

## Putin Will Turn USA to Radioactive Ash

Today is Saint Patrick's Day. Happy to all of my Irish friends and relatives. I'm half Irish myself. And as usual this morning I checked out the Drudge Report, which I always do, in order to see where Bible Prophecy is being fulfilled and I was really amazed because practically every headline about Putin, Obama, Russia and the United States is a fulfillment of the book of Revelation and the book of Daniel. And the major headline today was: *'The Rise of A New Motherland,'* and this refers to Putin flexing his muscles in the Crimea.

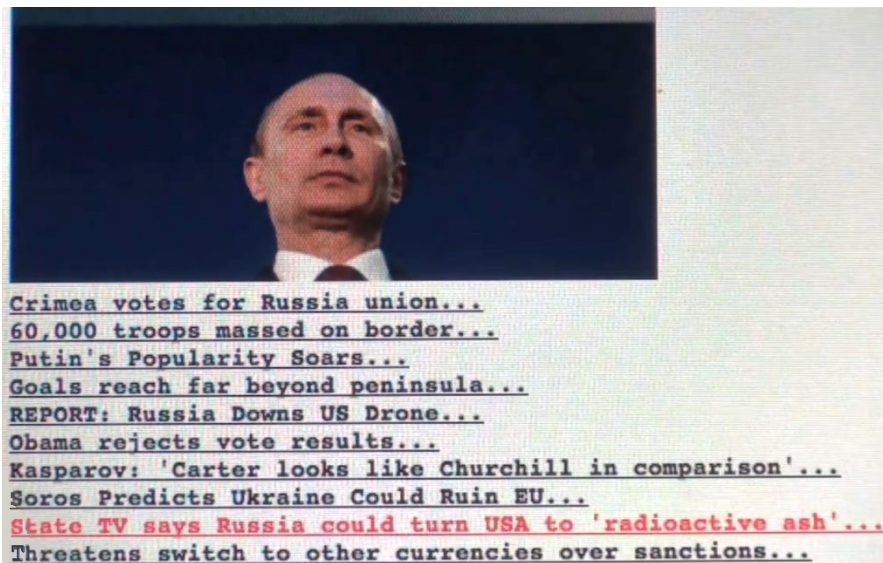

This *'Rise Of A New Motherland,'* headline is correct except this is the rise of the eighth and final beast in the book of Revelation. Therefore, 'Motherland' is not quite correct because the Scarlet Beast is always masculine. It's the Whore of Babylon, as it rides the Scarlet Beast, which is always feminine. And of course, the Whore of Babylon refers primarily to the United States and we are feminine as opposed to the Scarlet Beast, or Russia, which is masculine. I think that's why Obama promotes homosexuality and Putin disavows homosexuality.

Revelation 17 verse 3: ***'...And I saw a woman sitting upon a scarlet colored beast,'*** the woman is primarily Britain and America and the Scarlet colored Beast is Russia, ***'full of names of blasphemy,'*** and that refers to the atheistic character of Communism, ***'having seven heads and ten horns,'*** and the "seven heads" refers to the seven historical world tyrannies and the seventh is International Communism. And John continues in verse number 11: ***'And the Scarlet Beast that was and is not, the same is also the eighth and is of the seven.'*** In other words, this so-called collapse of the Soviet Union, which was

punctuated by the fall of the Berlin Wall, was phony. It's one of the greatest deceptions of the End Times, as I have been saying all along here on YouTube and maybe the Drudge Report is finally catching up on this news; and this Scarlet Beast is going to nuke the United States. **'...The ten horns on the beast shall hate the harlot...and shall burn her with fire,'** and that takes us back to the Drudge Report. **'State TV says Russia could turn USA to radioactive ash.'** Is there anyone who doubts that Putin would not hesitate to turn the USA to radioactive ash?

Revelation 16, verse 12: **'And the sixth angel poured out his bowl that a way might be prepared for the kings from the rising of the sun,'** and don't forget 90% of Russia is east of Jerusalem. And for any of you who really think that Putin is going to stop at the Crimea, I suggest you read Bible Prophecy and then read the Drudge Report: **'60,000 troops massed on border.... Goals reach far beyond peninsula...'** And sooner or later, probably sooner, the kings of the east will include Communist China.

And in Revelation 9, John gives the size of this huge army: **'And I heard the number of the army, 20 thousand times 10 thousand,'** and that adds up to 200 million. And continuing on the Drudge Report, he also gives a reference to Daniel this morning. Daniel 11, verse 40: **'And at the time of the end,'** that's the time we are in now, **'...the king of the south,'** and the Last King of the South is Barack Obama, **'shall push at him,'** and 'push' means 'provoke', and the 'him' is Vladimir Putin.

And we see in this morning's report from Matt Drudge that the King of the South is indeed pushing against the King of the North. *'Crimea votes for Russia union... Obama rejects vote results...'*

So in conclusion, as I said before, all of the headlines on the Drudge Report and elsewhere were prophesied about more than two thousand years ago in Scripture. And I recommend that you read the book of Revelation and especially the book of Daniel. And you need to go to my new [thirdeaglemedia.com](http://thirdeaglemedia.com) website if you want to unseal the prophecies of Daniel because Jesus said you must read and understand if you want to know when to flee from the Abomination of Desolation. You must flee the Whore of Babylon if you want to avoid her plagues and her sins.
