

BIBLE PROPHECY: OBAMA WILL START WW 3 IN 2009-10

On this program I want to discuss the timing of World War 3, that is, when will Barack Obama provoke Russia into attacking the United States? On previous videos I've already discussed how Barack Obama is the "leopard", as described in Daniel, chapter 7, and the "Last King of the South", as described in Daniel chapter 11. He will also be the last elected President of the United States.

It is extremely important for us to know the timing of World War 3, because Satan is out there spreading many false lies about the timing of the end. The date that he is giving you is 2012. Believe me, that is a lie from the pit of Hell. If you wait until 2012, you will be way too late. World War 3 will begin long before we ever see the year 2012.

Now, in order to determine the date for the starting of World War 3, we need to determine the date for Armageddon, because the tribulation period lasts for 7 years, and World War 3 is the trigger of the 7 years of tribulation. Do not listen to the false prophets who tell you that some kind of covenant between the Antichrist and Israel triggers the great tribulation period. This is another lie from Satan. If you wait for some supposed covenant, again, you will be way too late.

You need to prepare for World War 3 now, because it will occur within the next 20 months, that is, sometime between 2009 and 2010, as I will now demonstrate. Let's look at Biblical prophecy so that we can determine the timing of Armageddon. In the Olivet Discourse, Jesus tells us the parable of the fig tree. This parable is a prophecy of the rebirth of Israel in the twentieth century, and Jesus adds that "this generation shall not pass away until all things have been accomplished."

If we can determine the date that Israel became a nation, and add one generation's time to that, then we can determine the date for Armageddon. Now, the United Nations declared Israel to be a sovereign state on November 29, 1947, and if you add 70 years to that date, 70 years is, of course, the "life span" in the Bible, or "three score and ten years", then you get November 29, 2017, as the date for Armageddon. And when you subtract 7 years of tribulation from that date, you get November 29, 2010, as the date for World War 3.

Now, I realize many Bible Scholars believe that May 1948 is the date for Israel's rebirth, because that is when the English left Israel, and

when her Arab neighbors declared war. But the official date when the United Nations declared Israel to be a sovereign state, was November 29, 1947.

Now, let's look at another interesting date from Bible prophecy. In Revelation; Saint John describes a great star which falls from Heaven. This great star is Martin Luther (Rev. 9:1). Martin Luther is a precursor of the false prophet, because he apostatized from his Catholic faith. Just as the false prophet will apostatize from the Catholic faith.

Now, the plague of locusts, which Martin Luther unleashes, lasts for 5 months, according to Saint John. But that 5 months symbolizes 5 centuries, and the date that Martin Luther posted his famous 95 theses, was on Halloween of the year 1517. Now, when you add 5 hundred years, to the date Martin Luther posted his 95 theses, on October 31st, 1517, you get October 31st, 2017, as the date for Armageddon. And, you subtract 7 years, again, you come with a very close date for World War 3; in other words, October 31st, 2010.

In the latter part of the 19th century, another very interesting prophecy occurred: Pope Leo XIII overheard a conversation between our Lord and the devil. The devil proposed to God that he could seduce all of mankind if he were given enough time, and God responded by granting him 100 years. Now, shortly after this prophecy, in the early part of the 20th century, two very significant events occurred.

First, the Blessed Mother appeared at Fatima, and warned the world, that "Russia would spread her errors throughout the world". This prophecy was verified by the great miracle of the sun, which was witnessed by over 80,000 people. At almost the exact same time, the Bolshevik revolution occurred in Russia. Now, if we add 100 years to each of these two events, we will come amazingly close to the Bible prophecies about the date for Armageddon and the date for World War 3. Although the Bolshevik revolution is called the October revolution, it actually started in November of 1917, and when you add 100 years, you come up with November 15, 2017. And again, subtracting 7 years for tribulation, we come up with November 15, 2010 for World War 3.

And the same with the miracle of Fatima. We know, of course, that the Blessed Mother appeared to the shepherd children on October 13, 1917. And when you add 100 years, you get the date for Armageddon, of October 13, 2017. And, again, subtracting 7 years of tribulation, You come up with October 13, 2010, as the date for World War 3. Of

course, I realize, people will object to me giving a time frame for Armageddon and World War 3, because Jesus said specifically: "no man knows the day or the hour." But please notice that I did not give you a day or an hour, I gave you a season and a year. In fact, when Jesus gives the parable of the fig tree, he is providing all the clues you need to calculate the exact month, and season and year. When he says: "No man knows the day or the hour", he is indicating that you can figure out the year and the general time frame, not the specific day or hour.

If you look at the time frame for Armageddon, which I just gave you, that is between October 13, 2017, and November 29, 2017, you will find a time span of 45 days, which is exactly the time frame that Daniel prophesies will be the length of Armageddon. And now that we know Armageddon, we should be able to figure out the approximate time for World War 3. The reason I say "approximate", is because in each case I subtracted 7 years from the date for Armageddon.

But the Bible does not say "7 years", the Bible says "7 times". That means the tribulation can be a little longer than 7 years, or it can be a little less. Thus we see that "7 times" could be 8 years, and President Obama could provoke World War 3 as early as 2009, in other words, this year. Whether it is this year, or 2010, or even a little later, it will be far sooner than the phoney date of 2012.

Therefore, we must be prepared now! Following 9/11, any pastor in this country will tell you, that his church was filled, all the pews were taken. Now, the churches are half empty again. Why do we need to wait for the bombs to fall to get on our knees? The time to start praying for President Obama and this country, is now. If you wait until 2012, you will be too late.
