

## **Mysterious Moscow Cloud was Warning from God**

On this program I want to talk about two different topics, the first is the mysterious cloud formation which appeared over Moscow this week, and secondly I want to explain why some of my videos have been removed from You Tube. As you know this week, an amazing ring shaped cloud formation appeared over the city of Moscow. At first I tended to discount this, but several of my subscribers have expressed their opinion that this cloud is a sign from Almighty God about the End Times, and I am beginning to agree with them.

There are three reasons for this. First, the cloud appeared over Moscow and as you know, the decision to start World War 3 will be made in Moscow. Second of course, is the amazing shape of this cloud. Some say it looks like a UFO (OVNI), but I believe it is more an expression of a nuclear explosion, in other words, a mushroom shaped cloud, and the third reason will not be so apparent, especially to my Protestant brothers and sisters.

Back in 1917, the Blessed Mother appeared to the three shepherd children at Fatima. She told them that Russia would spread her errors throughout the world. Several entire nations would be annihilated, but in the end, her immaculate heart will triumph.

There have been several Catholic prophecies, which say that the world will be safe from chastisement during the months that she appeared to the children, and that would be from May 13<sup>th</sup> through October 13<sup>th</sup>. Now the date that this cloud appeared over Moscow was October 14<sup>th</sup> and I believe this signals the period of time when the world is vulnerable to chastisement. And remember what Jesus Himself said in the Olivet Discourse. Pray that your flight be not in winter.

Secondly, I want to talk about the disappearance of some of my videos from You Tube. Another channel which featured my videos was called Catholic heights. It was maintained by a gentleman in Spain. He graciously volunteered to translate some of my videos and put them into Spanish. Unfortunately as of this morning this channel had been removed.

Now I do not believe that You Tube is responsible. In my opinion there are officials within the Catholic Church that oppose my ministry, because this gentleman was a faithful Catholic, I believe he was pressured by forces within the Catholic Church. So I want to assure

you my viewers that I am not going to be pressured to remove my videos on this channel. If the Catholic Church threatens me with excommunication I assure you, my videos will remain up. And I am not saying that I'm the only true prophet on You Tube.

If you go to my channel, you will see that I have favored several very important videos about the sycamore tree prophecies. These prophecies especially have to do with the United States. Satan opposes all true prophecy, and I can assure you he is trying desperately to take all of my videos and all other true prophecy videos off the internet, and he will succeed. And I am not saying that this reflects in any way on Pope Benedict the 16<sup>th</sup>. I believe Benedict is a true pope but I also believe that he will be removed or he will be forced to apostatise.

Remember, in the End Times, you will only have Enoch and Elijah to rely on. All others sources of information will be taken away from you.
