

## Why did Donald Trump Lose the Midterms?

I thought I would review on this program the disaster of the midterm elections where the Democrats convincingly won the House of Representatives and it looks like they're going to cut in the hoped-for margin in the Senate. And America has rejected the king which God appointed over us and that would be Donald Trump as prefigured by King Cyrus in Isaiah 45. And I have now come to understand the reason for this: and the reason is because Donald Trump and his Protestant brethren have not yet become Catholic as prophesied in Isaiah and Micah. So I thought we could review the pertinent verses from Isaiah 45 and Micah 5 and we have to read these verses in a Rosary sequence. In other words, verse 1 is followed by verse 5, which is followed by verse 3, because 1 5 3 is the number of Hail Mary's in a complete three mystery Rosary.

So, let's start with Isaiah 45 verse number 1: ***'Thus says the Lord to my anointed, Cyrus*** (now, Cyrus is a stand-in for Donald Trump in these End Times) ***whose right hand I have taken hold of*** (God is directing Donald Trump's right hand) ***to subdue nations before his face and to turn the backs of kings, and to open the doors before him, and the gates shall not be shut.'*** There are four things he does here and Donald Trump is fulfilling all four of those prophecies. And the number '4' is an End Times prophecy. So now, let's follow verse number 1 with verse number 5 in our Rosary sequence: ***'I am the Lord and there is none else: there is no God besides me: I girded you and you have not known me.'*** God is telling Donald Trump that as a Protestant he does not know Almighty God but God is going to convert Donald Trump to the remnant Catholic Church, as we now see in verse number 3: ***'And I will give you hidden treasures and the concealed riches of secret places*** (that refers to the Eucharist, the true body and blood of our Lord, as found in the Catholic Church; that is our most important dogma) ***that you may know I am the Lord who call you by your name, the God of Israel.'*** Now, this does not mean Donald Trump is going to become Jewish. 'Israel', in both Micah and Isaiah, is a code word for the remnant Catholic Church. And verse number 11: ***'Thus says the Lord the Holy One of Israel*** (the God of the remnant Catholic Church) ***his maker: Ask me of things to come*** (this is a

prophecy, an End Times prophecy) **concerning my children** (so now we are going to learn about the children of Israel and this would be the remnant Catholics) **and concerning the work of my hands give you charge to me.'**

Now, in order to follow Isaiah 45, verse 11, correctly, we now have to go to Micah. This is one of my more interesting discoveries: that these two prophets work together to give an End Times prophecy. I don't think they understood this but, of course, the Holy Spirit guides us in mysterious ways. So, now we go to Micah, chapter 5, verse number 1: **'Now shall you be laid waste, O daughter of the robber.'**

Remember, God is talking about his children, that is the children of Israel, which would be the remnant Catholics; the 'robber' is the Roman Catholic Church; the 'daughter of the robber' are those of us in the remnant Catholic Church. The reason Micah calls the Roman Catholic Church a 'robber' is because they are going to steal the Eucharist, the real body and blood of our Lord in the Eucharist. They are going to invalidate the consecrations of all priests throughout the world. Pope Francis is working at this very hard right now and we have to be especially attentive to the Bishops Conference this fall going on right now in Baltimore.

Will they rule that Catholics may receive, that is divorced and remarried Catholics, receive the body and blood of our Lord in the Eucharist. If they rule that, as Pope Francis wants in his Amoris Laetitia apostolic exhortation, as found in footnote 351, and notice that backwards Rosary number as Satan would announce it, 351 instead of 153, there are certain instances where the divorced and remarried Catholics may receive Holy Communion.

### *Amoris Laetitia Footnote 351*

**351** In certain cases, this can include the help of the sacraments. Hence, "I want to remind priests that the confessional must not be a torture chamber, but rather an encounter with the Lord's mercy" (Apostolic Exhortation *Evangelii Gaudium* [24 November 2013], 44: AAS 105 [2013], 1038). I would also point out that the Eucharist "is not a prize for the perfect, but a powerful medicine and nourishment for the weak" (*ibid*, 47: 1039).

That would be as if Jesus said: 'do not give that which is holy to the dogs except under certain circumstances'. And of course, that is not Biblical. But Pope Francis is not giving us what is Biblical.

So, let's continue now with Micah chapter 5, verse number 1: **'They**

**have laid siege against us** (these are the evil forces in the world who are going to lay siege against those of us in the remnant Catholic Church) **with a rod shall they strike the cheek of the judge of Israel'**. The judge of Israel would be the Pope; in this case, the true Pope is Pope Benedict and I believe he will be martyred soon and I believe he will be martyred in Jerusalem.

So now, we follow verse number 1 of Micah 5 with verse number 5: **'And this man shall be our peace** (this man refers to Donald Trump) **when the Assyrian shall come into our land** (the 'Assyrian' is Micah's code word for the Antichrist. The Antichrist is going to come into our land because of the Democrat victory in the House of Representatives) **and when he shall set his foot in our houses.'** The Antichrist is going to control all aspects of our lives including the Mark of the Beast.

We have to be expressly vigilant because of the Democrat's victory in the House of Representatives. They will do everything they can to promote the Antichrist. You can see our markets will go way down; in fact the Dow Jones started falling before the election because Wall Street could see that the Democrats were going to win the House of Representatives. And maybe the American people: maybe they like to see high unemployment among African-Americans and Hispanics, because that will be the result. And of course, the Democrats love

people to be on the government payroll, or to be on government assistance. They want people subservient to the government; this is socialism. I mean Donald Trump wants to take people off of food stamps, the Democrats want to put people back on food stamps.

Let's continue with Micah, let's go back from my digression: **'The Assyrian shall come into our land and when he shall set foot in our houses and we shall raise against him seven shepherds and eight princes.'** So, while Donald Trump is floundering around as a Protestant and not yet converted, we will have seven Shepherds (that would be religious leaders) and eight princes (that would be secular leaders) in our battle against the Antichrist. Verse number 3, following in our Rosary sequence: **'Therefore will he give them up even til the time wherein she that travails shall bring forth.'** Now, this is a prophecy about Jesus abandoning the Jews to their own doctrines for 2,000 years until He returns. It's also a prophecy about Donald Trump giving up his agenda. He will not be able to pursue making America great again with a Democrat Congress. That's what is being told here: **'Until she that travail shall bring forth and the remnant of his brethren shall be converted to the children of Israel.'** In other words, until the Protestants, and Donald Trump himself, become Catholic; then he will know how to overcome the Antichrist and the forces of the Antichrist which have taken over the House of Representatives.

And these first three verses in Micah 5, 1 5 3, are now followed by verse number 7, and this will be important for us Christians to understand: **'And the remnant of Jacob** (this is not the same as the 'children of Israel'; the 'remnant of Jacob' are the Jews who have been scattered throughout the world) **shall be in the midst of many peoples as a dew from the Lord.'** In other words, they will be a positive force in society. We have to understand this; we cannot blame the Jews for what is going to happen in this country. It's very easy and convenient to say that the Jews are at fault or the 'Synagogue of Satan' or the banksters. Be very careful about where you put your blame. It won't be until Donald Trump and his Protestant brethren become Catholic, until they are converted by Mary, the woman. And I forgot to go through that; it is the woman who will convert them, in other words, Mary; and Kim Clement says the same thing. **'And as drops upon the grass which waits not from man nor tarries for the children of men.'**

So in conclusion, let's not blame the Jews for what's going on and let's put the blame where it belongs: Donald Trump and his Protestant brethren have not yet converted. They will be converted by Mary. And I should go over that part that says Mary will convert them. I guess I forgot to read Micah 5, verse 3; **'Therefore will he give them up even till the time wherein she that travails shall bring forth** (the woman who is travailing here is Mary and she is going to forth the Protestants; she is going to convert them. **'And the remnant of his brethren shall be converted to the children of Israel.'**

Both Donald Trump and the Protestants will become Catholic; they will join the remnant Catholic Church, not the Roman Catholic Church. They will not follow Pope Francis because Rome has lost the faith and has become the seat of the Antichrist, as prophesied by Mary at La Salette. Well, I thought I would go over the election and why Donald Trump lost and why his Republican Party lost; they have not yet been able to defund Planned Parenthood. They had two years to do so; they failed to do so. And it won't be now, they will not succeed now. Donald Trump will not be able to advance his Make America Great agenda until he and his Protestant brethren convert to the remnant Catholic Church. That is what both Isaiah and Micah prophesied about here.

And I know this video was a little jerky because I kind of did this on the spur of the moment. I did it so you could look at the beautiful landscape up here in Upstate New York. Almighty God does give us beauty and we have to understand what His will is in these End Times if we are going to have Donald Trump as King Cyrus lead America in these End Times. And that's my message for today; thank you all for watching, God bless you all until next time.
