

## **Israel will be ruled by Islam During the Tribulation Daniel Chapter 9**

This is the third program in my series on Daniel chapter number 9, where that great Old Testament prophet reveals, that the nation of Israel will be ruled by Islam during the seven years of Great Tribulation.

In chapter number 9, Daniel reveals what is going to happen to Israel, that is, its takeover by Islam, why this is going to happen, when did Israel lose the blessings of Almighty God, what will happen to the Prime Minister and the other leadership of Israel, and how long will Israel be ruled by Islam? Now you may ask, where do I get the authority to unseal the prophecies of Daniel? That is of course besides from the Holy Spirit? And the reason is because I have understood the numerology of Daniel. This is how Daniel reveals the future.

For 2500 years no Bible scholar either Hebrew or Christian has understood this numerology. In the last two programs I showed for example how Daniel uses pairs and parallelism to reveal that there are four End Time verses in chapter number 9, not just the last verse which is verse number 27.

There is no doubt that the reestablishment of Israel as a nation by the United Nations on November 29th 1947, was a fulfilment of Bible prophecy, but there was no guarantee that Israel would maintain its part of the bargain. There was no guarantee that they would fulfill their share of the Covenant, and God's blessing has been lifted from Israel. And in Daniel chapter number 9 verse 11, he begins his first of the four End Time verses, which explain why this occurred.

**Dan 9:11 'Yea all Israel have transgressed your law'** Now since we know that this is an End Times verse, Daniel is addressing this prophecy to the modern State of Israel. **' even by departing, that they might not obey your voice;'** Israel is not upholding their part of the agreement. They are breaking Torah. **'therefore the curse is poured out upon us.'** Now what is the curse? The curse would be, that if Israel did not follow the Covenant, they would be ruled by their enemies. **'and the oath that is written in the law of Moses the servant of God, because we have sinned against him.'**

So how has Israel sinned against Torah? Israel is no different than any other modern decadent nation. They had their pornography, their gay

pride parades, their prostitution, their drugs; Israel is just as decadent as any other Western nation. They do not deserve to be called Jews. They do not follow the law of Moses. They have broken the Covenant, and God has lifted his blessing from the nation of Israel. And now looking at verse number 12, which is the second of these four End Time verses.

**Dan 9:12 'And he has confirmed his words, which he spoke against us.'** In other words, when God lifts his blessing from Israel, he is maintaining his end of the Covenant. **' and against our judges that judged us'** In other words the leadership of Israel is corrupt, just as the corrupt leadership of any other Western decadent nation, **'by bringing upon us a great evil.'** This great evil, is the seven years of Tribulation; **'for under the whole heaven has not been done as has been done upon Jerusalem.'** In other words, this seven years of Tribulation will be as bad a time as any Jerusalem has experienced in the past. And now looking at the third of these four End Time verses and that's verse 26.

**Dan 9:26 'And after threescore and two weeks shall Messiah be cut off but not for himself;'**

Now in the near time fulfilment of this prophecy, Jesus Christ was the Messiah, but the Messiah in Hebrew actually means 'The Anointed One' and therefore, in these End Times, it will be the king of Israel or the Prime Minister of Israel. Today, that is Benjamin Netanyahu, and when Islam takes over Israel, there is no doubt, they will put on trial all of the leaders of Israel, and they will execute Netanyahu, just as we executed Saddam Hussein.

And when will this occur? Notice Daniel says 'after threescore and two weeks'. Now this is different than the previous verse, which was threescore and seven weeks. Why the difference? Because the 69 weeks of years was the timeframe from the time that the command went forth to rebuild Jerusalem, unto Jesus Christ, but in the End Times there will only be 62 years. That verifies by the way, that this is an End Times prophecy. That is the difference between the 62 weeks and the 69 weeks of years.

The 62 weeks refers to 62 years and that again is taken from the time when the United Nations declared Israel to be a nation. You add 62 to 1947 and that means, that God's blessing was lifted from Israel on November 29th 2009, a little less than four months ago, and notice

Daniel says that, after that timeframe, that is when Messiah, in other words the Anointed One, the Prime Minister of Israel, will be cut off. I suspect that Israel has less than a year for them to repent, and prevent the execution of their leadership and the takeover of their nation by Islam.

And Daniel continues in 9:26 **'and the people of the prince that shall come shall destroy the city and the sanctuary;'** Notice that Daniel separates the people and the prince. This prince in the End Times is undoubtedly the last king of the north, who is the premier of Russia, undoubtedly Vladimir Putin. The people however, will not be his people. They will be the Muslim neighbors of the State of Israel. This is the same as the Gog Magog coalition. Gog is a leader of these forces, that would be the President of Russia, and Magog would be the Muslim forces, who will dominate the entire Middle East during the seven years of Tribulation.

Now in the near time fulfilment of this prophecy, the prince was the Roman general Titus, who destroyed Jerusalem, and the people were the mercenaries that fought for him. And Daniel continues **'that shall come and shall destroy the city and the sanctuary; and the end thereof shall be with a flood';** Now this 'flood' word means that it is sudden, and it is overwhelming **'and unto the end of the war desolations are determined.'** Well what is this war that Daniel is talking about? This can only mean World War 3. And now let's look at the last of these four End Time verses, and that's verse number 27.

### **9:27 'And he shall confirm the covenant with many for one week:'**

Now the false prophets get all aspects of this prophecy wrong. First of all the 'he', cannot possibly be the Antichrist. That's because the Antichrist reigns for only 42 months, and that is the second half of the Great Tribulation. We know that this follows the war, World War 3, and therefore this is the first half of the Great Tribulation, and this covenant which Daniel is writing about, is not some kind of peace treaty with Israel, because Israel, as we can see, is at war, and has been defeated by Islam.

This covenant is the everlasting covenant, which Jesus established at the Last Supper, where he said 'this is my body and this is my blood'. This is the everlasting covenant, and this covenant will be confirmed with a remnant of Israel by the prophet Elijah. Notice Daniel says 'with many for one week'. Now the 'one week' refers to the first part of the

Tribulation Period, but the 'many' does not refer to the entire nation of Israel. When Daniel wants to say, all Israel, as he did back in verse number 11, he says 'all Israel', but here he says 'the many', because he is only referring to a remnant of Israel.

And Daniel continues **'and in the midst of the week he shall cause the sacrifice and the oblation to cease,'**. Now Daniel here is talking about the abomination of desolation, and the sacrifice which is taken away from Jesus, is not animal sacrifice, as the false prophets keep drumming into our heads. The rebuilt Temple, which they are attempting to build now, does not satisfy Bible prophecy. Jesus did not require ritual animal sacrifice. If they re-establish animal sacrifice in Jerusalem at a new rebuilt temple, that is a pagan sacrifice. Jesus did away with blood sacrifice. His sacrifice is the symbolic sacrifice of the Eucharist. That, is what the Antichrist will take away from Christ, from all Christian churches, and from this remnant of Israel.

**'he shall cause the sacrifice and the oblation to cease and for the overspreading of abominations he shall make it desolate, even unto the consummation, and that determined shall be poured upon the desolate.'** This taking away of the symbolic sacrifice from the entire planet will last until Armageddon. And I want to add, woe to you false prophets on YouTube and elsewhere, who are pounding the drums for war, between Israel and Iran. You are leading Israel and America astray, because Israel will lose this war.

What should you be doing? You should be telling Israel to repent. You should be telling them that they must follow their own covenant, because as Daniel says, they have broken the Covenant. God has lifted His blessing from Israel, and the curse is about to befall the nation of Israel.
