

Whitney Houston, Barack Obama and the Catholic Church

Quite a few of my YouTube subscribers have asked me to comment on the meaning and the numerical significance of the tragic death of the singer, Whitney Houston. And I agree with them; this was a warning from Almighty God to the United States of America and to our President, Barack Obama. I am convinced that God took Whitney Houston at a particular time to give us a warning.

And first, I want to take a look at an incident which occurred last fall to show how God does use numerology to explain Biblical prophecy and to warn someone who is found in Bible prophecy such as our President, Barack Obama. Last fall Oscar Ramirez Ortega Hernandez fired nine rounds from an AK-47 at the White House and this occurred on November 11th. This was a warning from God and God often uses numerology. For example, Oscar Ramirez Ortega Hernandez has four names. That's quite unusual. Barack Obama's number in Bible prophecy is the number 4 and 4 is also an End Times number, and he fired 9 rounds on the 11th of November. Of course, we know that 9-11 is a warning to America; we've seen that before.

But, what God is warning us about can be found in Daniel 11, verse 40, "**And at the time of the end** (that means that this is an End Times prophecy) **shall the king of the south attack him** (the "king of the south" refers to Barack Obama. That's because his forebears came from Kenya which is due south of Jerusalem) **and the king of the north shall come against him like a whirlwind** (the "king of the north" would be the premiere of Russia because Russia is due north of Jerusalem) **with chariots, and with horsemen, and with many ships and he shall enter into the countries** (the two countries are Britain and America, primarily) **and shall overflow and pass through**". Overflowing and passing through means that Russia's victory over the United States will be complete.

Jeremiah also prophesies about World War 3 in chapter 50, verse 41, **"behold, a people shall come from the north and a great nation,** (this would be Russia) **and many kings shall be raised up from the ends of the earth."** The "many kings", in this case, means most of the countries of the world. These are the same as the ten horns on the Scarlet Beast in the Book of Revelation. And Jeremiah continues, **"they shall hold the bow and the lance: they are cruel, and will not show mercy: their voice shall roar like the sea and they shall ride upon horses, everyone set in array like a man for the battle against you O daughter of Babylon"**, and the "daughter of Babylon" is the United States.

Now, if Babylon, in this passage from Jeremiah, represents the United States, then the "king of Babylon" is Barack Obama. **"The king of Babylon has heard the report of them, and his hands grew feeble: anguish took hold of him and birth pangs as of a woman in travail."** This shooting at the White House last year was a warning to America and to our President about these passages from Bible prophecy.

Of course, we need to remember that all Bible prophecy is conditional: it is conditional upon our response. With repentance, America could avoid World War 3. But, have we repented? I believe the death of Whitney Houston proves that we have not repented. There are a lot of amazing parallels between the shooting last fall at the White House and the tragic death of Whitney Houston. In fact, we see in Whitney Houston's own name that an abbreviation of the word "White House" (WH) can be found. And she died at the age of 48. Of course "8" can be expressed as "4 plus 4", and, as we know, 444 is Barack Obama's number in Bible prophecy, particularly in Daniel 7, verse number 6. And, Whitney Houston was born on the 9th of a month and she died on the 11th of a month.

Therefore, this is also a warning to America. However, I believe this is more than just a warning about World War 3. Just in the past few weeks Barack Obama went back on his promise not to force religious institutions, particularly the Catholic Church, to provide free contraceptives, sterilizations, and even some forms of abortion to their employees through health insurance.

Remember, last year, in order to get Obamacare passed, he signed an executive order that he would not change the status quo. Of course, he reneged on that promise. But, this is also a fulfillment of Bible prophecy. The Bible not only prophesies the downfall of the United States of America, but also the downfall of the Catholic Church. Let's read in Revelation, chapter 11, verse 1, **"and there was given me a reed like to a rod: and the angel stood, saying rise, and measure the temple of God** (this is not a Jewish temple, this is the Catholic Church) **and the altar and them that worship therein."**

Now, I fully realize a lot of theologians will try to tell you that replacement theology is not valid. However, Jesus himself used replacement theology! He said: **"destroy this temple and in three days I will raise it up"**. He was not talking about the temple they were standing in, He was talking about his own body. When He said: "destroy this temple", He was saying "destroy this body and in three days I will raise it up". But, He was also prophesying about the End Times, because His body, the Church, will also be destroyed for three times, that is during the second half of the Tribulation. But, it will also be raised up.

And Saint John continues prophesying about this destruction of the Catholic Church: **"but the court which is outside the temple leave out** (as I say, this temple is not a Jewish temple, this is the Catholic Church) **and measure it not for it is given unto the Gentiles** (the "Gentiles" include people like Barack Obama and the New World Order, and they will destroy the externals, that's what this refers to, the "court outside the temple". The "externals" mean all of the hospitals, churches, schools, orphanages: every external structure of the Catholic Church will be taken over by the New World Order) **and the holy city** (the "holy city" in this particular passage is not Jerusalem, this is Rome) **shall they tread under foot forty two months"**, and these forty two months refer to the second half of the great Tribulation.

When John says, "**measure the temple and them that worship therein**", he is talking about the body of Christ. He says, do not measure the external structures of the Catholic Church because they will be given to the Gentiles, that is the New World Order. And, don't forget, at this time the raptured Protestants will be attending the Marriage Supper of the Lamb in heaven. But the Catholics will be scattered into the desert, and Daniel verifies this in chapter 12, verse 7, "**and when he shall have accomplished the scattering of the power of the holy people** (the "holy people" are the remnant Catholics who are left behind) **all these things shall be finished**".

And this scattering of the holy people is verified in Revelation 12, verse 14, "**and to the woman** (that is the remnant Catholic Church) **were given two wings of a great eagle** (Mary's rosary and scapular) **that she might fly into the wilderness into her place, where she is nourished for a time, and times, and half a time** (this is the second half of the Tribulation) **from the face of the serpent**".

A lot of people ask me, why doesn't God just give a clear, direct message to all of mankind; maybe a giant email across the sky, for example? Well, you can blame the Israelites! They complained to Moses: they did not want direct messages from God anymore, and so, ever since then, God has sent prophets, or, in my case, a co-prophet, to explain the significance of these events as I have been talking about in this video. And God often talks to us through hidden numerology, as in these instances. And these instances are warnings about World War 3, the death of America, the death of the Catholic Church and they are warnings specifically to Barack Obama.
