

My Response to Jesse Woodrow's Anti-Catholic Video

Now this video is in response to another video by Jesse Woodrow which is very anti-Catholic in nature. And now I normally enjoy Jesse Woodrow's videos because he exposes the New World Order, but this video is called 'World Events and a Roman Catholic'. Now even then I wouldn't normally respond to this video, because anti-Catholic videos on YouTube are a dime a dozen, but in this video, Jesse Woodrow ventures into the field of Bible prophecy, and he makes an awful lot of really excruciatingly, terrible mistakes.

Now the following are exact quotations from this Jesse Woodrow video. And first off, he seems very upset that the Catholic Church is trying to increase its membership.

'There is a huge reunion going on right now and I don't know if you even know about it but it's happening right now, I mean they are on a huge surge to try and get Catholics or people that were once Catholic or anyone that's not a Catholic to be Catholics once again.'

Jesse, why are you so surprised that the Catholic Church tries to increase its membership? Doesn't your church try to increase its membership? By the way, what denomination are you? I'm a Catholic. I'm kind of upset that you don't like what the Catholic church is doing. Isn't it perfectly normal for a religion to increase its numbers?

'Now, am I surprised by this? Not at all, let me tell you why: the Bible says in Revelation chapter 17 that the Antichrist and False Prophet, two different people, are going to work hand-in-hand together to try and defeat Christians around the world.'

Okay so you're right Jesse, about the False Prophet and the Antichrist, trying to defeat Christians from around the world, but there's nowhere in Revelation chapter 17, that either the Antichrist or the False Prophet appears. Jesse, I hope you continue attacking the New World Order, but when you get into Bible prophecy, you make an awful lot of mistakes.

'Well, the False Prophet is mentioned in Revelation chapter 17 as a whore.'

That's completely bogus Jesse. The whore of Babylon in Revelation is not the False Prophet. Even your mentor Irving Baxter knows better than that.

'A whore is always something the opposite of a virgin.'

Okay, now that I agree with.

'And so in this case, a whore is not the true church, it's a whoring after other gods, it's not married to the one true God of Israel, God said that in the Old Testament.'

The whore of Babylon in the Book of Revelation is not a church at all. The nation of Israel was also called a whore in the Old Testament. In the 'whore of Babylon' in the Book of Revelation represents all the capitalist nations of the world, our own decadent Western culture.

'So that description of not a virgin in the New Testament Revelation chapter 17 and 18, that has to do with this fake church, this Roman Catholic Church.'

Well now Jessie, I certainly take umbrage with your claim that the Roman Catholic Church is a fake church. I don't know, maybe you have to say things like that for your audience. Maybe you're pandering to the group of people, and besides Revelation 17 and 18 has nothing to do with any Church whatsoever, Catholic or otherwise.

'You have this 'Catholics Come Home' website, you have all this Catholic, Catholic, Catholic! Why? Because the Bible says that the Catholic Church is going to be just as powerful, just as strong, just as huge, just as whatever as the Antichrist.'

Now Jesse, would you dare say Muslim, Muslim, Muslim or would you dare say Jew, Jew, Jew in a video? Of course not. Do you know why you pick on the Catholic Church? Because the Catholic Church is innocent and defenceless. It's the Bride of Christ.

'They're working hand in hand, they're working together to spread the, you want to say good news of the Devil, but it's, you know, like the good news of the gospel but it's really the bad news of the Devil and this fear message the Catholic Church is going to be right in the middle of the whole thing.'

The Catholic Church, 'right in the middle of the whole thing'? Jessie Woodrow, you have no comprehension of what is going to happen to the Catholic Church. The Catholic Church is going to be trodden under by the Gentiles during the seven years of Tribulation. We Catholics are going to suffer right along with all the other Christians. Don't you understand that? We are fighting the same enemy. Jessie have you ever been to a Catholic mass? The mass preaches the true pure gospel of Jesus Christ. It's not a doctrine of demons. You have been brainwashed. I think you read too many Jack Chick comic books.

'Now we know that Tony Blair, who is the envoy, who is the quartet member to the Middle East Peace Agreement. He was not Catholic his whole life, the second he left office as Prime Minister he turned Catholic.'

Well I'm no fan of Tony Blair, but you make it sound like he did something dastardly to convert to Roman Catholicism. 'but the second he left the office he turned Catholic'? Is there supposed to be something sinister about that?

'Makes me think that he was Catholic the whole time but he just couldn't actually be Catholic because there are standards they live up to in England to not be a part of the Roman Catholic Church while they are in office.'

Jesse Woodrow, what kind of standards are you talking about? They don't have freedom of religion in England. The Prime Minister has to be an Anglican. Not just Catholics are prejudiced against, but also all other denominations. Would you want this in America? Do you think we should cut out freedom of religion? Do you think Catholics should be barred from office? Do you understand what it means to be prejudiced against? You probably don't understand this. Is this what you want in America? Do you think that we should get rid of freedom of religion? I don't. I don't agree with you Jesse. I think you're dead wrong.

'So what do we know? We know that there's going to be a peace agreement, that is signed in the Middle East...'

We know there's going to be a peace agreement signed in the Middle East? Well I suppose you're referring to Daniel 9:27, but Daniel 9:27 has nothing to do with a confirmation of a covenant with the Antichrist. That is phony baloney from the false prophets.

'That's going to begin the final seven years and at the final seven years there's going to be a rapture, and then the battle of Armageddon and you have the Catholic Church right in the middle of the whole thing.'

Well Jessie, you seem awfully worried that the Catholic Church is going to be right in the middle of everything. And what about this rapture? The rapture does not come at the end of the Tribulation. The rapture saves a remnant out of the Tribulation. Just as in the days of Noah. Just as in the days of Lot, as Jesus Himself said.

'If Tony Blair is involved with signing this peace agreement, well that'll be exactly what the Bible says the Catholic Church is involved in the One World Government.'

You better read Revelation again Jesse. The Catholic Church is not involved in the One World Government. The Catholic Church will be taken over by the One World Government.

'Now get this, the Bible also says that the Antichrist will be at the actual signing of the peace treaty. We don't know what kind of role he'll play but it does say the Antichrist is there.'

Now you're repeating what the false prophets say about the Antichrist, and that is, that he will confirm a covenant with Israel. He won't just be at the treaty signing, he will instigate the signing. But the whole thing is phony baloney, because the Antichrist reigns for 42 months, the second half of the seven years of Tribulation. He has no authority to sign any kind of covenant at the beginning of the Tribulation.

'So you have Roman Catholicism involved in the peace treaty, you have Roman Catholicism involved in the final three and one-half years, you have Tony Blair involved in the peace treaty, who's Roman Catholic, you have Tony Blair involved in so many things. Do I think Tony Blair is the Antichrist?'

Tony Blair is the Antichrist? Oh no!

'I don't think so, but I always watch what he's doing.'

Oh, phew!

'And this video is more important than just Tony Blair. I want to make sure YOU understand that there is a rise of Catholicism, there is a rise for people to go back to the Mother Church that has nothing to do with Jesus Christ.'

The Catholic Church has nothing to do with Jesus Christ? Jesse, the Catholic Church was founded by Jesus Christ. When you say the Apostles Creed, you say I believe in one Holy Catholic and Apostolic Church. But maybe you don't say that. What denomination are you? Do you belong to any Christian denomination?

Now like I said the beginning of this program Jesse, I enjoy your videos against the New World Order, but really, you should not take on the Catholic Church. We are fighting the same enemy, and you really need to avoid Bible prophecy, because you're off the charts on that one.
