

False Flag Assassination of Pope Francis?

As I am sure you are well aware by now, Pope Francis will be visiting the Holy Land this weekend and wherever he goes, he gets an intense amount of news media coverage. And one of the features of this trip, which is getting a lot of attention, is that he will not be travelling in a bulletproof popemobile! This is very interesting. He is travelling in an open vehicle. And this got me to wondering: are they planning some kind of false flag event, possibly a false flag assassination.

As some of you my regular subscribers may remember, five years ago here on YouTube, I prophesied that the wound which the Antichrist receives is not to him personally but rather to the False Prophet. Revelation 13, verse 1: **'And I saw a beast** (now this beast is the Antichrist) **coming up out of the sea, having 7 heads and 10 horns, and upon his horns 10 crowns, and upon his heads names of blasphemy.'** The 10 horns on the Antichrist who are wearing crowns, symbolize the leaders of the world, for example, Barack Obama, Vladimir Putin, all of them will support the Antichrist. The Bible only mentions 10 because 10 is a number of completion; it means all the world's leaders.

And the same with the 7 heads which have names of blasphemy, except that they represent religious leaders who apostatize from true Religion. And there are 7 of them because 7 is also a number of completion. Many of the false prophets have been saying for a long time that the Antichrist will suffer a head wound and he personally will bring himself back to life, and therefore claim to be Jesus because he resurrected himself. I do not agree with that interpretation. Scripture says that ONE of his 7 heads will be wounded. Revelation 13, verse 3: **'And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the earth wondered after the beast.'**

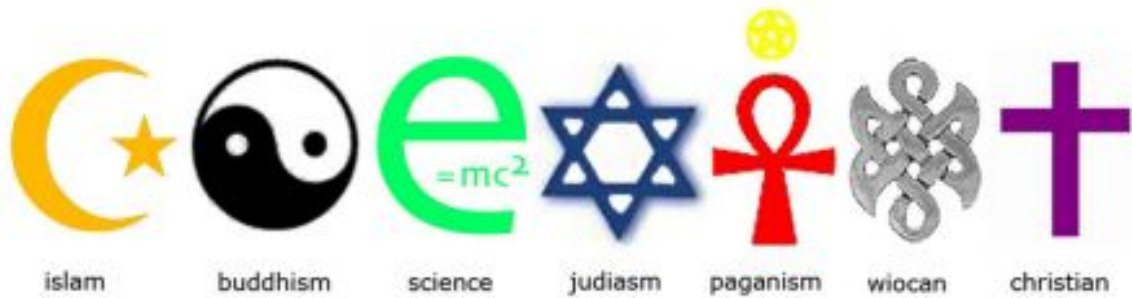

So John writes that one of the 7 blasphemous heads who support the Antichrist will be wounded to death. And it is very likely, in my opinion, that the one who is wounded will be his number one supporter, and that would be the False Prophet, who, it is getting to look more and more, is Pope Francis. However, John describes this deadly wound **'as it were'**, In other words, this is all phony. This is his way of calling it a false flag event.

And notice that after his wound is healed, everyone wonders after the beast. Could this indicate that the beast will heal the False Prophet? Will the Antichrist get credit for saving the life of Pope Francis? Revelation 13, verse 4: **'And they worshipped the dragon** (so maybe Satan will also take credit for reviving Pope Francis) **which gave power to the beast** (the beast is the Antichrist) **and they worshipped the beast, saying, who is like to the beast and who shall be able to make war with him?'**

I have said in the past that the Antichrist will heal the False Prophet, however, John does not say that specifically in Scripture. He simply says they will be worshipped after the false prophet is healed. It could be that this fake false flag assassination attempt is completely Pope Francis' deception and the media may go along. They may play it up, and his miraculous healing will make him very attractive to all the world's religious leaders. They will support him, however, Pope Francis will not give credit for his recovery to the Blessed Virgin Mary. Maybe you remember when Pope John Paul II was wounded by that assassin, he gave credit for his recovery to Our Lady of Fatima, however, Pope Francis won't dare to do that because that would offend the world leaders of the 7 apostate religions.

And, as Isaiah says, those 7 apostate religious leaders will want to keep their own dogma. Isaiah 4, verse 1: **'And in that day** ('that day' means the End Times, the days we are living in now; '7 women,' these are the same as the 7 heads with names of blasphemy on the Antichrist) **shall take hold of one man** (that 'one man' is the Antichrist) **saying, we will eat our own bread, and wear our own apparel: only let us be called by your name, to take away our reproach.'**

When the 7 women say they want to ‘eat their own bread’ that means they do not want to eat of the bread of life, that would be Jesus Christ. They do not want to partake of the Holy Eucharist as practiced in the Roman Catholic Church. And that is why Pope Francis is going to take the Continual Sacrifice away from the Prince. And when the 7 women say they want to ‘**wear their own apparel**’ that means they want to keep their own dogmas and doctrines.

In conclusion, I am not going to predict definitely that there will be an assassination attempt on Pope Francis' life during this trip to the Holy Land. However, that certainly would give him even more publicity. His real goal this weekend is to promote his One World Religion which will be acceptable to all Protestant denominations, to the Orthodox, to Judaism, to Islam, to the eastern religions. As both John and Isaiah say, all 7 women, that is the apostate religions of the world, will accept Pope Francis as the False Prophet and the religion of the Antichrist, the One World Religion.
