

Daniel Unsealed, Chapter 7, New Website

First of all, I have a wonderful announcement, and that is my new website, [thirdeaglemedia.com](http://www.thirdeaglemedia.com) is up and running. So let me mention that name again because it's a little bit different than thirdeaglebooks: it's [thirdeaglemedia.com](http://www.thirdeaglemedia.com) and I will put a link below in the description box.

And secondly, I want to thank all of you who contributed; without you this would not be possible and this is an extremely important work.

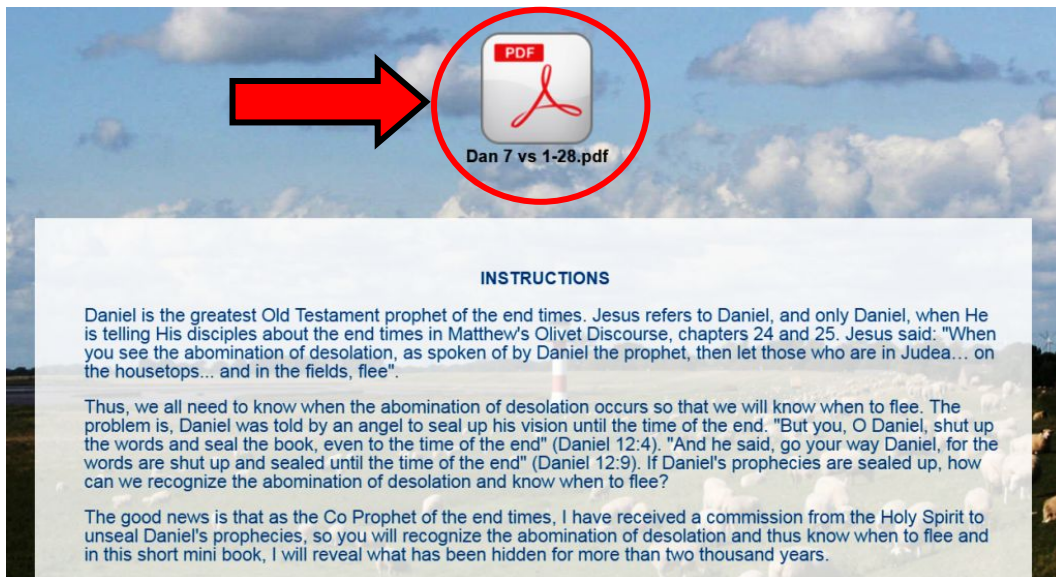

And although I am not able to thank each one of you in person, I want to say this: I am adding one rosary to my daily prayers and this is going to be specifically for those of you who volunteer with my project, with my ministry, for those who promote my ministry through the free bumper sticker, and for those of you who contribute financially. All of you are doing a wonderful work and I am specifically praying that you will survive through the Great Tribulation; and be very soon you will understand why that is very important.

And now I want to explain why this website is so very important. Jesus said: ***'When you see the abomination of desolation spoken of by Daniel the prophet let him who reads understand.'*** However, the angel told Daniel that his prophecies were to be sealed up. So how can we reconcile these two statements? How can we read and understand, as Jesus told us we must do, if the prophecies of Daniel are hidden? If they are sealed up? If they are under lock and key?

Well, there is a little disclaimer at the end of what the angel told Daniel; he said the prophecies would be sealed up until the time of the End, and we are at that time now, and it is critical that we unseal the prophecies of Daniel, and that is the purpose of this website. Now don't expect to read headlines in the New York Times tomorrow that the prophecies of Daniel have been unsealed. This news is for you, the Remnant, because you are the ones who are going to survive the Great Tribulation and you must know how to unseal the prophecies of Daniel.

Now, I have come to understand, even though I have explained this in my YouTube videos, you have not been able to read and understand the prophecies and you cannot read and understand the prophecies of Daniel in your Bible because the prophecies of Daniel as printed in your Bible and my Bible are sealed up. They are hidden, so here is what you must do. You click on the link below in the description box to my new thirdeaglemedia.com website. When you get there, you click on "Old Testament Prophets" then "Daniel Chapter 7 vs 1 - 28" and scroll down to read, first of all, the instructions.

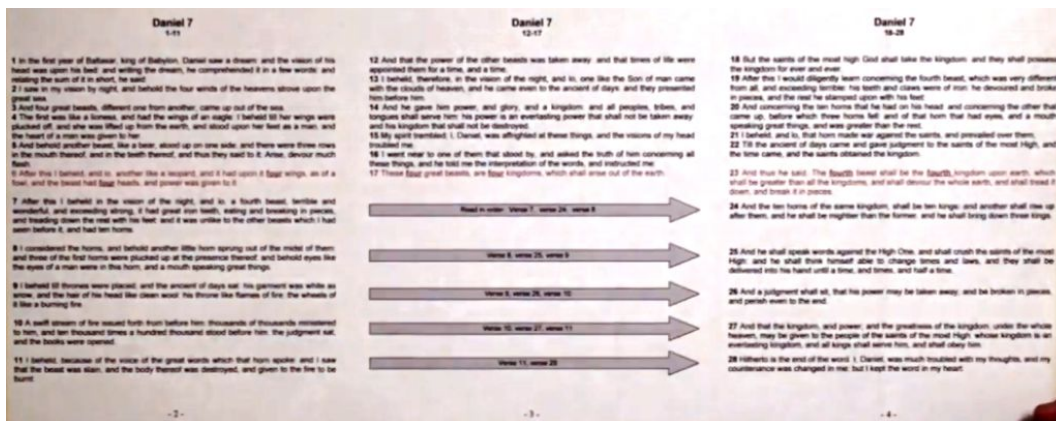

After you have read the instructions, you click on the red and white PDF button above the "Instructions" and then you will find a download arrow and a printer button; you can click on either one.

If you click on the printer, you can print the four pages or just the three pages, that is pages 2, 3, and 4 which I have in my hand here. You don't need the first page, that is simply a picture of an angel. Or you can click on the arrow and the arrow will download the PDF file to your computer whereupon you can again, print the three necessary pages, that is 2-4, from your own computer.

Once you have done that, you will have the three pages, pages 2, 3, and 4 of Daniel chapter number 7, however, now you are going to be able to read and understand them because you will reassemble them according to Daniel's hidden verse structure. This is how Daniel sealed up his prophecy. As I said before, you cannot read and understand Daniel as his chapters are printed in your Bible. You must print them out as I am instructing you and reassemble them. You assemble the printed pages 2-3; I put a simple cellophane tape down the back. Then you assemble 3 to 4 with a simple cellophane tape down the back. And when you have assembled them, you will have three sheets connected together. This is the only way you can read and understand Daniel.

Next, what I do after I have assembled the three pages, is to attach them to a piece of cardboard. This is a simple cardboard box like you might get from the supermarket. This makes them rigid, it makes them much easier to deal with, to study them and you have to study how Daniel sealed up his prophecies. And although I can explain the interpretation and I have on previous programs, it is critical for you to also read and understand Daniel. Many of my co-prophecies you have helped me with, you have added to them and I want all of you to do

this. And you can put your comments below and let me know what you discover as you read and understand as Jesus told us we must do.

Let's take a quick look at how Daniel sealed up his prophecy in chapter number 7. This will be just a quick review of Daniel, chapter 7, and how he sealed up his prophecy because I have explained this before on previous videos. In verse 6, in verse 17, and in verse 23, Daniel uses the word 'four' two times in each of those three verses and he does not do that in any other verse. That means those verses must be lined up and when you do that, you get 6 verses at the top left, 1-6, 6 verses at the top center, 12 -17, and 6 verses at the top right, 18-23; and of course, that gives us the number of the Antichrist: 666. Following those 666 verses are two sets of 5 verses: 7-11, and 24-28 and of course those verses represent Mary's Rosary which is the weapon Jesus will use to defeat the Antichrist. That's why 5 and 5 verses follow the 666 set of verses, and Daniel verifies this arrangement by having verse 24 follow verse 7.

If you read these, and that is why I have placed an arrow here, in that sequence, you will see that verse 24 follows verse 7 better than verse number 8. And the same with verses 8 and 25. Verse 25 follows verse number 8 better than verse number 9, and the same with these; all these five verses are followed better by these five verses. This verifies that Daniel wants you to read and understand these verses exactly as I have arranged them on this chart.

And so in conclusion, please do not expect to read headlines in the media tomorrow that Daniel's prophecies have been unsealed. This information is for you, the Remnant. It is you who must read and understand as Jesus told us we must do, but you cannot rely on your Bibles. As Daniel is printed in your Bible and in my Bible, the prophecies are sealed up and hidden. They are under lock and key. There is only one way you can unseal the prophecies and that is to reassemble them according to Daniel's hidden verse structure. And please, don't rely on the false prophets. When you see videos on YouTube or on the Internet or even books that are published about Daniel, none of them can explain Daniel because none of them know how to unseal Daniel. Just ask them. Put a comment on their videos: 'how do you unseal Daniel?' And since they cannot answer how can they explain to you Daniel if they cannot unseal the prophecies? And of course they can't.
