

Enoch & Elijah Return to Planet Earth!

On this program I want to make an amazing announcement, and that is that the two prophets Enoch and Elijah have returned to Planet Earth. They are the two great witnesses of the End Times. Now in the last three years, quite a few Bible prophecies have been fulfilled, but in 2010, four amazing prophecies were fulfilled.

First of all, the seven years of Tribulation began on October 13th. That was when those Chilean miners were rescued from the mine. Those seventy days that they were in the ground symbolized the seven years that we Christians will be persecuted during the next seven years. The second amazing fulfilment of Bible prophecy is that the Catholic Church began to be trampled under by the Gentiles, as prophesied in Revelation 11 verse 2, and that occurred when Pope Benedict allowed certain forms of condoms to be used. The Catholic Church has never allowed condoms. And of course the third major fulfilment of Bible prophecy was when Jesus opened the second seal of Revelation, and released the Red Horse of war. This occurred when North Korea attacked that island off of South Korea. The fourth major event which occurred in 2010 was that forest fire in Israel. This also was a fulfilment of Bible prophecy, and that is that Israel would lose the blessings of Almighty God in 2010.

Now these last two events, the start of World War 3, the first birth pang of the Tribulation Period and this forest fire in Israel have two more very important significances, and that is, they predict the return of the prophets Enoch and Elijah. The lives of Enoch and Elijah in the Bible and their mission in these End Times are reflected in the fire and the attack on South Korea. First let's take a look at how Elijah was taken up to heaven.

2 Kings 2:1 And it came to pass, when the Lord would take up Elijah into heaven by a whirlwind, that Elijah went with Elisha from Gilgal.

2 Kings 2:11 And it came to pass, as they still went on, and talked, that, behold, there appeared a chariot of fire, and horses of fire, and parted them both asunder; and Elijah went up by a whirlwind into heaven.'

Notice the fiery chariots, the fiery horses and the whirlwind. All three of these were prominent aspects of that forest fire in Israel. And now let's

look at another amazing incident which followed Elijah's return to heaven, and this occurred to his successor, the Prophet Elisha.

2 Kings 2:23 And he went up from thence to Bethel: now this 'he' is the Prophet Elisha, and he has received double Elijah's power after Elijah went to heaven. and as he was going up by the way, little boys came out of the city and mocked him, saying: Go up, you bald head; go up, you bald head.

2 Kings 2:24 And he turned back, and looked on them, and cursed them in the name of the Lord. And there came forth two she-bears out of the wood, and tore children forty two children of them.'

Now do these two she bears symbolize Gog and Magog? and the tearing of the 42 children symbolize the takeover of Israel in the End Times? Those 42 boys cursed by Elisha have a direct parallel with the 42 young cadets who were burned alive in that bus during the forest fire in Israel. Thus we see there are four amazing parallels between Elijah's life and his being taken up to heaven, and this forest fire in Israel. First of all, there's the fire itself. Second of all, the whirlwind; third, those 42 youths who were unfortunately burned alive on that tour bus, very similar to the 42 young boys who were cursed by the prophet Elisha. Lastly this forest fire occurred on Mount Carmel, where Elijah spent most of his life, and there was another amazing incident in Elijah's life which occurred on Mount Carmel.

1 Kings 18:33 And he put the wood in order and cut the bullock in pieces, and laid him on the wood, and said, Fill four barrels with water, and pour it on the burnt sacrifice, and on the wood.

Now Elijah wants to make sure that his holocaust is very wet so that when God catches it on fire, it will be clearly a miracle.

1 Kings 18:34 'And he said, Do it the second time. And they did it the second time. And he said, Do it the third time. And they did it the third time.

Elijah had them use four barrels of water and pour it on the holocaust one time, two times, and three times. That's 4 4 4, and that signifies an End Times prophecy. A few days after those 42 young cadets were burned in that bus, two more succumbed to their injuries. That meant there were a final total of 44 people killed in that Israel forest fire. That is not accidental. You may also remember that there were four South

Koreans killed in that attack by North Korea, and that ties these two events together.

That 4 4 4 number is not accidental. These two events prophesied the return of Enoch and Elijah.

1 Kings 18:38 Then the fire of the Lord fell and consumed the burnt sacrifice, and the wood, and the stones, and the dust, and licked up the water that was in the trench.

1 Kings 18:40 And Elijah said to them, Take the prophets of Baal; let not one of them escape. And they took them: and Elijah brought them down to the brook of Kishon, and slew them there.

Once again fire is associated with Elijah's mission on earth, and incidentally please note what happens to those false prophets. You false prophets who post videos on YouTube saying that the Catholic Church is the whore of Babylon. This is what is going to happen to you. This will be your fate; the same as those false prophets of Baal.

And now let's take a look at Enoch and his life in the Bible.

Hebrews 11:5 By faith Enoch was translated that he should not see death and was not found, because God had translated him: for before his translation he had this testimony, that he pleased God.

Gen. 5:23 And all the days of Enoch were three hundred sixty and five years.

Gen. 5:24 And Enoch walked with God: and he was not for God took him.

Elijah's mission is to the Jews in Israel but Enoch will preach Christianity to the far off Gentile nations, and I believe that is the relationship with Korea. Now both Elijah and Enoch will warn about coming of Armageddon.

Jude 1:4 And Enoch also, the seventh from Adam, now this means that Adam was Enoch's great,-great,-great, great,-great,-grandfather. It will be interesting to see what Enoch looks like. Will he look like a mixture, for example, of all the races of mankind, because he is so close to Adam? ***prophesied of these, saying, Behold the Lord***

comes with ten thousands of his saints, This is one of Enoch's main missions as announcing Armageddon.

Jude 1:15 To execute judgment on all, and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed, and of all their hard speeches which ungodly sinners have spoken against him.'

We see almost the exact same description in the Book of Enoch; that his mission will be to preach the final woe, not only to Korea but all Gentile nations.

Rev. 10:1 And I saw another mighty angel come down from heaven, now this is once again the Prophet Enoch, clothed with a cloud: and a rainbow was on his head, and his face was as it were the sun, and his feet as pillars of fire:

Continuing on in the Book of Revelation, we see how Enoch's primary mission will be to the far-off Gentiles.

Rev. 10:2 And he had in his hand a little book open: and he set his right foot on the sea, and his left foot on the earth, now this indicates that Enoch's mission is to the far off Gentile nations.

Rev. 10:8 'And the angel which I saw stand on the sea and on the earth lifted up his hand to heaven, Could this sea and earth imagery also indicate an island nation?

Rev. 10:8 .. go and take the little book which is open in the hand of the angel which stands on the sea and on the earth.

I believe this land and sea imagery refers to the peninsula of Korea. Korea is almost completely surrounded by water. The great Old Testament prophet Daniel also tells us about Enoch and Elijah, and their missions in the End Times.

Dan. 12:5 Then I Daniel looked, and, behold, there stood two others, now these two are Enoch and Elijah ***the one on this side of the bank of the river,*** now that would be Elijah because his mission is to the nearby Jews in Israel, ***and the other on that side of the bank of the river.*** That would be Enoch, because his mission is to the far off Gentiles.

Dan. 12:6 And one said to the man clothed in linen, which was on the waters of the river, How long shall it be to the end of these wonders?

Now this question is directed to Enoch because one of Enoch's missions in these End Times will be to tell the timing of events. Continuing on now in Daniel chapter 12, we see that Enoch's mission is not only to preach to the far off Gentile nations, but also to give the timing of End Times' events.

Dan.12:7 And I heard the man clothed in linen, which was on the waters the river, now this is Enoch, when he held up his right hand and his left hand to heaven, and swore by him that lives forever that it shall be for a time, times, and a half; now this time, times and a half refers to the Great Tribulation. and when he shall have accomplished to scatter the power of the holy people, all these things shall be finished.

The holy people who are scattered, in this passage, refers to remnant Catholics, who will be forced to flee from their apostate church, during the seven years of tribulation. This takeover of the Catholic Church by the One World communist tyranny has already begun. And now let's look at Daniel 8, where we see another example, that Enoch's mission, one of his missions in these End Times is to tell the timing of the events.

Dan. 8:13 Then I heard one saint speaking, and another saint said to that certain saint which spoke, now these two saints are again Enoch and Elijah, and they are described here as saints. We have seen them previously described as men, and as angels, and once again Elijah is asking Enoch a question about the timing of the end. How long shall be the vision concerning the daily sacrifice, and the transgression of desolation to give both the sanctuary and the host to be trodden under foot? and Enoch answers.

Dan. 8:14 And he said unto me, Unto 2300 evenings and mornings; then shall the sanctuary be cleansed. Now this 2300 evenings and mornings translates into 1150 days, in other words the length of time of the Great Tribulation.

Certainly Korea would fulfill Bible prophecy as Enoch's primary base of operations in these End Times. First of all, they are about as far away from Jerusalem as you can get. Secondly, that is a very Gentile part of

the world, that is they are not Christian, and third remember, Korea is basically an island nation. They are a peninsula, almost totally surrounded by water, but what about Enoch's mission to tell the timing of End Times events? Is there any tie-in here with the attack by North Korea on South Korea? Let's take a look at Daniel 8 verse 14 again.

Dan. 8:14 And he said unto me, Unto 2300 evenings and mornings; please notice this number 23. As you know, North Korea's attack on that island off South Korea, was on the 23rd of November. None of these are accidental. That plus the 4 4 4 number, ties this event with the forest fire in Israel, to the return of the two End Times prophets Enoch and Elijah.

So in conclusion, there are just too many coincidences here for this to be coincidental. It is not accidental that there were 44 killed in Israel, 4 killed in Korea. It is not accidental that the attack occurred on the 23rd of November. God often speaks to us through numerology. I firmly believe that Enoch and Elijah are about to announce their public mission to the world.
