

Another Satanic Image From the Vatican

Well, would you believe the Vatican has come up with another horrible, Satanic and sexual logo; and I want to thank C. Dallas for bringing this to my attention. In fact, I want to thank all of my subscribers who keep me up to date on these horrible symbols coming out of the Vatican. And this new symbol is very similar to the sign which we saw at the canonization of the two popes; and this was a huge floral display and I've discussed this before with you.

We see the two horns on the bottom; they are perversions of God the Father and God the Son. They represent the False Prophet and the Antichrist of the End Times expressed in sexual terms and of course the huge oval in the center or circle; that is also sexual in nature and it

symbolizes the perversion of the Holy Spirit who would be Satan.

Egyptian goddess Hathor

That symbol was derived from the ancient Egyptian pagan symbol of Hathor and as you see here on the screen, Hathor was the cow goddess and she wore a head crown with two horns on either side of a sun disc and of course that Vatican symbol basically represents the same thing. And all of these images out of Egypt are very popular among the Illuminati. You see them all the time on television, in commercials, in halftime shows, and that's because they are very

powerful. And that's why John says that **"Jerusalem will be a Sodom and an Egypt in these End Times."** Not only Jerusalem but also the United States will adopt homosexuality, that is what John means by Sodom, and also paganism, that's what he means by Egypt. And we see the same two

Indian goddess Kali

horns on either side of a circle or feminine shape with the Indian pagan goddess Kali except that on her forehead we see an eye on its side surrounded by a crescent, or two horns, and that eye symbolizes the

feminine part and the two horns symbolize two males.

In addition to the flower display at the canonization of the two Popes, we saw the same type of image during the canonization of those Korean martyrs. And this image was also derived from those two Egyptian pagan forms and the Indian form and that is the cross was shown as a wavy, circular, weak type of image dominated by the two flames on either side or horns in red and blue. So we see the red, blue and yellow primary colors of the universe, which should represent God the Father, Son and the Holy Spirit, instead representing the unholy trinity of the End Times: the Antichrist, the False Prophet and Satan.

And we saw the same thing also in the Philippines logo with those two arms, supposedly of Pope Francis, encircling a yellow form and an off-center cross. And I have never seen a person's arms get narrower at the shoulders as they do in this logo. Notice the hands are large, the shoulders get narrower and narrower and of course the reason is because they actually represent snakes. That is an Ouroboros, in fact, two snakes, a red and a blue snake, chasing each

other's tails; and this is another expression of paganism and another expression of the unholy trinity of these End Times. Not all pagan symbols of the End Times represent a threesome, that is two males and one female. We see in this image of an Ankh Cross, and this was very common in Egypt also, a symbol of one male and one female.

This is also a sexual image and it is very popular these days among Satanists because it is also a perversion of the Cross.

And now that brings us up to this new image from the Vatican, this new logo for World Youth Day, which will occur next year in Krakow, Poland.

And it's very interesting because this logo combines all of these previous pagan images. Could it be that what we see here is a forerunner of the logo for the One World Religion? The One World Religion will begin in Rome and will be situated in the Vatican, as John prophesies in Revelation 11:2: ***"The holy city they will trample under foot for forty-two months by the Gentiles"*** and Mary prophesied the same thing at La Salette: ***"Rome will lose the faith and become the seat of the Antichrist"***.

So we see here a perverted cross like an Ankh Cross upside down. We see the cross part at the top rather than at the bottom and the oval, feminine form is at the bottom rather than at the top, thus an upside down Ankh Cross. And the two flames or horns on either side, similar to the pagan image of Hathor, represent again, instead of God the Father and God the Son they represent the perverted trinity. And in the center we have the oval, feminine form and of course that would represent a perversion of the Holy Spirit and that would be Satan. But, just to be fair about this, I thought I would read the official press release from the Vatican on this new logo and they introduced this with much pomp and ceremony so they must consider it very important. And this is the Presentation of the World Youth Day 2016 logo and the dateline is Vatican City July the 3rd: *"In a press conference held this morning the Metropolitan Archbishop of Krakow, Cardinal Stanislaw Dziwisz, presented the logo and official prayer for the 31st World Youth Day."*

This shows you just how important the Vatican considers these logos; to have a Cardinal of the Roman Catholic Church hold a press

conference just to announce this logo. This is not an unimportant matter; this is very serious. *"Three elements are combined in the symbolism of the logo: the place, the main protagonist, and the theme of the celebration. The logo of the 2016 World Youth Day to be held in Krakow illustrates the passage from the Gospel according to Matthew: **"Blessed are the merciful for they shall obtain mercy"** chosen as the theme of the event."* Well, that's a very noteworthy theme. That's terrific; I have no objection to that theme. *"The image is composed of a geographical outline of Poland..."* That's the red shape on the outside; that's supposed to indicate the Nation of Poland. *"...In which there is a cross, a symbol of Christ, who is the soul of World Youth Day. The yellow circle marks the position of Krakow on the map of Poland and is also a symbol of youth. The flame of Divine Mercy emerges from the cross..."* now listen carefully, *"and its colors recall the image 'Jesus I trust in you'. The colors used in the logo, red, blue and yellow are the official colors of Krakow and its Coat of Arms."*

Well, that is a horrible error comparing this logo to the image of Divine Mercy. The rays on the image of Divine Mercy coming from Jesus are straight lines. They are not curvy lines indicating horns; so Cardinal of Krakow, I hope you understand that you have adopted a very immoral, Satanic and sexual image. And this press release goes on: *"The logo was designed by Monika Rosinska, a young woman age 28 from Astrasaw, a small town in the midwest of Poland, following the canonization of Saint John Paul II."* Well, I appreciate all that information you've given me, Cardinal from Krakow but Monika, I don't believe you really knew what you were doing. I suspect the Vatican chose your image because it is Satanic and sexual and a perversion of the True Cross. It downgrades the Cross. It pleases Satan in these End Times.

So let me ask you a question, you Vatican officials who approve ugly images like this and which I have been showing here on YouTube for the last year or so: when Jesus returns, the great sign will appear in heaven, do you think it's going to be any of your logos? No, it will not! Jesus says when His sign appears marking his return, "the tribes of the earth will mourn" and that includes you people who have taken over the Vatican. You will mourn because then you will know your old signs and logos come from Satan and they have nothing to do with the perfect image of Jesus. When Jesus returns, here is the sign that will

appear in the sky, the True Cross and it has nothing to do with your Satanic perversions of the Cross.

Now, I did read up on what the sign of Jesus will be and some scholars don't believe it will be the cross, and there's a lot of discussion about it. It's very possible that the sign will be the great sign, Our Lady of Guadalupe, in other words, **"the woman clothed with the sun with the moon under her feet and on her head a crown of twelve stars"** as we see in the book of Revelation, chapter number 12. And what's really fascinating is that this great sign, as prophesied in Scripture, will be fulfilled on the weekend of September 23rd and 24th, 2017 in the constellations. This is one of the most amazing discoveries of the 21st century but you won't read about it in any of the news media.
