

Will Obama Start World War 3 before 1-1-11?

On this program I want to talk about the seven most dangerous weeks in American history, and those are the weeks we are about to enter. And the question is, will President Obama provoke Russia into World War 3, in these next seven weeks? In other words, before the 1st of January 2011.

As my regular subscribers know, Obama is found in Bible prophecy. He is the last king of the South in Daniel chapter number 11, and he is the leopard, as found in Daniel chapter number 7. Daniel chapter 11 verse number 40 is a prophecy of World War 3. And now the question is, why would Obama want to start World War 3 before the 1st of the year? The problem for the New World Order elite, is that since the election, we have in the United States a lame duck Congress, and in fact, President Obama is a lame duck president. That's because, for the next two years, he will not be able to advance his New World Order agenda, and so they are asking themselves, would World War 3 advance the One World Government more than two years of a tea party congress?

Now I want to show you where the fate of America is described in the Book of Revelation, just as Obama is found in Daniel, so also is the whore of Babylon a description of America and Britain, and in fact all of our decadent Western civilization. The fall of Barack Obama and the fall of the United States is found in Bible prophecy, and woe to you false prophets who do not believe this. Woe to you who say, for example, that the whore of Babylon in the Book of Revelation refers to the Catholic Church. That is a lie from the pit of Hell.

Now some of you are beginning to understand, that the entity in Revelation 18 must be a commercial entity, and therefore is the United States of America, but you still cling to the false belief that Revelation 17 tells a different story. Let me show you how Babylon, as found in Revelation 18 is identical to Babylon as found in Revelation 17.

There are seven descriptions of Babylon in chapter 17.

Rev 17:1 'And there came one of the seven angels which had the seven vials, and talked with me, saying to me, Come here, I will show you the judgment of the great whore that sits on many waters:'

And almost the exact same phraseology is found in chapter 19 verse 2.

Rev 19:2 For true and righteous are his judgments: for he has judged the great whore'

Notice how the whore of Babylon is described in decadent sexual terms, and the second description of Babylon in chapter 17.

Rev 17:2 'With whom the kings of the earth have committed fornication,'

And almost the exact same thing is in chapter 18.

Rev 18:9 'And the kings of the earth who have committed fornication and lived deliciously with her.'

Don't forget, if you expect to be raptured, you primarily must be sexually pure. That is what Jesus means, when He said you must keep oil in your lamps and your wick trimmed. That is sexual symbolism. And the third description of Babylon in chapter 17.

Rev 17:2 'And the inhabitants of the earth have been made drunk with the wine of her fornication.'

And we find almost the exact same phrase in chapter 18.

Rev 18:3 'For all the nations have drunk of the wine of the wrath of her fornication.'

Jesus said, that the End Times would be, as in the days of Lot, and the Bible also says that homosexuality is caused by luxury, and there's no doubt, one of the three great sins, for which the whore of Babylon, that is America, will be destroyed, is the sin of greed. And the fourth description of Babylon in chapter 17.

Rev 17:4 'And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls.'

And we find the exact same description in chapter 18.

Rev 18:16 'And saying, Alas, alas that great city, that was clothed in fine linen, and purple, and scarlet, and decked with gold, and precious stones, and pearls.'

And we find a description of America, because of our purchasing power.

Rev 18:11 'or no man shall buy their merchandise anymore,

Rev 18:12 The merchandise of gold, and silver, and precious stones, and pearls, fine linen, and purple, and silk, and scarlet,..'

In this next passage, we see that there is a difference between the whore of Babylon, as found in Revelation 17 and in Revelation 18, but the difference, is not that they are a different entity, but a difference of time. In other words, chapter 17 describes Babylon today, that is present-day America. In chapter 18, we find out what will happen to the United States in the very near future. And the fifth definition of Babylon in chapter 17,

Rev 17:5 'And upon her forehead was a name written, mystery, Babylon the great, the mother of harlots and abominations of the earth.'

We see the same phraseology in chapter 18.

Rev 18:10 'Standing afar off for the fear of her torment, saying Alas, alas that great city Babylon, that mighty city! for in one hour is your judgment come.'

This is God's judgment upon America, and in verse 21.

Rev 18:21 'And a mighty angel took up a stone like a great millstone, and cast it into the sea, saying, thus with violence shall that great city Babylon be thrown down.'

Notice how our decadent American culture, and in fact the entire West is described in sexual terms. In other words, you have abortion, pornography, contraception, homosexuality; all of these crimes against sexual nature. These are prevalent in America, and remember what Jesus said. He said the End Times, it would be as in the days of Noah and Lot. And, the sixth definition of Babylon in chapter 17.

Rev 17:6 'And I saw the woman drunk with the blood of the saints, and with the blood of the martyrs of Jesus...'

And in 18 we find almost the exact same description.

Rev 18:24 'And in her was found the blood of prophets, and of saints, and of all that were slain on the earth.'

And in **Rev 19:2 '... and has avenged the blood of his servants at her hand.'**

This passage also proves, that the whore of Babylon cannot possibly be the Roman Catholic Church, and the key word here is 'avenged.' These martyrs are not religious martyrs. They were not killed at the Spanish Inquisition. These martyrs seek vengeance, in fact we see them first, back in chapter 6. These are the innocents under the altar. The reason they seek vengeance is because they represent aborted babies. They did not fulfill their life's potential. Remember St. Stephen for example said, 'Lord do not hold this crime against them' when he was being stoned, and Jesus said on the cross, 'Father forgive them for they know not what they do'. But these victims, these are not religious victims; these are victims of the crime of abortion. These are the 50 million dead babies who have been aborted in the United States of America. And the seventh description of Babylon in chapter 17.

Rev 17:16 'And the ten horns which you saw on the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.'

Now let's look at chapter 18.

Rev 18:8 'Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judges her.'

And in verse 9 **'shall mourn and lament for when they shall see the smoke of her burning.'**

So in conclusion, we see that both Daniel and the Book of Revelation prophesy the downfall of president, Barack Obama, and the United States of America. God has given us many warnings, that this will happen. For example just this week, there was the mystery missile off of California. Now the media calls this an airplane. Well I doubt it very much, but even if it was, it is a sign that there could be missiles right off our coasts. And in fact, that's how I am sure we will be attacked. I am sure, that the hour of fire, that comes upon the United States will be a nuclear attack. Personally I have my food stored. I have water. I have a wood stove in the kitchen. I have a generator, because I noticed very likely that the New World Order will convince Barack Obama that the Tea Party Congress is not going to help them advance their New World Order agenda. World War 3 will provide the chaos, and the New World Order mark of the beast, which is what they really want.
