

More Election Fallout

People are still trying to explain, 'How in the world could Mitt Romney lose this Presidential Election?!' And they still do not understand although I explained beforehand why he would lose. I made it very clear that the three R's of Romney, Ryan and the Republicans could not defeat Barack Obama. I made it very clear that the only three R's that could beat Obama were revival, repentance, and Mary's Rosary.

Instead, however, of showing that America has repented, America has fallen deeper into the cesspool of immorality. Three States, in fact, even legalized homosexual and lesbian marriage. Those States were Maine, Maryland, and Washington. Don't the people in those states know that is a physical impossibility?! Now, I've got two extension cords here and I want to demonstrate for you how it is physically impossible for two males to marry each other or two females to marry each other. It is totally unnatural!

If we look at this extension cord, we have the male end and the female end as I'm sure you are all familiar, and the male end fits into the female end perfectly, just like that. It is impossible for a male to join with another male, see how that works? It doesn't work. It's impossible. Same way with the female. The female end of an extension cord will not fit into the female end of another extension cord. You people in Maine and Maryland and Washington, don't you understand?

You might just as well pass a law that water now runs up hill. Why don't you pass a law negating the law of gravity? As long as you're going to try to change nature, why not go all the way? It is physically impossible for two males to marry or for two females to marry, and I don't mean to just pick on homosexuals or lesbians. Any of you who are practicing fornication or adultery or pornography or masturbation, you are just as guilty. All of those sexual sins are prophesied to be common in the End Times but they are still a violation of the Ten Commandments.

In fact, from my own personal experience with people like Anderson Cooper or Stephen Colbert, I have found Anderson Cooper to be much fairer. Mr. Cooper has had me on his 'RidicuList' five times and even though he is making fun of me, he allows me to respond. Whereas the married Mr. Stephen Colbert blocks my response video. He will not let me answer him.

I held up an extension cord before and now I am holding up Mary's Rosary, and for those of you who are afflicted with same sex attraction, try praying one Hail Mary. Mary is the one who could have defeated Obama and she will defeat the Antichrist and she can also bring you into a life of sexual purity.

And now, let's take a look at this rise of the Antichrist because Barack Obama is no longer of any use to the New World Order. In Daniel, chapter number 11, the first twelve verses are divided into a 4-4-4 sequence; that indicates Barack Obama. The next 18 verses are divided into a 6-6-6 sequence; that indicates that the Antichrist will defeat Barack Obama. But remember, those 18 verses in Daniel 11 are followed by 15 verses in a 5-5-5 sequence, and what that indicates is that Mary's Rosary will ultimately defeat the Antichrist.

And Jesus uses the same kind of verse structure in Matthew 24 to also indicate that Mary's Rosary will be his weapon to defeat the Antichrist, and therefore, we find that verses 9-26, which I call the Tribulation verses, are divided into a 6-6-6 sequence. And the next 15 verses, that is 27-41, are divided into a 5-5-5 sequence, those are the victory verses. This is how Jesus will defeat the Antichrist as he himself is indicating. And as I have mentioned many times on this program, if there is one good thing that will come out of the victory of Barack Obama in this last election, is that Americans are beginning to understand that you cannot defeat one of the beasts in Bible prophecy through anything other than supernatural means.
