

Elenin, Hoover Dam and Evil Dates in November

On this program, I want to look at some of the evil dates which will be occurring during this month of November of the year 2011. Many YouTubers have been speculating on these evil dates, and what might occur. Of course, we should understand that even the month of November has a certain amount of evil to it, because it is a combination of 9 and 11. November is the eleventh month of the year, but it was originally the ninth month of the year, that is until the Caesars, Julius and Augustus added two months, that is July and August to the year. Now we have 12 months. The Nov in November stands for nine. November itself is a 9-11 month.

So now let's look at the first of these possible evil dates, and that would be 11-9-11. Notice that we have both 9-11 in this date and 9-11 backwards, that is 11-9. However, we also need to remember that the last 9-11 event did not occur on any date with nine or eleven in it, and that was the shooting of Gabrielle Giffords. That occurred on January the 8th of this year but, why is that significant? Because it occurred 119 days after 9-11, and also don't forget the unfortunate little girl, who was murdered by Jared Lochner. She was born on 9-11, so it's possible 9-11 could be an evil date, and I'm uploading this video on the 8th, so we will soon find out.

The next evil date in November would be 11-11-11, and I did watch two very interesting videos this past week on the significance of 11-11-11. Now Jonathan Kleck posted a video saying that the Hoover Dam will be blown up on that date, and it's possible, very likely that the Hoover Dam will be an upcoming false flag event, although it may not occur on that specific date.

The Lord is verified to me that Jonathan Kleck is a true prophet. Now he does make one error in his videos, and that is, as far as Our Lady of Guadalupe goes, and the image he has, is not a true representation. He says if you turn Our Lady of Guadalupe upside down, that the cowl of Mary's head looks like a goat tongue, and the whole image is like a goat, but this is not true. So Mr. Kleck I advise you to get a true representation of Our Lady of Guadalupe, because it's nothing like the one that you are showing people, and I am a supporter of yours, so please take this advice to heart.

Now I want to talk about another video on 11-11-11 posted by "911allo" called 11-11-11 means 666. Now I have known for a long

time that the starter numbers on a barcode signifies 666, but 911allo's video also shows that those barcodes also signify 11-11-11, and that means, 11-11-11 means 666. Let's take a closer look.

This is a typical bar code, found on virtually every product bought or sold throughout the world. These two bars signify a 6. These two bars in the middle, signify a 6, and these two bars on the end, signify a 6. (*shown in red*). Therefore every bar code has a 666 on it. There's no doubt that bar codes are a precursor of the mark of the beast, and you can tell that this is a 6 because this 6 here is symbolized by two narrow bars at this location. Now they don't put the 6 under these bars, because they want to pull a fast one on you. When they instituted bar codes, they did not want anyone to know that they had used 666 as the starter numbers for every bar code, but the interesting thing is, that these two slender bars, which indicate a 6, at the beginning, in the middle and the end of every bar code, also looks like 11s, and therefore, the 666 is signified by 11-11-11.

The next significant date for potential evil, this November would be 11-23-11. Now that is for two reasons. 23 itself is an evil number. It signifies also 666, because 2 before 3 symbolizes man before God. 2 is a number for man, 3 is a number for God, and 2 before 3 or over 3 equals point 666 in mathematics, and of course 666 is the number of the Antichrist. But the 23rd of this November is also interesting, because it is another alignment of Comet Elenin, and the Earth and the Sun. and as we know on three previous alignments, there were terrible earthquakes that coincided with alignments with Elenin, and those earthquakes were in Japan, New Zealand and Chile. Will there be another earthquake on that date or something even worse? And the third significance of this evil date. is that is the first anniversary of North Korea's attack on South Korea, which as you, my regular

subscribers know is, in my estimation, the official beginning of World War 3. And please don't think that the evil people who run this world, do not take these evil numbers very seriously.

Now the next date, for potential evil in November would be 11-29-11 and that's the reason I mentioned earlier, that Jonathan Kleck's prediction of the breaking of Hoover Dam may not occur on 11-11-11 is because this is another expression of 11-11-11, because 29 added together equals 11. Plus, there is another tremendous significance to that particular date. 64 years ago on November 29th, the command went forth to rebuild Jerusalem. That was the date the United Nations declared Israel to be a sovereign state And don't go by the 1948 date that is often bandied about. The date according to the Bible is determined by when the command goes forth, and that was November 29th. Therefore that date also has tremendous potential for being very evil, and remember, that will be the 64th anniversary of Israel becoming a state, but that means that Israel will be entering its 65th year. And of course 65 is another expression of 11. 6 plus 5 equals 11.

Some of you may be wondering why I included the date, May 6th 1966 on my chart. And the reason I did that, is to give an example of what can happen on these significant dates. This is the day that Margaret Sanger died. She was certainly one of the precursors of the Antichrist. She founded Planned Parenthood. Perhaps the most wicked organization in the entire planet. They murder more than 2,000 babies every day.

Will another evil person die on one of these November days, perhaps maybe someone like Hugh Hefner, the king of porn? I'm not saying that will happen. I'm just giving that as a possible example. Or the assassination of a major political figure could occur. The European seer who was a relatively new Catholic seer, says that there would be three assassinations, and the first one has already occurred, and that was Muammar Gaddafi. Will the other two occur this month, the evil month of November, the month of 9-11?

In conclusion, let me remind you, as I have said many times, God reveals the future not to scare us, but to prepare us. We have entered the seven years of Tribulation. The birth pangs will get worse and worse. You need to be prepared. And as I have also said many times, your best weapons against the forces of the Antichrist, are Mary's rosary and scapular.
