

## Trump Prophecy From Stormy Daniels to Jerusalem!

This past week, Judge Jeanine Pirro on Fox News, did a piece in which she claimed that Donald Trump's moving of the American Embassy to Jerusalem in Israel as its capital is prefigured in Bible prophecy and she is 100% correct! Of course, she took a lot of heat in the news media for telling the truth but since when is the news media ever concerned with telling the truth? But what's really interesting is that Judge Pirro could have gone much further because practically everything Donald Trump has done so far in his presidency is to fulfill Bible prophecy; and it is found specifically in Isaiah, chapter number 45, and that's no accident: Donald Trump is our 45th president and God revealed all about him to the great prophet Isaiah in his chapter number 45.

So, I thought I would go through some of these events, especially this year, and show you where they have been prophesied to us 2700 years ago. And the first event I want to talk about, and it's sort of a scandal, and that is the 'Stormy Daniels' affair. By the way, her name is kind of interesting: 'stormy' could refer to the tribulation, and 'Daniel' was the greatest Old Testament prophet of these End Times. I don't think that's accidental. In any case, it certainly is a scandal and it shows that Donald Trump really has a perverted sense of morality; he does not know the laws of God. And certainly he has caused his family a lot of grief because of his extramarital activities and he's been doing this, I guess, ever since he was a billionaire youth, for 20 or 30 years now.

In any event, let's see where that is prophesied in Isaiah 45: and we find it in verse number 5 of Isaiah 45, where God says to Donald Trump: ***'I am the Lord, and there is none else: there is no God besides me I girded you*** (in other words, Trump's power and authority comes from Almighty God, but God adds) ***and you have not known me.***' Donald Trump is a practicing Protestant, according to his own admission, but the Protestant whose footsteps he is following in would be King Henry the Eighth. Henry the Eighth had six wives, numerous mistresses and he did not have a sense of morality. And that is what Almighty God is telling Donald Trump. So, the first instance we wanted to talk about was Stormy Daniels as predicted in Isaiah 45.

And next I want to look at, just today, Donald Trump announced he is cutting funding for Planned Parenthood. This IS very much according

to the laws of God. Certainly God is directing his hand in this matter. But where is that found in Isaiah 45? Well, let's read verse number 3; this is still God speaking: **'And I will give you hidden treasures, and the concealed riches of secret places.'** And I did a video quite a few months ago saying that is fulfilled when he takes away the funding of Planned Parenthood. And he has also taken away the funding of terrorism. That's also included in this verse. He has gone to Saudi Arabia and has taken away the funding of Isis. So, Donald Trump is fulfilling Isaiah chapter 45, verse number 3.

And next, I want to look at, a couple of weeks or maybe, just a week ago, the French president Macron and the German Chancellor Angela Merkel visited Donald Trump in the White House and their goal was to get him to not back out of the Iran deal. But did he pay any attention to them? No he did not! Donald Trump is his own man; he is being directed by Almighty God. But now, where do we find that in Isaiah 45? Let's look at verse number 2, and this is Almighty God still speaking: **'I will go before you and humble the great ones of the earth.'** Well, that's exactly what he did with Macron and Merkel: he humbled them! He did not pay any attention to them. Once again, Isaiah 45, twenty seven hundred years ago, is prophesying about Donald Trump.

And number 4 on my list of things which Donald Trump has done which is found in Isaiah 45: that is his dealings with Kim Jong-un of North Korea and he has forced him to back down. He is going to denuclearize North Korea and hopefully bring peace to that Peninsula. Donald Trump says that may not happen but where do we find that in Isaiah 45? Verse number 6 (this is still God speaking): **'That they may know who are from the rising of the sun (Kim Jong-un) and they who are from the west (Macron, Merkel) that there is none besides me. I am the Lord and there is none else.'** I am sure all of those people, Kim Jong-un, Macron and Merkel, they recognize that they are up against a greater force than they've ever been up against before.

And next on my list is the announcement, and the fulfilling of that announcement, that Donald Trump would move the American Embassy from, I believe it was in Tel Aviv, to Jerusalem. And where do we find that in Bible prophecy in Isaiah 45? Isaiah 45, verse 13: **'I have raised him up to justice (Almighty God is talking about Donald Trump, incidentally, that word 'justice' appears quite often in Q Anon lately, if you've noticed that. I think that's from Isaiah 45 also) and I will direct all his ways** (this is really amazing that God would direct

someone who does not know him) **he shall build my city.**' Isn't this amazing? Now, of course, this originally was about King Cyrus who gave the orders that the Jews could rebuild their city; but this also applies to Donald Trump. By moving the American Embassy to Jerusalem and officially recognizing Jerusalem as the capital of Israel, he is fulfilling Isaiah 45. Judge Pirro could have gone a lot further in her analysis of Donald Trump fulfilling Bible prophecy.

And let me look next on my list of the things which Donald Trump fulfills in Isaiah 45, and that is the three American prisoners which Donald Trump got released from North Korea. Now, we've had prisoners before under Barack Obama and previous presidents and they've done nothing about it. They don't have the wherewithal. I think, for example, back when Jimmy Carter was president there were 44 hostages in Iran and he was not able to get them released. Ronald Reagan, on the day after he was elected, not even inaugurated yet, Iran released those 44 hostages. They knew their jig was up. The same way with Kim Jong-un and North Korea. I'm sure Donald Trump said: **'release those prisoners or else!'** That's how you deal with Communists. And the amazing thing is that he fulfilled this perfectly, verse 13: **'I have raised him up to justice and I will direct his ways, he shall build my city, and let go my captives, not for ransom nor for presents, says the Lord the God of hosts.'** What an amazing fulfillment to the letter of Isaiah, chapter 45.

And lastly, I want to mention that the Pope, Pope Francis, announced, I think it was yesterday, that he is considering resigning. Now, this is all phony baloney, in my opinion. I believe he is pulling a 'John McCain'. He is trying to elicit sympathy before some very unpleasant facts are released about him. If you follow Q Anon, Q Anon says that **'May will be a terrible month for the Pope'**. And in fact, in my opinion, Q Anon IS Donald Trump. I believe Donald Trump is like King David: he is both a king and a prophet and he is expressing his prophecies through Q Anon. Q Anon is his alter ego. Now, that doesn't mean that other people might not type out what he is telling us but I am a hundred percent sure that nothing Q Anon posts goes under the radar; Donald Trump approves everything. And in fact, I think he writes a great deal of it.

So how does this deal with Pope Francis? Pope Francis is not a legitimate Pope! I believe we are going to find out that there was tremendous pressure put on the Vatican for Pope Benedict to resign

and to bring in Pope Francis. This is the information that Donald Trump, I am sure, is going to release this May. Now, Pope Francis says he is thinking about resigning but he never gave a reason. He didn't say, for example, that he is sick or tired and that was the excuse we heard from Pope Benedict, that he was ill, he was at death's door, he couldn't function any longer. That was all a smokescreen. Pope Benedict is not ill; he still alive and kicking, he's still doing papal duties and in fact he still wears papal garments and he has the title of Pope: 'Pope Emeritus'.

Francis, as the False Prophet, in my opinion, is the leader of the One World Religion. So, what does Isaiah 45 say about Donald Trump and the One World Religion? And for that I go back to verse number 2, this is part of that verse where He says: ***'I will go before you and humble the great ones of the earth and I will break in pieces the gates of brass and will burst the bars of iron.'*** The gates of brass refers to the One World Religion and we know this from Daniel, chapter 4, where the great tree is cut down by orders of the Watcher and the Holy One. The great tree symbolizes Western Civilization and the stump is banded with a band of brass and a band of iron. In other words, its growth will be restricted by the One World Religion and the One World Government and Donald Trump is going to smash those bands. So, with Donald Trump taking on Pope Francis I think we will see that this month.

And next on my list, I do have one thing that Donald Trump has not yet fulfilled, and I know a lot of people question me on this, and that is he will convert to Catholicism. He is not going to be able to fulfill all his prophecies until he converts and Isaiah says he WILL convert. And here's what he says, let me read the verse exactly, verse number 3, and this verse I used before talking about Donald Trump taking away the riches of Planned Parenthood; but there is a double significance to this. Let me read it again: ***'And I will give you hidden treasures, and the concealed riches of secret places that you may know I am the Lord who call you by your name, the God of Israel.'*** In this case, the ***'hidden treasures and concealed riches of secret places'*** refers to the dogmas of the Catholic Church. And the ***'God of Israel'***, that is a code word for the God of the remnant Catholic Church. This does that mean that Donald Trump will become a Roman Catholic. The Roman Catholic Church has been taken over by the One World Religion, but he WILL convert to Catholicism. That is when all of Isaiah 45 has been carried out by Donald Trump. So, although he has fulfilled already a lot

of the prophecy in Isaiah 45, that very important part of the prophecy, he has yet to fulfill.

And all of these conflicts that Donald Trump is taking on, the One World Government and the One World Religion, will not be easy and Almighty God has verified that Isaiah 45 is all about Donald Trump. And I showed you this before; this is the train crash.

Remember the train that carried the Republican senators and congressmen, I believe this was following the State of the Union address. And the number of the train was 145 and I showed you this before, except that the '1' represents the letter 'I', Isaiah 45. But notice that the train also suffered some damage. The locomotive had to return to its

point of origin. It could not return on its own power. I think this shows that Donald Trump needs our prayers in this battle. He needs our support. He is up against tremendous forces and Almighty God says that he will smash the One World Government and the One World Religion just as that train smashed that garbage truck. But it's not going to be easy; you and I are necessary in this battle. We need to support him and, as a Catholic, I have urged you all along, if you don't know how to pray the Rosary, I hope you learn how to pray Mary's Rosary.

**To recite the Rosary:**

- Make the Sign of the Cross
