

La Salette: Birth of the Antichrist Pt 6

This is the sixth part in my series on the amazing prophecies which the Blessed Mother gave to two shepherd children at La Salette, France, back in 1846, and, so far, we have discovered that in order to understand the chronology of the La Salette prophecies, you have to break it down into 7 different sections. In each of the first 4 sections, Mary herself indicated the beginning by giving us a particular year. Part one began with the year 1858; part two, 1859; part three, 1864; part four, 1865. and part five we had to calculate from the information which Mary gave us. In other words, we discovered that you had to add twenty-five years of harvest to the date Mary gave the prophecy, which was in 1846, and therefore we found that section began with the year 1870.

And now, we are up to the sixth section and it starts at the birth of the Antichrist, however, we cannot figure out exactly that year because I don't know, maybe some of you in the audience know, who the Antichrist is. I don't know yet, but Mary says that is the date of the beginning of part number six and thus I call this section "the birth of the Antichrist".

Mary says: ***"It will be during this time that the Antichrist will be born of a Hebrew nun"***, and I estimate here 1945 to 2001 as being "this time". The reason I have determined that the phrase "this time" refers to the years following World War 2 is because that is the last time period which Mary was talking about in the 5th section of these La Salette prophecies. She called it the "false peace". In other words, the Antichrist was undoubtedly born sometime between 1945 and 2001. Therefore, this section DOES have a definite year at the beginning, it's just that we cannot determine when that year is at this time.

Now, please note also, that Mary refers to the mother of the Antichrist as a Hebrew nun. And this is consistent with what many Bible scholars believe, the Antichrist will be descended from the tribe of Dan because Saint John leaves the tribe of Dan out of the twelve tribes when he is referring to the 144,000 remnant Jews who will be saved out of the nation of Israel.

And now, Mary continues talking about this mother of the Antichrist: ***"a false virgin who will communicate with the old serpent"***. Now, Mary does not say "have intercourse with", but there is definitely an intimate connection between this false virgin who will bring forth the

Antichrist and the devil. And Mary continues: **"the master of impurity, his father will be Ev."** Now, the French word Ev., I'm not sure what that stands for. Of course, in English it could be "evil", and perhaps this indicates he will have a natural father, and the Antichrist's natural father will somehow be associated with the letters Ev. Some translations use the letter "B" in place of Ev.

"At birth he will spew out blasphemy". Could the Antichrist be a test tube baby? The first test tube baby, Louise Brown, was born about this time in 1978. **"He will have teeth, in a word, he will be the devil incarnate."** In other words, Satan is trying to imitate God **"He will scream horribly, he will perform wonders, he will feed on nothing but impurity. He will have brothers, who although not devils incarnate like him, will be children of evil."** I believe Mary is referring here to the ten kings of the Antichrist. **"At the age of twelve they will draw attention upon themselves."** Now "twelve", in this case, does not mean that all of the kings of the Antichrist reach the age of twelve at the same time; this is a symbolic number and it refers to midnight, or the second half of a great tribulation, the End Times.

I would like to interject here a commentary on this twelfth hour. I'm beginning to see that it refers to the second half of the tribulation and we know that the Antichrist will come on the scene during the last forty two months of the seven years of tribulation. I am also beginning to see that the eleventh hour in bible prophecy refers to the first half of the tribulation. Remember, Jonathan Kleck's prophecy that the Hoover dam would be blown up on 11-11-11, and I myself thought that could very likely happen on November 11th of 2011. Now, I am beginning to think that refers to the 11th hour of the 11th hour, in other words, towards the end of the first half of the tribulation, very likely in 2012 or 2013, or perhaps later.

The same with comet Elenin, which, as I have said all along, is a harbinger of the opening of the sixth seal. 9-11 was the most important date as far as comet Elenin goes. Remember, the comet is named after a Russian astronomer whose last name is 9-11 backwards, and the comet reached its perihelion on the tenth anniversary of 9-11, and it also disintegrated on 9-11. However, the significance of that 9-11 date may not mean that the sixth seal will be opened on some September 11th. It could well be that, once again, we are talking about the 11th hour, and the 9th hour of the 11th hour would be sometime after the midway point of the first half the tribulation.

As you know, I believe that the seven years of tribulation has already started, and it began on October 13th, 2010. If I'm correct about this proportion that would mean that the sixth seal would be opened sometime after this April. Of course, don't forget, Jesus said that he would shorten the days, so I am not pinpointing a date; I'm just offering a possibility for you to think about.

So now, let's continue with the La Salette prophecies, where Mary is talking about the Antichrist and his ten kings: **"by the gallant victories they will have won; soon they will each lead armies aided by the legions of hell. The seasons will be altered, the earth will produce nothing but bad fruit, the stars will lose their regular motion".** This is an amazing prophecy when you think about it, the stars will lose their regular motion, **"and the moon will only reflect a faint reddish glow. Water and fire will give the earth's globe convulsions and terrible earthquakes which will swallow up mountains, cities, etc."**

Now, that word "etcetera", was added by Melanie herself. She said Mary did not use that term. What Melanie is referring to is that Mary showed her many more catastrophes than what she describes here. And Mary continues: **"Rome will lose the faith"**, now this is a terrible prophecy concerning the Catholic Church and we find this also in Revelation 11:2, where the **"holy city will be trampled underfoot by the Gentiles"**. And remember, in this particular passage of Revelation, the holy city is not Jerusalem, the "holy city" in the end times refers to Rome, **"and Rome will become the seat of the Antichrist"**. And I believe this will occur in the year 2014.

"The demons of the air, together with the Antichrist will perform great wonders on earth and in the atmosphere". Of course, this is also verified in the book of Revelation, **"and men will become more and more perverted"**. Well, we are certainly noticing that! **"God will take care of his faithful servants and men of good will. The gospel will be preached everywhere and all peoples of all nations will get to know the truth."** And now, Mary shifts gears, so to speak. Up until now, in this section six of the La Salette prophecies, Mary has been giving End Times prophecy. But now, Mary starts giving a general exhortation. She changes from the future tense to the present tense. And, in fact, one of the reasons I began my ministry was because of this exhortation. And listen very carefully because it's very possible that this exhortation involves you also. Remember, The Bible says that in these End times the Holy Spirit would be poured out upon all flesh.

"I make an urgent appeal to the earth. I call on the true disciples of the living God who reigns in heaven; I call on the true followers of Christ made man, the only true Savior of men; I call on my children, the true faithful, those who have given themselves to me so that I may lead them to my divine Son, those whom I carry in my arms, so to speak, those who have lived according to my spirit. Finally, I call on the apostles of the last days, the faithful disciples of Jesus Christ, who have lived in scorn for the world and for themselves, in poverty and in humility, in scorn and in silence, in prayer and in mortification, in chastity and in union with God, in suffering and unknown to the world. It is time they came out and filled the world with light. Go and reveal yourselves to be my cherished children. I am at your side and within you, provided that your faith is the light which shines upon you in these unhappy days. May your zeal make you hunger for the glory and the honor of Jesus Christ. Fight, children of light, you, the few who can see. For now is the time of all times, the end of all ends".

And, of course, the "end of all ends" refers to the great tribulation. What a beautiful exhortation from the Blessed Mother. I know it affected me a great deal when I first read it and I took it to heart and I eventually followed through on what she was encouraging all of us, in my opinion, to do. And I really hope that the Church begins to take these prophecies of La Salette much more seriously. These are End Times prophecies and this is Apocalyptic Literature. And my final program on part seven of La Salette will deal with the return of Enoch and Elijah.
