

Magic 7 Prophecy: Malaysian Plane Crash!

This past week saw quite a few very significant, and in one case very tragic, events most of them involving relationship between the United States and Russia. As you know, I have been on YouTube almost six years now and I predicted way back in 2008 that the last King of the South, Barack Obama, would provoke the last King of the North, Vladimir Putin, into World War III and that prophecy is found in Daniel, chapter 11, verse 40, and ever since Obama's election, there is no doubt he has been provoking Russia. That part of the prophecy has already been fulfilled.

And now this week, it seems to have culminated with the shooting down of that Malaysian Airliner, Flight MH17. But, on this program, I want to talk about what I consider an amazing prophecy about the shooting down of that plane. And that prophecy was given by Christine Lagarde, the head of the IMF, in a speech she gave at the National Press Club way back on January the 15th and she talked about the 'magic number 7.' Those are her words and as you know, the number 7 was associated very much with this shooting down of the Malaysian Airliner. First of all, it was flight number MH17. It involved a Boeing 777 and it occurred on July 17th, in other words, 7/17. So let's listen to the very first part of this speech and then we'll go through what she means when she talks about the 'magic number 7'.

Christine Lagarde: ***'I think it's also appropriate to wish ourselves a Happy New Year given what I would like to talk to you about which has to do with the global economy and what we should expect for 2014. Now, I'm going to test your numerology skills by asking you to think about the magic 7, okay?'*** I'm not sure

how magical the number 7 is. I know it's very important to Almighty God. That's why there are 7 days in a week. That's why there are 7 Sacraments and 7 Deadly Sins. And, in End Times Bible prophecy, we find that there are 7 Bowl Judgments, 7 Seal Judgments and 7 Trumpet Judgments, and as I will explain later on in this program, 777 also refers to Russia in the book of Revelation.

And now, let's listen to Christine Lagarde explain that the year 2014 is also a magical number 7: **'So, if we think about 2014, alright, I'm just giving you 2014, you drop the 0, 14, two times 7. That's just by way of example and we going to carry on. So 2014 will be a milestone and hopefully a magic year in many respects.'** So now, the question: Is one of those magical milestones which Christine Lagarde is prophesying about, the shooting down of that Malaysian Airliner?

And next she talks about the anniversary dates of 4 very important historical events which will occur in this year of 2014: **'It will mark the 100th Anniversary of the first World War back in 1914. It will mark the 70th Anniversary, 70th Anniversary-drop the zero- 7, of the Bretton Woods Conference that actually gave birth to the IMF, and it will be the 25th Anniversary of the fall of the Berlin Wall, 25th. It will also mark the 7th Anniversary of the financial market jitters that quickly turned into the greatest global economic calamity since the Great Depression.'**

These 4 events that Christine Lagarde referred to are very significant because most of them occurred in July. Is she prophesying back in January about this downing of a Malaysian Airliner on July 17th? The first event she talked about was World War I. The 100th Anniversary will be July the 28th. She talked about the Bretton Woods Conference. That occurred 70 years ago between July 1st and July 22nd. She spoke about the recession of 2007. Most economists will tell you that heated up during the summer of that year. The only event that did not occur in July was the fall of the Berlin Wall and that occurred on November 9th, twenty-five years ago. By the way, notice 25 years, 2 plus 5 equals 7. Do you suppose that Christine Lagarde is also prophesying a major world shattering event for November the 9th? In other words, 9/11?

But where did this prophecy come from? Does it come from the Illuminati? That would indicate this downing of a Malaysian Airliner was a false flag event; or did this prophecy come from Almighty God? After all, the name Christine is derived from Christus meaning Christ. One thing for sure, it did not come from Christine herself because she started out at the very beginning of this speech to say and to emphasize she is just following orders. **'Thank you so much. Merci beaucoup. As you can tell, I do as I'm told.'** So now, you might ask:

What is the tie-in between this amazing prophecy about the downing of the Malaysian Airplane and an economic conference? And the reason is because just before this tragedy, there were two very significant economic events. First of all, Vladimir Putin attended that BRICS Conference in Brazil where Brazil, Russia, India, and China are attempting to forge an alternative to the IMF. And secondly, President Barack Obama imposed additional economic sanctions on Russia.

I mentioned earlier that Russia can be found in the book of Revelation in a passage that has three 7s and I'm talking about chapter 17, verse number 9: **'And here is the mind has wisdom. The 7 heads are 7 mountains, upon which the woman sits and they are 7 kings.'** False prophets try to tell you that this is referring to the location of the Whore of Babylon and that is false. This is about the location and other characteristics of the Scarlet Beast, and the Scarlet Beast in the End Times refers to International Communism. It is **'the beast that was, is not, and goes to destruction.'** The **'beast that was'** refers to Communism, **'is not'** refers to the fall of the Berlin Wall and the so-called collapse of the Soviet Union, and **'goes to destruction'** refers to the 7th beast after it becomes the 8th and final beast. That is the One World Communist Tyranny and it will be destroyed by Jesus Christ Himself at the battle of Armageddon.
