

## Four World Leaders in Bible Prophecy

On this program I want to take a look at four very prominent world leaders, who have been in the headlines lately and they are, Vladimir Putin, Barack Obama, Benjamin Netanyahu and Pope Francis. And it's very interesting to note that these four leaders are in End Times Bible prophecy, and that itself should tell you just how close we are to the second coming of our Lord Jesus Christ. And it's interesting to note, all four of these world leaders are very much involved in the Middle East, particularly as far as the nation of Israel goes. That should give you a clue just how close we are to the very end.

Just yesterday, Israeli Prime Minister Benjamin Netanyahu, made a public statement regarding a treaty which would allow Iran to keep their nuclear enriching centrifuges and lift international trade sanctions, and I can't play you this exact clip because YouTube I'm sure with block it. I will pay the audio for you, and please listen to the near panic in Mr. Netanyahu's voice, and look at the very worried expression on his face. And after this clip I will explain to you where he is found in Bible prophecy and why he has very good reason to be worried. And by the way, take a look at the weird modern painting behind Prime Minister Netanyahu.

***"I met Secretary Kerry right before he leaves to Geneva. I reminded him that he said that no deal is better than a bad deal. And the deal that is being discussed in Geneva right now is a bad deal. It's a very bad deal. Iran is not required to take apart even one centrifuge. But the international community is relieving sanctions on Iran for the first time after many years. Iran gets***

***everything that it wanted at this stage, and it pays nothing. And this is when Iran is under severe pressure. I urge Secretary Kerry not to rush to sign, to wait, to reconsider, to get a good deal, but this is a bad deal, a very, very bad deal. It's the deal of a century for Iran; it's a very dangerous and bad deal for peace and the international community."***

You have very good reason to be worried Mr. Netanyahu, because I believe you are found in Bible prophecy. And please don't listen to the false prophets who seem to think that Daniel 9:27 comes before Daniel 9:26.

***Dan 9:26 "And after 62 weeks the anointed one shall be cut off."***

Now 62 weeks means 62 years after Israel became a state according to the United Nations, and the Anointed One in the End Times refers to the Prime Minister of Israel, and I'm afraid that is you, Mr. Netanyahu.

***"and the people of the prince that shall come shall destroy the city."***

And now that brings us up to Vladimir Putin, and two more historical people who are in Bible prophecy. I believe both Barack Obama and Putin are involved in the Middle East, because they are fulfilling Daniel 11 verse number 40, where the last king of the south, Obama loses to the last king of the north, Vladimir Putin.

***Daniel 11:40 "And at the time of the end shall the king of the south", that's Obama, "push at him", and "him" in this case would be Vladimir Putin, the king of the north. "And the king of the north", Putin, "shall come against him with chariots and with horsemen and with many ships".*** Now this is being played out in the Middle East, and it is very clear that the king of the north, Putin is very much outmanoeuvring the king of the south, Barack Obama. I don't care whether it's Libya or Benghazi or Syria or Egypt or Iran. If Obama were in fact the Antichrist, Putin would be dancing to his tune, but it's obvious that Obama is losing throughout the Middle East. That tells me that both Daniel 9:26 and Daniel 11:40 are being fulfilled before our very eyes.

And that brings us up to the fourth prominent world leader and that would be Pope Francis, who will be meeting with Vladimir Putin later

on this month, I believe on November 20th. And I am convinced that the results of this meeting will go a long way towards determining whether Pope Francis is a good Pope, and that would be Petrus Romanus who will lead his sheep during the Great Tribulation, or is he the False Prophet, the one who will lead us into the One World Government and the One World Religion and the Antichrist? And to date I personally do not know which Pope Francis is, but I believe he is one of those two individuals, which again should tell us just how close we are to the return of our Lord and Saviour Jesus Christ.

And, please don't forget my new website [thirdeaglemedia.com](http://thirdeaglemedia.com) where I am currently unsealing the prophecies of Daniel, and my web manager tells me that she is about to post Daniel chapter number 9, and that reminds me, my web manager so far is doing everything on a volunteer basis, and I would like to at least pay her minimum wage, and that means that you have to help out.
