

## Sexual & Satanic Sign at Canonization of Popes

A couple of programs ago, I commented on this very huge and unusual symbol which appeared at the canonizations of Pope John XXIII and Pope John Paul II, and quite a few of you, my subscribers, gave me some very interesting interpretations, and I have decided to take a closer look at it and see if I can't discover its meaning.

And I've also studied some demonic precursors, to see if they have any relationship to this very bizarre shape, and I have come to the conclusion that this was not just an afterthought to this ceremony. Please notice that this logo is front and center. It is tremendous in size. It is located directly in front of the papal altar. I am sure Pope Francis had to approve this display himself. And I believe it is a message from the Illuminati to their comrades, that they have succeeded in taking over the Vatican. I predict his symbol will become the symbol for the One World Religion.

Now, in this photograph looking from the other direction, that is out towards the masses of people in Saint Peter's Square, you can see the immense size of this floral display as it is the focus of the entire Square.

And I'm going to explain on this program that it is a very evil symbol: it is a sexual and satanic symbol. It is a perversion of the Divine Trinity. It is a message from the Illuminati that they have begun to trample the holy city underfoot (Revelation 11:2).

But before I explain the meaning of this One World Religion symbol, I thought we could look at some of its precursors. Here behind me you see a ankh cross and these images are taken from 'Google Images'.

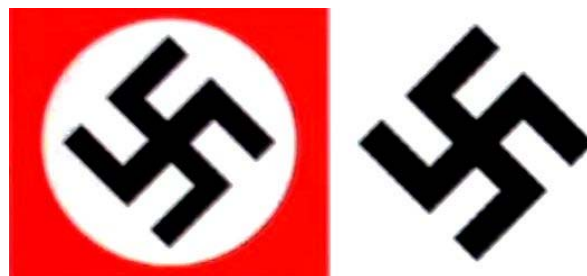

The ankh cross is Egyptian in origin and if you look at the top you will see a female form and below that you see the male triad. This is not only a perversion of a true cross, but it is also a symbol of sexual perversion.

This well known peace sign is also a perverted cross with bent arms. It is also called a crow's foot, but interestingly it is also a symbol of perverted sex because it shows the female parts in a upside down position within a circle.

Next, the occultist, Helena Blavatsky, said that the swastika is purely phallic in nature. I tend to disagree but it's certainly is a perversion of the True Cross.

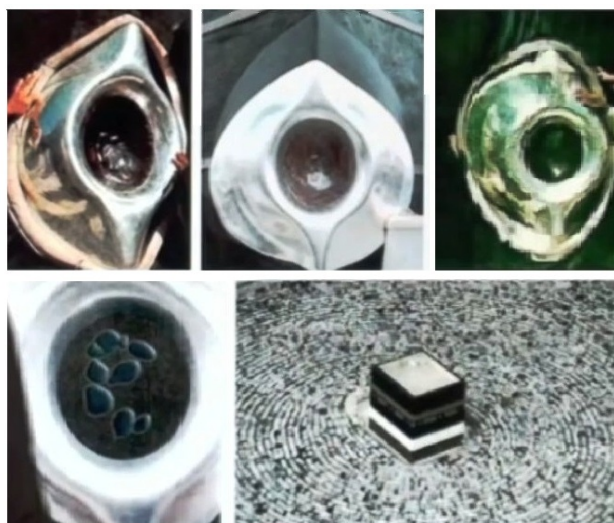

The very common yin yang form is of Eastern origin and we see it everywhere today in one form or another, however, we also recognize that it is a symbol for oral sex.

The three arms of a Celtic triskele are somewhat halfway between the two arms of the yin yang and the four arms of a swastika, however, those three arms are very clearly in the forms of the numbers 666.

Here we see another very obvious female form and this is taken from the Black Stone which Muslims worship at Mecca.

And now let's return to that very evil demonic symbol at the Vatican and we are ready to understand this evil symbol of the One World Religion which will be used to worship the Antichrist and which they intend to replace the cross with. The cross is the greatest symbol in the universe. It symbolizes both God and nature. The four points symbolize north, south, east and west and therefore the entire universe. The cross also symbolizes, however, the Divine Trinity. The vertical piece symbolizes God the Son, a lightning strike from heaven down to earth. The horizontal piece symbolizes God the Father, that is stability, serenity, calmness. But there is a third part of the cross and that's the hidden, secret part and that is the piece that goes front to back through the center and that symbolizes the Holy Spirit.

This new symbol from the Vatican is in every way a perversion of the True Cross. First of all, please note the two horns. They symbolize the False Prophet, Pope Francis, the beast who comes up out of the earth with two horns like a lamb but who speaks like a dragon. Also, please note there are 6 total elements in this new symbol. The two horns on the top plus the two circular shapes on either side give a total of 6 forms. However, the side forms are also broken down into three sections and two sections. Therefore we have 1, 2, 3, 4, 5, 6 on the left. 1, 2, 3, 4, 5, 6 on the right and that yields 6 on the right, 6 on the left, and 6 overall, the number of the Antichrist.

Most importantly, this new symbol or logo is a perversion of the cross: it represents a sexualisation of the Divine Trinity. The oval form, of course, is feminine very much like the ankh cross or the Black Stone

which the Muslims worship in Mecca. They are trying to tell us that the Holy Spirit is female and that is a terrible error. The two horns are meant to symbolize God the Father and God the Son. They are reducing those two members of the Divine Trinity to phallic symbols.

I think it should be pretty obvious by now that the Illuminati have indeed taken over the Vatican. The trampling down of the holy city by the Gentiles as prophesied in Revelation 11:2 has already begun. On Easter Monday, Pope Francis allowed a woman living in Argentina who is married to a divorced man and married outside the church to receive Holy Communion. That was the beginning of the Great Tribulation. He started the Abomination of Desolation as prophesied in Daniel. He took the daily Sacrifice away from the Prince.

Midway between that point and the canonization ceremony, Almighty God showed how angry he was by toppling over this crucifix which killed an unfortunate young man who happened to live on Pope John the 23rd Street.

That was not a coincidence. I believe God is not only angry that Pope Francis has begun the Great Tribulation but also that at this ceremony of canonization, one of its primary aims was to unveil this evil symbol of the One World Religion. The toppling over of this crucifix by an angry God symbolizes both the taking away of the Daily Sacrifice from the Prince, and also the removal of the cross as a symbol for Christianity which will be replaced by a sexualized version which will ultimately prove to be the symbol for the entire One World Antichrist Government.
