

Bible Prophecy 2014: Rapture & Nuclear War

This is part 4 in my series on, the possible and probable fulfillments of Bible prophecy in this new year of 2014. And I want to talk about the Rapture, and nuclear warfare, because these two events are related, and they come under the category of possible fulfillments, and the reason is, because Jesus said many times, you cannot know the day or the hour of these events. He told us very plainly He will come like a thief in the night. In the parable of the five wise and five foolish virgins, the bridegroom comes at midnight, and they were all sleeping, both the wise and the foolish. And of course midnight symbolizes mid-Trib,

Of course there are a lot of false prophets on YouTube, who have been telling you that the Rapture would occur on Thanksgiving and Christmas when comet Ison goes around the Sun or New Year's. Now I expect them to be telling us that the Rapture occurs on Martin Luther King Day or maybe Groundhog Day, but I'm here to tell you that they are all wrong. I'm also here to tell you. that I do know when the Rapture will occur. Are you ready for this? The Rapture will occur when you least expect it, and I am NOT being humorous. The surprise element of the Rapture and nuclear war is critical to our understanding of those events.

The point Jesus makes when He says He comes like a thief in the night. is that we must be prepared at all times, and as I have explained on a previous program, there is a relationship between the hour of the Rapture and the hour that Babylon is burned with fire. They occur at the same time. Don't forget that, by now famous, warning, when the missiles come down, we go up. Now when I say 'we', I don't necessarily include myself. And the reason is. because I am a practicing Catholic, and as I have said many times, we Catholics are prepared to fight the Antichrist. We have received training in the weapon Jesus will use, and that of course is Mary's rosary.

Now on this program, I want to give you the scriptural references which prove that both the Rapture and nuclear warfare come unexpectedly, and I also want to show you how to prepare for these two events. Now in Matthew's Olivet Discourse, Jesus speaks about His three different End Times comings, thirteen times. Twice, when He is speaking about Armageddon, twice when He is talking about judgment, and nine times when He is talking about the Rapture. Let's look at St. Matthew's Olivet Discourse chapter number 24, verse number 37.

Matt 24:37 'As the days of Noah were, so also shall the coming of the Son of Man be.'

Notice that word 'coming'. He is talking about His coming at the Rapture. And in verse number 39;

Matt 24:39 'And they knew not until the flood came and took them all away; so also shall the coming of the Son of Man be.'

In other words, none of the people living at Noah's time were aware of the coming tribulation for them. They were all unprepared; verse number 42;

Matt 24:42 'Watch therefore: for you know not what hour your Lord will come.' This is the third time he's used the word 'come' or 'coming' in regards to His Rapture. And in verse 43;

Matt 24:43 'But know this, if the owner of the house had known at what hour the thief would come, he would have watched, and would not have allowed his house to be broken into.' And verse number 44.

Matt 24:44 'Therefore be you also ready: for in such an hour as you think not, the Son of man comes.' I think it's becoming pretty clear, that Jesus is emphasizing over and over, you cannot know the timing of the Rapture. And verse 46;

Matt 24:46 'Blessed is that servant, whom his Lord when he comes shall find so doing.' That is watching. Chapter 24 verse 50:

Matt 24:50 'The Lord of that servant shall come in a day when he looks not for him, and in an hour that he is not aware of.' And chapter 25 verse number 6.

Matt 25:6 And at midnight there was a cry made; Behold the bridegroom comes; go out to meet him.' And of course this is the parable of the five wise and five foolish virgins. And verse 10:

Matt 25:10 'And while they went to buy,' now the foolish virgins had to go buy oil for their lamps because they were not prepared, ***'the bridegroom came;'*** and of course the bridegroom is Jesus, ***'and they that were ready went in with him to the marriage and the door was shut.'***

Now for nuclear warfare, we have very much the same situation. In chapter 18 of the Book of Revelation, John describes how Babylon, which is primarily Britain and America, will be burned with fire in one hour, that's the same hour as the Rapture, and that it will be unexpected. Let's look at verse number 8.

Rev 18:8 'Therefore shall her plagues come in one day, death and mourning, and famine; and she shall be utterly burned with fire:' that's nuclear fire, ***'for strong is the Lord God who judges her.'***

That's probably the most frightening sentence of all, because this judgment on Britain and America, and all of capitalism will come from God Himself. And verse number 10;

Rev 18:10 'Standing afar off for fear of her torments saying; Woe! Woe! that great city Babylon, that mighty city: for in one hour is your judgment come.' That one hour is the same as the Rapture. And, verse number 17;

Rev 18:17 For in one hour such riches is come to nothing. And every shipmaster, and all seafarers, and sailors, and as many as trade by sea stood afar off.' Now that's interesting. John writes about all these ship owners, seeing Babylon burning with fire. This means the destruction is sudden, or they would not have set sail for America with their cargo ships loaded down with items, probably from China, if they had known Babylon, that is America were going to be burned with fire ahead of time. They would never have left port. They see Babylon burning while they are at sea. That means this destruction is sudden and unexpected. And verse 19;

Rev 18:19 And they cast dust upon their heads, and cried, weeping and mourning, saying: Woe! Woe! that great city wherein all were made rich, that had ships at sea, by reason of her prices: for in one hour she is made desolate.' So the question is, how can we prepare for the Rapture / nuclear war? This is not like Christmas or New Year's where you can put off preparing for two or three weeks ahead of time. I am here to tell you now, that the Rapture / nuclear war will occur later today. That's right. You heard me correct. Theologically speaking, the Rapture will not occur, later this year or later this month or later this week or even tomorrow. I must preach to you the gospel of imminence. In other words, it will occur later today. You must be prepared now, and if Jesus were here, He would tell you the exact same thing.

So how do we prepare for the Rapture? Let's get specific. The primary sins of these End Times, which will prevent our Rapture are sexual sins. Jesus warned us, it would be as in the days of Noah and Lot. Noah and Lot were taken out of harm's way, because they avoided the sexual sins that were going on all around them. And that is why Satan is tempting us so much in these End Times through sexual temptation, and I include myself. It's hard to go through a supermarket checkout without seeing pornographic images.

And I realize this is a very unpopular message. Just check out my video called, 'If You Use Condoms You Will Not Be Raptured.' Now that is a true message, but if you look at the 'likes' compared to the 'dislikes', there's only 250 or so 'likes' and over 1500 'dislikes'. You will never hear the false prophets on YouTube, warning you that you will not be Raptured if you use contraceptives. Unfortunately they are false, and my prophecy is true. It is sexual sins that will prevent you or me being Raptured.

As far as avoiding a nuclear holocaust, we must take St. John's advice and get out of Babylon, if we want to avoid her plagues. I have often recommended on this program for example, that you move as far away from any Planned Parenthood abortion clinic as possible, and of course you also have to store food and water. Those are the basics. If you cannot afford to do these things, or if you are limited, you can always pray. I advise you for example to Google, 'Hiroshima miracle', because there was a household living just a few blocks from ground center, that were unaffected by the atomic bomb dropped on that city. And what was their secret? Their secret was that they prayed the family Rosary. This is how all of us can avoid the consequences of nuclear warfare, and the burning of Babylon with fire in one hour.

And so in conclusion, it is not all bad news. I really expect all of you my subscribers to either survive the nuclear holocaust, or to be Raptured. I have given you everything you need, all the tools required for your survival. You have no excuse, and I also recommend that you visit my new website thirdeaglemedia.com where I have unsealed the prophecies of Daniel. Don't forget you cannot understand Daniel as he is printed in your Bibles, because the prophecy is sealed up.
