

"Red Heifer" Does Not Fulfill Bible Prophecy!

The temple Institute made their great announcement this morning in Jerusalem and where as many of us thought they were going to announce the ground breaking for a third temple instead they announced that they were going to begin breeding a red heifer and as I warned about in my last program they will use this for ritual animal sacrifice man as I told you then that would be an abomination any police chief will tell you that where you find animal sacrifices you find Satanism and Paul Begley again made a huge mistake he did a program today and he said that a third temple would be a fulfillment of Bible prophecy and that is a huge error.

"And they have, and they are going to continue it looks like, pushing forward for rebuilding of the third temple which of course is Biblical prophecy in the Word of God." ~ Paul Begley

I'm not sure what he was talking about, if he is talking about Ezekiel. Ezekiel is talking about a temple which will be built during the Millennium. He is not talking about a temple to be built in these End Times.

So I thought it would read to you some of the pertinent passages from scripture to prove that Paul Begley, and many others here on YouTube are wrong about a third temple. And here's what Ezekiel says in his beginning chapter 40 verse number 2; ***"In the visions of God, he brought me into the land of Israel, and set me upon a very high mountain, upon which there was as the building of a city bending towards the south. And he brought me in thither, and, behold a man, whose appearance was like the appearance of brass"***. Now this is no ordinary man. This is the Son of God. This is Jesus Christ who is going to build this temple; ***"with a line of flax in his hand and a measuring reed in his hand and he stood at the gate."***

The temple which he is building will be a rebuilt church, because the church will be destroyed. Remember Jesus prophesied, ***"Destroy this temple and in three days I will raise it up again."*** Of course we all know He was talking about His body and His resurrection on the third

day. He was also giving an End Times prophecy about His body the church which will also be destroyed in these End Times. Here's what Jesus said, and this is in John chapter 2 verse 19, **"Destroy this temple and in three days I will raise it up again"**. And we also see this same temple described by John in the Book of Revelation and this is his chapter 11 verse number 1; **"And it was given me a reed like unto a rod: and it was said to me: Arise, and measure the temple of God, and the altar and them that adore therein. But the court, which is without the temple, cast out, and measure it not:"** as these he is referring to the externals of the Catholic Church.

All of the church buildings, the seminaries, all the orphanages, all the parochial schools, all the Catholic universities like Notre Dame and so on, all of those, all the hospitals, all those will be given to the Gentiles; the hospitals, Catholic hospitals in this country will very soon be performing abortions. **"and the Holy City they shall tread under foot for forty two months."** The holy city, John is prophesying about is not Jerusalem. He's prophesying about Rome, as Mary said at La Salette, Rome will lose the faith and become the seat of the Antichrist.

What is the great city in the End Times? because we know in John's time, the great city was Rome not the holy city. But in the End Times the great city will be Jerusalem as he says in verse number 8; **"And their bodies"**, now he is talking about Enoch and Elijah, the two witnesses, **"shall lie in the streets of the great city"**. So in the End Times the great city and the holy city, their roles are reversed. The holy city is Rome and the great city is Jerusalem; **"which is called spiritually, Sodom and Egypt"**; Now you might still think he was talking about Rome but then he adds, **"where their Lord also was crucified"**; so we know that the great city of the End Times will be Jerusalem. And we know that it has become a Sodom, because they are spending hundreds of millions of dollars to promote Tel Aviv for example, as the gay capital of the world. And as such by the way, Jerusalem is about to be divided, and this third temple which the Temple Institute will build is part of the abomination of desolation. This will result in a division of Israel. Many rabbis do not believe that a third temple should be built, because they recognize from Ezekiel that only the Messiah will build the third temple.

Now some people say, well what about St. Paul in the Thessalonians; didn't he say the Antichrist will set himself up in the temple? In fact Paul Begley quotes this, and here is what St. Paul writes; **"Let no man**

deceive you by any means, for unless there come a revolt first, and the man of sin be revealed, the son of perdition," that would be the Antichrist, **"who opposeth and is lifted up above all that is called God, or that is worshipped, so that he sits in the temple of God";** again we see that phrase 'the temple of God'. This is the Catholic Church which the Antichrist will set himself up in. This is not some kind of Third Temple; **"showing himself as if he were God."**

Now Paul Begley thinks that this Third Temple will be a credit to Israel, because he misreads Zachariah.

(Paul Begley) *"As they converge upon the Temple Mount and Israel becomes this cup of trembling, and this burdensome stone unto all people."*

Now the reason Paul Begley is mistaken in his interpretation of Zachariah, that Israel will be a cup of trembling is because he's using a very bad translation. Here is what Zachariah actually writes. **"Behold I will make Jerusalem a lintel of surfeiting."** That is a city of excess of luxury, and that is very close to what John is saying when he says, they will be a Sodom and an Egypt. **"I will make Jerusalem a lintel of surfeiting to all the people round about:"** That is Israel of today.

And now I would like to read to you the Third Temple as they attempted to build it back in Julian's time, the emperor of Rome. This was about 300 years after the destruction of the second temple and Julian tried to curry favor with the Jews at that time. This article is reading from Wikipedia. Look it up yourself. It's really very interesting.

"There was an aborted project by the Roman Emperor Julian to allow the Jews to build a third temple." Very much like today; part of Julian's empire-wide program of restoring and strengthening local religious cults. "Rabbi Hilkiyah, one of the leading rabbis of the time, spurned Julian's money, arguing that gentiles should play no part in the rebuilding of the temple." By the way, the Temple Institute today is funded primarily by the Rockefellers and the Rothschilds. That's how we know that it will be an Illuminati temple. It will be like the pyramid that they put on top of the Israeli Supreme Court building.

"According to various sources of that time including Sozomen in his Historia Ecclesiastica and the pagan historian and close friend of Julian, Ammianus Marcellinus, the project of rebuilding the temple was aborted because each time the workers tried to build the temple using the existing substructure, they were burned by terrible flames coming

from inside the earth and an earthquake negated what work was made: Julian thought to rebuild at an extravagant expense the proud Temple once at Jerusalem, and committed this task to Alypius of Antioch. Alypius set vigorously to work, and was seconded by the governor of the province; when fearful balls of fire, breaking out near the foundations, continued their attacks, till the workmen, after repeated scorchings, could approach no more: and he gave up the attempt."

So the question is, will Almighty God step in for the building this time of a Third Temple, or has Satan become so strong in these End Times, and the Illuminati is so powerful, that they will succeed in perverting even the will of Almighty God? So Paul Begley and others, I want to warn you, this Third Temple is not a fulfillment of Ezekiel or Saint Paul. It very well could be a fulfillment of Daniel when he says, the abomination of desolation will afflict the Jews in Israel and this will result in the division of Israel.

Does the rebuilding of a temple in Jerusalem hinge on a red heifer?

written by Dean Smith

The recent discovery of a one-year-old red heifer in America has Orthodox Jews buzzing about the possible rebuilding of the temple in Jerusalem.
