

## Feminization of the Holy Cross

This program will be a follow-up to my last one about this very horrible One World Religion symbol which the now taken over Vatican wants to promote instead of the Holy Cross. As you can see, the blue flame and the red flame form an oval, that is a feminine shape, and that dominates the cross underneath which should be a masculine shape although, in this case, as you can see, the wavy lines and the curvy forms, those indicate femininity as well and that is a perversion of the old rugged cross, the True Cross.

A True Cross is the greatest symbol in the universe because it expresses the universe and it also expresses the Creator of the universe. The horizontal line symbolizes God the Father. The vertical line, the lightning strike from heaven to earth, symbolizes God the Son, Jesus Christ. But there is a hidden, secret line and that is the line that goes from front to back and that goes through the center of the cross and that symbolizes the mysterious Holy Spirit.

And, I got quite a few very interesting comments on that video so I thought I would go through them and maybe you have more comments yourself and I'm always interested to hearing what my subscribers have to say. And Lilli pod wrote: **'It looks like they are setting fire to the cross.'** That's a very good observation, Lilli pod, and please notice that the blue flame and the red flame are joined at the top by a yellow flame. In other words, the three strands on this curvy, wavy feminized cross join together above the cross to form another flame so there are three flames and you are right. This One World Religion symbol is setting fire to the cross beneath it. In other words, this taken

over Vatican is trying to tell us that the One World Religion symbol is going to replace the True Cross.

And now, I suppose I should give the official Vatican interpretation and this comes from RaymondYerks and JoeNolan89 and they explain that on Vatican radio, they claim that the two flames, the blue and the red flame, symbolize North and South Korea. Well, that would be a political explanation, very much like here in the United States, we consider red states to be Republican and blue states to be Democrat, however, they could have chosen other colors. They could have chosen brown or purple or scarlet or green or... They chose red and blue not for a political division, at least not in my opinion, but because the red, blue and the yellow colors symbolize the three primary colors and therefore, they symbolize the Holy Trinity; except this is a perverted image of the Divine Trinity.

And another of my subscribers made a very interesting comment, and I forgot your name, and I can't find your comments, so if you want to verify what I am saying about you, you can simply add a comment below. He said that the three horizontal lines and the three vertical lines of this feminized cross form 6 squares in the center and that is unusual because 3 lines crossing three lines normally form four squares, however, this was not accidental. Those six squares indicate the mark of the beast. And in fact, if you consider the three horizontal lines on either side added together give you six, the three vertical lines of the wavy cross, feminized cross on the bottom, combined with the three flames at the top provide another 6, consequently, that gives you the number 666 and none of this is accidental. This definitely is an attempt by the taken over Vatican to give us a One World Religion symbol that will defeat the true Holy Cross.

And to continue, another of my subscribers complained because I gave Mary credit for defeating the Antichrist. But, don't forget, Jesus will use Mary's Rosary as his weapon to defeat both the Antichrist and the False Prophet and we see this prefigured when David chose five smooth pebbles against Goliath. And here's what he wrote: *'She was blessed by being the vessel that birthed Jesus into the world, that's all.'* Yes, that is a very common mistake but that's not what the Bible says. Read Luke, chapter 1, verse 28, where Gabriel says: ***'Hail (Mary), full of grace, the Lord is with thee, blessed art thou among women and blessed is the fruit of thy womb, (Jesus).'*** Please notice that Mary is blessed BEFORE she conceives Jesus. In other words, the

Bible is telling us that Mary was not blessed because she was chosen, she was chosen because she was blessed and that is a big difference; and that is why Almighty God chose Mary to be the mother of His son because she was 'blessed among all women.'

And finally, I would like to note Jason Robert posted this comment just this morning, he said: *'William, you called the tension between USA and Russia years ago (well, six years ago to be exact, Jason). Please cover that and remind people that you had mentioned this years ago about Obama and Putin,'* and you are right, Jason, and that's for one very simple reason. I have unsealed the prophecies of Daniel. Obama is found in Daniel 11, verse 40, as the last King of the South and he will provoke Putin into World War III and it is prophesied that he will lose this war. And, as you say, I referred to this over six years ago right here on YouTube and nobody listened and Obama was not only elected, he was re-elected.

And I think the reason it's important for me to mention that is because it does add veracity to my claim that Pope Francis is the False Prophet and that this evil symbol is the symbol of the One World Religion. They will use this to take away the power of the cross. Satan hates the power of the cross and the taken over Vatican will try to feminize the cross and this fulfills Bible Prophecy, also. This is a fulfillment of Revelation 11:2 where the angel tells John to **'arise and measure the temple of God,'** however, the temple of God in these End Times is the Roman Catholic Church. And the angel tells John to measure the people and those who worship at the altar because they are all that is left of the Catholic Church.

The angel tells John: **'do not measure the court outside the temple because it is given to the Gentiles'** and what that means is that all the exterior buildings and functions of the Catholic Church will be taken over: all of the churches and cathedrals, all of the seminaries, all of the hospitals, etc. Notre Dame, for another example, or Georgetown University and of course, the Vatican itself, as Mary herself prophesied over 150 years ago at La Salette, when she told the shepherd children: **'Rome will lose the faith and become the seat of the Antichrist.'** And, of course, it's my duty as the Eagle of the Apocalypse to warn everyone, not only about Obama and Putin, but also the fall of the Catholic Church and that you cannot count on any directives coming out of the Vatican and this false image is a sure sign: this is the Abomination of Desolation, the feminization of the True Cross.
