in 3:59.92 seconds. Shannon Rowbury was 1/100th of a second behind in second place at 3:59.93. There's only one digit difference between them, the 2 and the 3 at the end and of course, you my subscribers, know what 2/3 represents.

| 1500m Women - RESULTS | | |
|-----------------------|------------------|---------|
| USA | Jennifer SIMPSON | 3:59.92 |
| USA | Shannon ROWBURY | 3:59.93 |

And now, let's take a very quick look at the exciting finish to this race. Shannon Rowbury almost catches Jennifer Simpson at the finish line.

Of course, the significance is that their falls symbolize the fall of America. And now, the final kicker, the conclusive proof that this is a prophecy from Almighty God. Did you notice the numbers on the young ladies' jerseys? Shannon Rowbury's number is 9, Jennifer Simpson's number is 11. This is not a coincidence. Even you stubborn atheists must admit this is a warning to the United States of America from Almighty God Himself.
