

## Pope vs Viganò! Which One is the Accuser (Satan)?

I want to report today on a drama, a very serious drama, being played out in the Roman Catholic Church between Pope Francis, who I believe is the False Prophet of the End Times, and an archbishop, Archbishop Viganò, who has accused Pope Francis of duplicity; and rather than protecting victims of sexual abuse in the Church, he has

covered up sexual abuse by bishops and even Cardinals, specifically Cardinal McCarrick. I want to read excerpts from two different articles and then I want to show you in Bible prophecy where it is Pope Francis who is playing the role of Satan and not Archbishop Viganò, which is Pope Francis' claim.

This first article is from the BBC and the dateline is, August 28th, 2018, and Archbishop Viganò, is the one under my finger there on the left in this photo. I don't know if you can see that. And the headline is: 'A former Vatican diplomat who accused the Pope of covering up reports of clerical sex abuse is lying low over fears for his safety, it is claimed'. It is Satan's accusers, the ones that he accused, who will flee in the End Times. It is Viganò who is being accused by the Satan, in this case, Pope Francis. Let me read this article: **'Archbishop Carlo Maria Viganò o wrote in a letter that Pope Francis knew of allegations against a US Cardinal (that would be Cardinal McCarrick) five years before accepting his resignation. Italian blogger Aldo Maria Valli later said the archbishop had told him that he had 'purchased an airplane ticket'. The senior priest has made no further comment since the weekend.'** In other words, Archbishop Viganò has been forced into hiding. **'Recounting a meeting between the pair, Valli describes what the archbishop told him, writing: He will leave the country. He cannot tell me where he is going. I am not to look for him. His old mobile phone number will no longer work. We say goodbye for the last time.'** This is very ominous; it is very apocalyptic. And you will see that this is also Biblical in the book of Revelation. **'Similar claims that the archbishop is concerned about his safety were made by Edward Pentin of the conservative National Catholic Register. Journalist Marco Tosatti, who says he**

**helped the archbishop draft his bombshell 11 page letter, which was published on Sunday** (this was August of 26) **told the BBC: 'I don't know where he may be. He told me that he wanted to remain quiet. And at the moment, he's not answering his phone.'** **What did the Archbishop's letter say? In his letter archbishop Viganò said he told Pope Francis that Cardinal Theodore McCarrick, the former Archbishop of Washington, had been accused of sexually abusing lower-ranking seminarians and priests over decades.'** And here is a picture, I believe I have a picture of Cardinal McCarrick, and you can see what he looks like. **'He said Pope Francis' predecessor, Pope Benedict XVI, had taken action against the Cardinal forcing him to withdraw to a life of prayer and penance. However, he said Francis had lifted the sanctions against him and allowed him to return to full duties. Pope Francis 'knew from at least the 23rd of June 2013, that McCarrick was a serial predator', the archbishop wrote, adding: 'He knew that he was a corrupt man, he covered for him to the bitter end.'** Pope Francis is not taking this lying down. **'McCarrick, now 88, resigned in disgrace in July'**, a couple of months ago.

Here's a picture taken quite a few years ago of McCarrick (on left) with, I guess, one of his boyfriends. As you can see he's quite a young man in this picture. How in the world did Cardinal McCarrick, how did this man become a priest, much less a Cardinal? As Pope Paul VI said: **'The smoke of Satan has entered into the Catholic Church'**.

And now I want to read an article, or part of it, from LifeSite News. This was yesterday; the dateline is Tuesday, September the 18th, and there's the headline. I don't know if you can see that or not, if I'm showing it right. Pope makes yet another cryptic reference to 'Great Accuser' amid Viganò allegations.

## Pope makes yet another cryptic reference to 'Great Accuser' amid Viganò allegations

VATICAN CITY, September 18, 2018 (LifeSiteNews) – To Archbishop Carlo Viganò's allegations, Pope Francis will say not a word. But on the theme of the Great Accuser, he has preached four times.

This morning, **September 18**, after preaching on the Gospel of the day – in which Jesus raises the son of the Widow of Nain (Luke 7:11-17) – Francis shifted from thoughts on Christ's compassion to those concerning His silence before the "Great Accuser."

And I don't know if I have these pages in their correct order. ***'To Archbishop Carlo Viganò's allegations, Pope Francis will not say a word. But on the theme of the Great Accuser, he has preached four times. This morning, September the 11th*** (that was yesterday) ***after preaching on the gospel of the day, Francis shifted from thoughts on Christ's compassion to those concerning his silence before the 'Great Accuser'.*** Pope Francis is going to compare his silence on the charges to Christ's silence. ***"According to the Vatican's own news website, Vatican News, Francis believes Christ's silence was itself a form of compassion."*** And here's what he said in his homily: ***'Jesus then compassionately remained silent because the people were deceived by the powerful*** (today it is Francis who is the powerful, despite what he is claiming) ***Pope Francis explained. His response was silence and prayer. Here the shepherd chooses silence when the 'Great Accuser' accuses him through so many people. Jesus suffers, offers his life, and prays, Pope Francis said.'*** Who was the Great Accuser? Is it Pope Francis or Archbishop Viganò? I say it is Pope Francis who is playing the role of Satan. ***'These reflections were met with concerns online that the Holy Father, who has refused to respond directly to Archbishop Viganò's accusations that he knowingly resurrected the career of a sexually abusive American Cardinal, is identifying himself with the Lord Jesus Christ. 'Is he comparing himself to Jesus?' wrote Damien McDonnell, on Twitter. 'This just gets more and more horrific.' If so, Francis could be suggesting that the powerful who are deceiving the people are clerics and laypeople publicly demanding that the Pope answer the allegations whereas***

***the Great Accuser (or Satan) is Archbishop Viganò, who is apparently now in hiding. Pope Francis' references to the Great Accuser began on September the 11th (he's been doing this for over a week now) when Pope Francis blamed the Great Accuser for revealing bishops' complicity in covering up the sex abuse of minors. (In other words, the Pope is saying that if you criticize him or the bishops about their covering up sex abuse you are satanic! Of course, it's the other way around) According to the Vatican's own news site, the pontiff said, 'it seems the Great Accuser is attacking the bishops of the Catholic Church to create scandal.' Pope Francis returned to the theme of the Great Accuser on September 13th, the day he met with the delegation of American prelate who planned to ask him for an Apostolic Visitation and investigation into the process that eased the notorious sexual predator, Archbishop Theodore McCarrick, up the ladder to the highest echelon of the Church hierarchy.'*** And I saw Michael Voris' program, I think it was yesterday, in which the Pope flatly turned down the American bishops. There will be no investigation into Theodore McCarrick or how he got to where he was. ***'Afterwards the Pope met with the American bishops to talk about accusations of cronyism, cover-up, and sexual abuse of minors and vulnerable adults in the Church.'*** And as I say, Michael Voris said nothing came of that meeting. ***'Then on September 14th, the Feast of the Exaltation of the Cross, Pope Francis returned once again to thoughts about the Great Accuser. This time, however, he likened the Great Accuser to a serpent, a chained dog, and a hungry fish that swallowed Christ on the cross.'***

Now, I want to show you in the book of Revelation where the Great Accuser is found and what our response will be to the Great Accuser and our response is very similar to Archbishop Viganò's and Pope Francis is playing the role of the Great Accuser. Let's look at Revelation, chapter 12, verse 10: ***'And I heard a loud voice in heaven saying now is come salvation and strength, and the Kingdom of our God, and the power of his Christ: Because the accuser of our brethren is cast forth, who accused them before our God day and night.'*** The accuser accuses the Brethren. And now, what is the response? How do we defeat this accuser? And we find that in the next verse: how do the Brethren defeat Satan? Revelation 12, verse 11: ***'And they overcame him by (number 1) the blood of the Lamb and (number 2) by the word of their testimony and (number 3) they loved not their lives unto death.'*** Most Bible

scholars do not understand this passage. John is talking about three different responses to the accuser. Those are three different groups. **'The blood of the Lamb'**; those are obviously the Holy Martyrs. **'The word of their testimony'**; that refers to the Protected Catholics who flee into the desert. **'They loved not their lives unto death'**; that refers to the Raptured Protestants. Those are the three responses to the accuser. Those are the three armies that will fight with Jesus at the Battle of Armageddon. They are the same three armies that we find elsewhere in the book of Revelation and they are referred to as **'the called, the elect, and the faithful'**. The 'called' are the Raptured Protestants, they are 'called' to the marriage supper of the Lamb. The 'elect' are the Protected Catholics, protected in the desert by Mary's Rosary and Scapular. And the third group, the 'faithful', those are the Holy Martyrs. Jesus refers to the same three groups when He says that He is going to send his angels to gather together his armies at the Battle of Armageddon. He will send His angels to **'gather the elect under the four winds, from one end of heaven to the other end of heaven.'** Again, 'under the four winds' would be those left behind on earth, the Protected Catholics, we who flee into the desert and who are protected by Mary's Rosary and Scapular. We are the ones who will be spreading the good word to others who have been left behind. Those in 'one end of heaven' would be the Raptured Protestants. Those in the 'other end of heaven' would be the Holy Martyrs.

So in conclusion, I think we see that the Accuser, and a pre figure of the Accuser, is Pope Francis. And it is the accused, but I should say that the one who Pope Francis is accusing, and that is Archbishop Viganò, who is fleeing into the desert, who is going into hiding. He is prefiguring the Protected Catholics. We will be fleeing into the desert. So this drama being played out in the Catholic Church today; it's not just about covering up a sexual abuse among the clergy, even the Cardinals and bishops, which is going to result in profound changes in the Church, by the way; it is a prefiguring of how you and we must be in one of those three groups who will respond to the Accuser and Archbishop Viganò is prefiguring those of us in the remnant Catholic Church who will be fleeing into the desert.
