

Trump Bombs Syria! Q Anon: Iran is Next!

As all of you are well aware by now, Donald Trump bombed Syria on Friday the 13th as he promised he would. He said he would send missiles into Assad's land because supposedly Assad killed Americans. Oh, wait a minute, no he didn't kill any Americans. Donald Trump should take on our real enemy, Planned Parenthood, which kills thousands of innocent unborn children every week in this country; in fact about a thousand every day. Assad never even thought of doing anything as bad as that. So I hope Donald Trump converts to Catholicism, as it is prophesied he will do, because otherwise, he will keep making mistakes.

Now, it's not a mistake, as far as the Bible goes, to bomb Syria and we find that in prophecy. So let me read what Micah 5 says, and remember, the Bible says that Damascus will be turned into a 'ruinous heap'. It is what Donald Trump is planning next that should make us a little worried. None of this should worry any of us really, because Jesus said that **'wars and rumors of wars'** would be signs of the time of the end which is the time we are in now. And Jesus also said **'it would be as in the days of Lot'**. In other words, homosexuality all around; and we know that is true also. So here's what it says in Micah chapter 5, verse number 5: **'And this man** (that's Donald Trump) **shall be our peace when the Assyrian shall come into our land'**. The Assyrian is the Antichrist, so that has not happened yet, although certainly his forces were very much in power when Barack Obama was our president. **'And when he shall set foot in houses we shall raise against him seven shepherds and eight principal men,'** or eight princes. That's 15 total. 15 is a Marian Rosary number and it harkens back to Genesis 3:15, when Mary will crush the head of the serpent.

So, no matter what Donald Trump does, we as Catholics, especially, we have recourse to Mary's Rosary. And verse number 6: **'And they shall feed the land of Assyria with a sword** (Well, that's what we saw a couple of days ago) **and the land of Nimrod with the spears thereof and he shall deliver us from the Assyrian when he shall come into our land and when he shall tread in our borders.'** So Donald Trump bombing Syria; that's in Bible prophecy. But what he is promising to do next through his surrogate Q Anon is a little more disturbing. Here's what Q Anon posted yesterday, and as you know, I've been saying all along that Q Anon is actually Donald Trump. Q Anon does not post anything that Donald Trump does not approve of.

And here's what he posted yesterday; that would be Saturday the 14th, at 2:25 in the afternoon. He said: **'Expand your thinking.'** What Q is telling us is that Donald Trump is going to expand the war; be prepared. **'The date versus actual,'** and I think that probably refers to the date that he announced he was going to send missiles into Syria, which was I think the 7th or the 8th, and he actually did it on the 13th. I'm not sure the significance of that. Maybe what he is saying is that when he announces he's going to send missiles into Iran it will be 5 days later. I'm not sure.

And then he says **'Iran is next'**. That's the part we have to be concerned with. It is prophesied in the Bible that Damascus will become a ruinous heap. But it does not say anything about Iran. It does say that Jerusalem will be destroyed and Iran has promised to attack Israel if they bomb Syria and Israel is attacking Iran right now so this is the Powder Keg. Remember what Mary said at the Bayside prophecies: **'Syria holds the key to world peace'**. I hope Donald Trump treads very carefully in this area. And don't go by the precedence of previous American presidents. They have all made huge errors in the Middle East. So I hope Donald Trump learns that lesson. And here's what Q says: **'Trust the plan.'** Well I don't really trust it. I am a little nervous. I don't think the plan is going quite as Donald Trump expects it to go. And then he says: **'April showers'**. Well, he is talking about missile showers I am certain. And what he is saying here is that he is going to bomb Iran in April. That's the prophecy from 'Q' and 'Q' has proven to be very accurate. 'Q' knows what's going on because, as I say, I think Trump approves everything 'Q' says. And then 'Q' has 'showers' in kill brackets and that means he's not talking about real April showers, he is talking about missile showers.

And in second Kings we read that the 42 youths are mauled by two she bears and I have said all along that that is an End Times prophecy. The two she bears represent Iran and Russia. The 42 youths who are mauled represent Israel and that's because Israel has 4,000 years of the Old Testament and 2,000 years of the New Testament. And why is Israel mauled? Because they make fun of the prophets. And the most recent prophet, the Jewish teenager Natan, they have ignored. He told them that they can't have gay pride parades. Israel is trying to resurrect Sodom and Gomorrah. And they had another gay pride parade in Jerusalem after Natan gave his prophesy. That was a huge mistake.

And now I want to mention another prophecy, and I've said this many times before, this is the train wreck. This is when the Isaiah 45 train, that's what that 145 represents on the locomotive. That train went off the track- not a great deal- but it could not continue on to its destination. It's true that the Isaiah 45 train did smash the garbage truck, which represented the One World Government and the One World Religion. But the train had to go into reverse and had to go back to its point of origin and it was damaged as you can see. That to me is a warning to Donald Trump and he has got to convert.

Here's the garbage truck that it smashed into: **'Time disposal'**. That means it's going to happen at the end of time and that's the times we are in now.

So I want to end my warning to Israel just as Natan did.

Remember, in Natan's prophecy God was very displeased with another sexual sin of the End Times and that's contraception and sterilization and masturbation and I don't see Israel repenting of any of its crimes; for example abortion as well as homosexuality. And I don't see America repenting, at least not yet. Our final consolation has to be to pray Mary's Rosary. Those are the 15 individuals who will protect us in the meantime until Donald Trump does convert. Let's pray that it happens soon because bombing Iran is going to have tremendous consequences as far as Bible prophecy goes.
