

Real Meaning of the RFID Chip

Several weeks ago, one of my subscribers (and I have subscribed to her channel also) Ines Krupa, sent me some amazing information about the technology which will be employed by the One World Government. She said the Holy Spirit was revealing to her the real meaning of phrases such as 'RFID' and she said that the phrase actually stands for 'Ritus Filiorum Intra Diaboli'. Ines is multilingual, she is proficient in many languages, and I believe that is the reason the Holy Spirit is using her as a conduit for this amazing information.

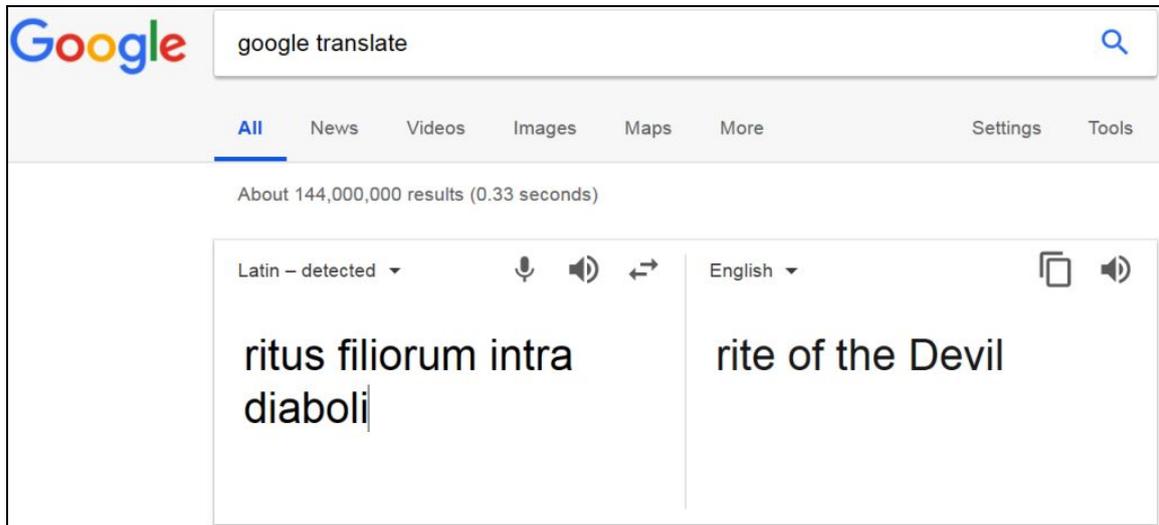

Ritus
Filiorum
Intra
Diaboli

We should not be surprised that the One World Government would use Latin for one of their most important phrases and the reason they use Latin is because it has a certain amount of authority. That's because it is still the official language of the Roman Catholic Church and let me give you a couple of examples. The Masons use the phrase 'Ordo Ab Chao' and that means 'order out of chaos' and of course, they will first bring about the chaos before they bring about their One World Government. And also the phrase 'Novus Ordo Seclorum', which means 'New World Order', and you will find that on your dollar bill. Just look under that Illuminati pyramid with the all seeing eye on top.

So now, without further ado, let's run this phrase 'Ritus Filiorum Intra Diaboli' through the Google translator and we will see what this Latin phrase really means in English because it has a very sinister meaning. First we click on Latin in the upper left hand corner, then we type in 'ritus filiorum intra diaboli' and we move our cursor to the right and

translate that phrase into English and we find out the real meaning: 'rite of the devil'. So, this is extremely interesting.

The Illuminati chose this phrase Ritus Filiorum Intra Diaboli because it signifies 'Rite of the Devil' and why is that important? 'Rite of the Devil' means taking the Mark of the Beast is a Satanic ritual. The RFID chip itself is a form of worship of the devil and if we go to the book of Revelation, which is where we find out about the Mark of the Beast, if you take this Mark, you will go to Hell.

John almost always describes the Mark of the Beast at the same time he talks about worship of the beast: they are related. Does the Bible confirm that the RFID chip itself is the worship which John is talking about? Let's look at Revelation chapter 14, verse 9: **'And the third angel followed them saying with a loud voice, if any man worship the beast and his image and receive the mark in his forehead or in his hand...'** In other words, the worship of the image of the beast and the Mark of the Beast appear to be synonymous. Let's look at Revelation 14, verse 11: **'And they have no rest day nor night who worship the beast and his image and whoever receives the mark of the beast.'** Again, John is relating the worship of the beast and taking the Mark of the Beast.

Let's look at Revelation 16, verse 2: **'There fell a grievous sore on the men which had the mark of the beast and worshipped his image.'** Let's look at Revelation 19, verse 20: **'He deceived them that had received the mark of the beast and them that worshipped his image.'** This is beginning to appear very convincing. This RFID chip, this 'Ritus Filiorum Intra Diaboli', is the worship of the beast. When you

take this chip under your skin, you are worshipping the beast, you are violating the very first of the Ten Commandments. This is why you will be sent to Hell. Let's look at Revelation 20, verse 4: ***'Those who had not worshipped the beast nor his image nor received his mark on their forehead nor in their hands.'***

The second most important observation we can make from this Latin phrase, 'Ritus Filiorum Intra Diaboli', is that the False Prophet, who causes everyone to take this mark, will indeed be a high ranking prelate in the Roman Catholic Church and I believe at this time it can only refer to Pope Francis. Next, I want to read to you from the book of Revelation, chapter 13 where we read about the False Prophet and I am using the Catholic Douay Rheims version although the King James version is also very good on this passage. In fact, I prefer some of the phrasing from the KJV.

Here is what John writes: ***'And I saw another beast coming up out of the earth,'*** this is the False Prophet, ***'and he had two horns like a lamb and he spoke like a dragon.'*** A lot of people believe those two horns are indicated by the two horns on the mitre of a Pope. I'm sure you've seen images of the Pope with that particular mitre. Verse number 12: ***'And he executed all the power of the former beast,'*** the former beast is the Antichrist, ***'in his sight and he caused the earth and them that dwell therein to adore the first beast,'*** KJV says 'worship' instead of 'adore', ***'whose wound to death was healed and he did great signs so that he made also fire to come down from heaven upon the earth in the sight of men.'*** Now, Pope Francis has not done that yet unless this is purely a symbolic phrase.

Verse number 14: ***'And he seduced them that dwell on the earth for the signs which were given him to do in the sight of the beast saying to them that dwell on the earth that they should make the image of the beast which had the wound by the sword and lived.'*** This image of the beast could well be contained in this RFID chip. I have no doubt you will be able to converse with your RFID chip and I am sure the RFID chip will be able to generate images on your iPhone, for example. And verse number 15: ***'And it was given him to give life to the image of the beast and that the image of the beast should speak and should cause that whosoever will not adore the image of the beast should be slain.'*** There's no doubt the New World Order will know who to behead if you refuse to take the RFID chip.

And verse number 16: ***'And he shall make all both little and great, rich and poor, free men and slave, to have a mark in their right hand,'*** now this Douay Rheims says 'character' instead of 'mark' but it means the same thing, ***'or on their foreheads.'*** This RFID chip is typically placed in the right hand but it could also be placed on your forehead. And verse number 17: ***'That no man might buy or sell but he that hath the mark or the name of the beast or the number of his name.'*** Not only will you not be able to buy or sell without this RFID chip but you won't be able to hold a job, you won't be able to receive your Social Security pension, etc.

Verse number 18: ***'Here is wisdom he that hath understanding let him count the number of the beast for it is the number of a man and the number of him is 666.'*** Incidentally, one part of that phrase is often misunderstood. The 'number of a man', that does refer to the Antichrist but it also refers to you: you are the man who will be numbered and your number will be contained in that Mark of the Beast, and we now understand it will be a form of worship. Thus we see that the RFID chip means 'Rite of the Devil', it is a Satanic ritual and that's the meaning of the word 'ritus'; it means 'worship the devil', diaboli means devil.

In conclusion, this has been just a brief overview of one of the amazing revelations given to Ines from the Holy Spirit about the technology of the One World Government and I will put a link below to the first two videos in her series which she calls 'Get Out of the Maze' and you really should subscribe to her channel because this information is critical in these End Times.
