

## The Devil Moose From Belarus

Quite a few of my subscribers have alerted me to a very amazing prophetic event which occurred in Belarus when a tour bus crashed into a large moose. And here's what Michelle Smith wrote to me: ***'William, you might be interested to take a listen and view another evangelist by the name of Anita Fuentes. One of her videos explained what happened in Kiev a few days ago. A moose crashed into a bus when the odometer read 666.6 at the time of 5:55, again, the Satanic number versus Mary's number 555. I wanted to share this with you.'***

Well, thank you very much, Michelle. I am very glad you did because it turns out this is one of the most prophetic events I have ever seen in my lifetime and it verifies Bible Prophecy all the way from Genesis to Revelation. It also verifies recent prophecy such as given by Mary at Fatima. It verifies all the co-prophecies I have been giving here on YouTube. It even verifies prophecies from the Illuminati in the Denver Airport murals!

So, let's take a look at this very peculiar incident in Belarus. As you can see, there are basically two parts to this story. First of all, the moose crashing into the tour bus, and secondly, the numbers on the odometer: 666.6, that is the mileage in kilometers, followed by the Rosary number 555 expressed as the time 5:55 p.m.

And so, I thought I would read to you an article on the Internet and this is from the Daily Mail: ***'Devil moose smashes headfirst through Belarus coach and stops mileage clock at the number of the beast: 666.6. The moose smashed its head through the glass of the Belarus bus. The bus***

**was travelling on a highway leading from Minsk** (that's the capital of Belarus) **to Kiev** (that's the capital of Ukraine). **The speedometer on the bus showed it stopped at the 666.6 kilometer mark** (I think they mean odometer). **The digits 666 represents 'the mark of the beast'** (it's very unusual for an article in the mainstream media to refer to Bible Prophecy). **A moose smashed through the windscreen of a packed coach as it travelled along a highway stopping the mileage clock at the number of the beast - 666.6. The moose unexpectedly darted into the path of the bus which was travelling from the Belarus capital Minsk to the Ukrainian capital Kiev. It was only afterwards that the police noticed the mileage clock on the bus read 666.6.'**

And in a related article I found on the Internet, and by the way, all of these are datelined June 18th. I'm not sure if the accident occurred on that date but of course 18 is 6-plus-6-plus-6. **'Bus driver, Isaac Voronoff, said: The thing ran straight out of the woods bordering the highway and I could not avoid hitting it. I noticed the 666 on the speedometer too but I am not a superstitious person, but when some of the old dears on the bus heard about it, they began crossing themselves right away, rattling their beads and setting up a cross at the side of the road to pray for salvation** (that's what I would have done also). **The bus was travelling from the Belarusian capital Minsk to Kiev in the Ukraine.'** By the way, did you notice the name of that bus driver? because it is right out of the Old Testament: his name is Isaac.

The first part of this prophecy is pretty obvious. I mean, even Anita Fuentes and the Daily Mail Reporter understand the significance of 666.6. And you, my subscribers, understand the significance of 555; that represents Mary's Rosary: the 5 Joyful Mysteries, the 5 Sorrowful Mysteries and the 5 Glorious Mysteries. And what's really amazing is that that same sequence, 666 followed by 555, is found in all the End Times prophecies of Zachariah, Ezekiel, all the vision chapters of Daniel, and even Our Lord uses the same verse sequence in Matthew's Olivet Discourse. He arranges the verses so that the 666 tribulation verses are followed by the 555 victory verses.

And what is the significance of all this prophecy? The significance is that Jesus will use Mary's Rosary to defeat the Antichrist just as David chose 5 smooth pebbles to defeat Goliath. But now, what about this particular prophecy in Belarus? What is the significance of the moose?

What is the significance of the bus? And as I will explain on this program, the moose being defeated by the bus is the same story as 666 being defeated by 555.

First, let's look at a moose. A Bull Moose has a very large set of antlers with horns protruding and we know from Daniel and Revelation that the fourth and final beast, the One World Communist Tyranny, has ten horns.

And secondly, this moose from Belarus crashed into the bus headfirst. We know from David versus Goliath that the smooth pebble David used, dented his forehead. And we know from Genesis 3:15 that the woman will crush the head of the serpent.

So far we see that this moose crashing into the bus coincides with Bible Prophecy. Now, we are up to the final part of this amazing prophecy from Almighty God. The first three parts have been fairly easy to understand: the 666, the 555 and the 10 horns on the moose but what is the significance of the Belarus tour bus? And in order to understand that, we need to look at the prophecies of Mary at Fatima.

Back in 1917, at the same time as the Bolshevik Revolution in Russia, Mary appeared to three Shepherd children and this amazing prophecy was verified by the great Miracle of the Sun.

She told the children that Russia would spread her errors throughout the world fomenting wars and revolutions.

The Holy Father would have much to suffer. There would be many martyrs. Several entire nations would be annihilated but in the end, her Immaculate Heart would triumph, Russia would be converted, and an era of peace would be granted to mankind.

But how does this prophecy concern the nation of Belarus? Belarus means 'White Rus.' It does not mean, by the way, 'White Russia.' The Rus people settled in Russia but also in Belarus and Ukraine. Let's read the definition from Wikipedia. **'The name Belarus corresponds literally with the term White Rus.'**

***There are several claims to the origin of the name 'White Rus'. An ethno-religious theory (well, if it's religious, I agree with it), suggests that the name used to describe the part of old Ruthenian lands within the Grand Duchy of Lithuania that had been populated mostly by early Christianized Slavs as opposed to black Ruthenium which was predominantly inhabited by pagan Balts.'***

So now, I believe we are beginning to understand the prophecy of this 'devil moose from Belarus'. Belarus symbolizes Christianized Rus peoples. In other words, as Mary said, she will convert Russia. and they will defeat 666, the One World Communist Tyranny. It's interesting that this bus was travelling from Minsk to Kiev through the lands of the Rus but, we don't find Kiev anywhere in the prophecy of Fatima or do we?

Although we have not read the full Third Secret of Fatima, there was a priest who had read the full Third Secret: his name was Father Malachi Martin and Father Malachi Martin gave a very interesting interview about twenty-five years ago with the Canadian journalist, Bernard Janzen. Let's take a listen.

***'Now you've just mentioned "Gorbachev" and the book "Windswept House" spoke a lot about Russia. Does Russia still play an important role in the message of Fatima even though the iron curtain has come down? (Good question) Fr. Martin: It does, it does. Now as for God's message of Fatima, it still stands, it still stands. The errors of Russia are now abroad and they are abroad. 'Russia will be converted but only by my Immaculate Heart,' she said 'it will be.' She said it, but a bit late but not too late she***

***said, so Russia is within the plan. Why?'*** (He doesn't answer this

question) ***That would take me too far afield into papal secrets why Russia and Kiev are involved in the final solution of this problem, but they are. They're part and parcel and it's really with God's choice. It's purely and simply God's choice like He chose the Jews to bring his Son into the world through them. He makes choices. He has his own favorite solutions to things. I wouldn't have chosen the Russians or Kiev or the East for salvation but salvation is to come from the East for us all.'***

'Salvation is to come from the East for all of us.' That is a very interesting revelation from Fr. Malachi Martin, and don't forget, he had read the Third Secret of Fatima. And now, the bad news. The people of the Rus will defeat Britain and America before they defeat the One World Government, as we see prophesied here by the Illuminati in the Denver Airport murals.

This sacrificed leopard or jaguar, whatever you want to call it, represents the United States. It will be defeated by the little map that the girl is holding. That is a map of the Soviet Union.

And I was vilified for years on Anderson Cooper and Stephen Colbert on national television because I revealed the secrets in the Denver Airport murals, all their hidden porn and sexual images, all their secret words like 'voudu' and how they showed blasphemy of the Lord's Supper, and the guillotines. I was the first to point out all of that evil imagery but, the Illuminati had better wake up. Even though they plan for Russia to defeat America, and Russia will defeat America and Britain, Russia in turn is going to be converted: all of the Rus people from Moscow to Minsk to Kiev as prophesied in this amazing 'devil moose from Belarus' prophecy from Almighty God.
