

## Danny DeVito is the Antichrist in 'Steal My Girl'

Today is Saturday, October the 24th, 2014 and last night I was watching a very interesting video by 'TheGroxt' and he was talking about a music video just released on Thursday on YouTube from 'One Direction' called 'Steal My Girl'. And he was very correct in saying this is a prophecy from the Illuminati about their plans for the rest of our planet. However, 'TheGroxt' did miss quite a bit of it because it also has to do with the Catholic Church. In fact, I believe the timing of the release of this music video by 'One Direction' was supposed to be a boasting that they have indeed completed the taking away of the Daily Sacrifice from the Prince in the Church. And by 'One Direction' I mean the Illuminati who I am sure directed this entire music video.

So first of all, let's give a brief description of this video. ***'In the music video, Danny DeVito (he is playing the Antichrist) meets up with a group (One Direction) in the middle of the desert where a video shoot is being set up. DeVito is serving as their visionary director (By the way, TheGroxt correctly points out that Danny, Danny DeVito, refers to the Tribe of Dan which is where the Antichrist comes from). He dubs each of the members of the group a different expression (this represents the Antichrist marking his members). Harry is love. Louis is danger. Liam is power. Zane is mystery and Neol is light. From there, the song starts and Zane is seen with two sumo wrestlers, Neol is seen dancing with an African tribe, Liam is seen as a leader of a marching band, Harry is seen surrounded by masked female ballet dancers and Louis is seen with a chimpanzee as well as a mountain lion and flamingos.***

***DeVito appears with the group throughout the video. In the end, a rain effect is used on the lot where the group, DeVito, and all the other acts appear together.'***

This latter scene is propoganda because the video opens in the desert and it ends with rain and they are trying to say that the arrival of the Antichrist and his co-partner, the False Prophet, brings rain to a parched earth.

Continuing in the opening scene, we see the five members of the band emerging from their camper in the dry, dusty desert. The number five is significant because that is the number of Mary's Rosary and the Catholic Church in the Bible and I think that's who these five band members represent. And, as

they emerge from their camper, behind the camper we see two men carrying a red couch.

Now, TheGroxt did not quite get this right. The red couch symbolizes the second horseman of the Apocalypse, the Red Horse of War. The guy in the front represents the two front legs of the horse and the guy in the back represents the two back legs of the horse. And

as this opening scene progresses, the red couch, that is the Red Horse of War, moves from the right of your screen to your left. And if you read a map, that would indicate that the Red Horse is moving from east to west and I think that is what the creators of this music video are telling us: war will probably break out in the Middle East, that's the dry desert, and it will eventually engulf all of the West.

Next, we see the arrival of the Antichrist and the False Prophet in a Cadillac El Dorado convertible. And we know this car carries the Antichrist because if we look at the license plate we see there are three 6's.

And this is reminiscent of the scene in 'Gangnam Style' where the man in yellow representing Pope Benedict, after he is defeated by Psy as the Antichrist, drives off in an automobile with three 5's on the license plate. The three 5's represent the Church but in this case,

those three 6's, refer to the Antichrist.

The next part of this opening scene is extremely important because we see the False Prophet give a false Eucharist to the Antichrist; and that's why I believe this video was supposed to be a boasting by the One World Government that they have indeed overrun the Catholic

Church with Pope Francis taking the Daily Sacrifice

away from the Prince. And if you look at a close up, even though it's supposed to be an apple that the False Prophet is giving to the Antichrist, it's pretty faded out and it definitely looks like a host.

And if we look at Danny DeVito close up, you can see he is definitely consuming a Eucharist and as I say, this really sets the tone for the entire video. This video is about the taking over of the Catholic Church by the Antichrist and the False Prophet.

And next we see the Antichrist give each member his name and, as I mentioned at the beginning, this simply symbolizes the marking of the human race by the Antichrist and in this case, the marking of the Catholic Church as his property.

Then, Danny DeVito, as the Antichrist, tells the group that in order to create art, they have to get rid of their inhibitions. And notice the inhibitions are in the form of balls, and 'TheGroxt'

correctly identified these as people and they have to be beheaded because that is how the Antichrist will get rid of his enemies: he beheads Christians in the End Times and of course, that is a prophecy right out of Scripture.

Now the first of the five band members, who together represent the Catholic Church, to lose his inhibitions, is Zane and evidently he has not been

beheaded but he is put under a lot of pressure by those two sumo wrestlers. And those two sumo wrestlers also symbolize the Antichrist and the False Prophet, and we will verify that in a few minutes when one of them gets splashed with yellow paint.

The next band member is surrounded by five female masked ballet dancers

and if you look closely you will see he is wearing a cross and I think that indicates the feminization of the Church.

Next we see one of the band members with an African tribe. I think this means that the Catholic Church has been taken over by pagan entities.

And then we see another member sitting with a monkey along with Danny DeVito.

TheGroxt says that the monkey in this case symbolizes Ebola. I think it's much more likely that the monkey symbolizes Darwinism and that the Catholic Church has been taken over by an anti-creationist viewpoint.

I think the three in this scene

also symbolize the unholy trinity of the End Times: Danny DeVito is the Antichrist, the band member of the Catholic Church is the False Prophet, and the chimpanzee represents Satan. Satan is also symbolized by an animal, (the Dragon) in the book of Revelation. And next we see the last of the band members carrying a baton and wearing a glitzy jacket and I think that represents superficiality.

The Catholic Church has been taken over by the unimportance of the Antichrist and the False Prophet.

And next comes a very interesting scene, where one of the band members throws yellow paint at one of the sumo wrestlers, and notice its yellow paint. That verifies what I've been saying: one of those sumo wrestlers represents the False Prophet because the False Prophet is a Pope and the Pope's colors are yellow and white. Thus, the other sumo wrestler would represent the Antichrist.

So we see the five members of the band symbolizing the Catholic Church seduced by various pagan elements of our society, however, in the book of Revelation, the Antichrist has seven heads symbolizing the seven apostate religions of the world. And as we see in Isaiah, seven women take hold of one man in the End Times. That one man is the Antichrist and they say, **'Let us eat our own bread and wear our own apparel only let us be called by your name'** and the name they want to be called by is the Catholic Church. And in this video we

have five members of the band plus two more women appear in this video to give us the total of seven and they also wear different types of

apparel and therefore we see that whoever directed and conceived this video knows his Bible Prophecy far better than most Christians.

So, once again, we see a lot of Bible Prophecy hidden in a music video from the Illuminati and when the band One Direction sings 'Steal My Girl', the girl they are talking about is the Bride, the Bride of Christ and the Bride of Christ is the Catholic Church. Incidentally, that false Eucharist given by the False Prophet to the Antichrist reminds me very much of 'Stacy's Deviled Eggs'. Maybe you remember in that advertisement for Miracle Whip where Stacy, who represents Satan, gives 16 deviled eggs, representing also false eucharists, to the Antichrist and the False Prophet.

Another interesting indication that the producers of this music video knew what they were doing is when they showed Danny DeVito as the Antichrist much shorter than the members of the band and of course, that's a reference to Daniel where the Antichrist is known as the 'little horn'.

And once again, I want to thank 'TheGroxt' for pointing out facts like that from this video and I will put a link to his explanation below because it's very good. *(no longer available)* I will also put a link to this music video by One Direction.

And what's really amazing to me is that the people who made this music video, 'Steal My Girl', seem to understand Bible Prophecy better than the bishops of the Catholic Church. At the Synod of Bishops a majority of them voted to take the Daily Sacrifice away from the Prince! I have been telling you all along how extremely important that Synod was but since they required a two thirds vote, fortunately for the Catholic Church, the prophecies in the Bible and in this video, 'Steal My Girl', have not yet occurred; but they will occur.
