

Putin's Election and Obama's Birth Certificate

Several very interesting developments occurred this past week concerning the last King of the north, who is Vladimir Putin, and the last King of the south, who is Barack Obama, as prophesied by Daniel in his chapter number 11. These developments prove, or, at least indicate very strongly, who these individuals are and the fact that they are found in Bible prophecy. Vladimir Putin had to be re-elected as Premiere of Russia so that he could take credit for when Russia defeats America in World War 3. And Obama had to be proven to be the last King of the south by showing that he was born somewhere other than in the United States, as he has always claimed.

And law enforcement officials out in Arizona pretty much debunked his claims and I really believe he does come from Kenya. And what that means is that he is the last King of the south, as found in Daniel 11, and the reason is because Kenya is due south of Jerusalem, just as Moscow is due north of Jerusalem and, as we know, in Bible prophecy, compass directions are taken from of the holy city of Jerusalem.

Following World War 3, where America loses to Russia, I believe Vladimir Putin will not only be the Premiere of Russia but he will also be selected as the leader of the One World Communist Tyranny. Don't forget, in Revelation, **"they give their kingdom to the beast"**. And "they", in this case, is primarily the revived Roman Empire or the European Union.

And now, let's take a look at Daniel, chapter number 11, where we find both the last King of the north, that is Putin, and the last King of the south. Daniel 11, verse 36: **"And the king shall do according to his will and shall exalt himself above every god"**. This last King of the north refers to Vladimir Putin. Now, I've done quite a few other videos going into this in detail so let me just skip through these verses very quickly. And in verse 37: **"neither shall he regard the God of his fathers, nor the desire of women. But in their place he shall honor the god of fortresses (Maozim). And he shall do this to fortify Maozim with a strange god."**

And now, let's take a closer look at chapter 11, verse number 40: **"And at the time of the end** (that means this is an End Times prophecy) **shall the king of the south** (that is Barack Obama) **push at him** (pushing, in this case, means provoking) **and the**

king of the north (that is, Vladimir Putin) **shall come against him** (Barack Obama) **like a whirlwind, with chariots, and with horsemen, and with many ships; and he shall enter into the countries** (those two countries are Britain and America) **and shall overflow and pass through**". "Overflow" means that Vladimir Putin will defeat Britain and America.

I fully realize that up until now, many Bible scholars have believed these verses refer to the Antichrist. However, this struggle between the last King of the north and the last King of the south is found in many other places in Scripture. First, let's take a look at Daniel, chapter number 7, where the first three beasts, which come up out of the sea, also refer to Britain, Russia and America. The first of these three beasts in Daniel, chapter number 7, refers to Great Britain: **"The first was like a lioness and had eagle's wings: I beheld till the wings were plucked, (this refers to Britain losing her colonies) and it was lifted up from the earth and made to stand upon the feet as a man (this means that Queen Elizabeth becomes the ruler of the nation) and a man's heart was given to it"**.

Now, the second beast is Russia: **"And behold another beast, a second, like a bear (the bear is a symbol for Russia, and, in this case, the leader, was not Putin but the man who Putin replaced, and that was Dmitri Medvedev, and the reason is because "Medvedev" means "bear" in Russian) and it raised itself up on one side and it had three ribs in its mouth between its teeth: and they said thus unto it, arise and devour much flesh."**

And the third beast is Barack Obama and the United States **"After this I beheld, and lo, another, like a leopard, which had upon its back four wings of a fowl; the beast had also four heads; and dominion was given to it."** Now, I won't explain in detail how I arrived at these three beasts representing Britain, America and Russia, but these are the three primary nations involved in World War 3 and this war is described in many places in the Bible, for example, in Daniel 8, we see the Ram struggling against the Goat, and the two horns on the Ram signify Britain and America; the single horn on the Goat symbolizes Russia.

And, as we just saw in Daniel, chapter number 11, this struggle is described as between the last King of the north and the last King of the south. In the Book of Revelation, World War 3 is described as between the Whore of Babylon and the Scarlet Beast she rides.

Babylon symbolizes Britain and America. The Scarlet Beast symbolizes the Soviet Union, particularly Russia. And, in Jeremiah, we see this same struggle in his chapter 50, verses 41 through 44, where Babylon is defeated by a people from the north.

However, today I want to tell you that it is not all bad news! I have some good news. As I noted previously, of the three beasts which come up out of the sea in Daniel 7, that is Queen Elizabeth, Dimitri Medvedev, and Barack Obama, Dimitri Medvedev has been replaced by Vladimir Putin. Please notice that these three beasts come up in chronological order, first Queen Elizabeth, then Dimitri Medvedev, that was four years ago; and then Barack Obama. But, if we can replace Dimitri Medvedev, is it possible to also replace Barack Obama and still fulfill this Bible prophecy? Remember, these three beasts come before the fourth and final beast, which is the Antichrist. Is it possible that we can elect a better president, someone who is not a beast; someone who will stand up to the Antichrist in a much stronger fashion than Barack Obama?

Now, I admit I have previously predicted that Barack Obama would be our last elected president; but I could be wrong. Remember, I also said that the 44th Super Bowl would be the last Super Bowl. But, God relented and we've had several Super Bowls since. Could God also relent and give America another president? Don't forget, God said He would have saved even Sodom and Gomorrah if He could have found ten good people there.

A very excellent sign that maybe America is beginning to repent is that the Catholic bishops are standing up to Barack Obama. And not just the bishops; many Christian evangelicals are also objecting to the fact that they are being forced to pay for other people's contraceptives, other people's sterilizations, and even other people's abortifacient pills. This is an abomination! The American people are waking up, and that is the good news that I'm bringing to you today.

And so, in conclusion, we can see that the great prophets have already predicted this vast End Times' struggle between Russia, Britain and America. This World War 3 has already begun. Can we slow it down? Can we mitigate it? I believe prophecy shows that we can, with enough revival, with enough repentance, and with enough rosaries, we can find a path of peace to the era of peace.
