

Recent Plane Crashes and Bible Numerology

Several years ago, in fact, less than a month after President Barack Obama was inaugurated, a series of plane crashes occurred which I believe are significant in these End Times. The number of people killed in these tragic incidences all expressed Biblical numerology, for example, the number 44 was prominent. That is the number of Barack Obama in Bible Prophecy, and the number 153 was even more prominent: that is the number for Mary's Rosary in Bible Prophecy.

Let's take a look at Genesis 3:15 and the Gospel of John, chapter 21, verse 11: **'Simon Peter went up, and drew the net to land full of great fish, 153.'** These 153 fish symbolize the number of Hail Marys in a complete 3 Mystery Rosary in these End Times. And in Genesis 3:15, which is also called the protoevangelium (1), we see the same integers in the chapter and verse except they are reversed, 153 fish and Genesis 3:15 describes how Mary will crush the head of the Antichrist.

What is really amazing about these plane crashes, which occurred back in 2009, is not only that they involve biblical numerology, not only that they occurred less than a month after Barack Obama's inauguration, but the pattern is beginning to repeat itself this year, just before the election of 2012. Let's take a look at the first of these airplane crashes which occurred February 12th near Buffalo, New York where 44 passengers, 4 crew members and one retired pilot lost their lives.

Following this Buffalo tragedy on February 12th, there was a Yemeni plane crash on June the 30th of 2009 involving 153 passengers and crew, 152 were killed and one, a young girl, was miraculously saved. Now shortly after the Yemeni plane crash, there were two more significant air disasters each involving the number 153. On July 15th there was a Caspian plane crash 153 passengers, 15 crew in all were killed.

On July 24th it was an Ilyushin plane crash involving 153 passengers and crew of which 16 were killed. In addition to these major airliners crashing, there was a collision between a helicopter and a Piper Cub. Following the Ilyushin plane crash, a helicopter and a Piper Cub collided over New York City on August 8th. One pilot was killed, 5 tourists and 3 members of the same family in the Piper Cub Please notice once again that 153 biblical number. Now what we have to be

concerned about is this pattern of airplane crashes seems to be repeating this year in 2012.

What is the significance? Is God sending us a warning about the these End Times. This year, a little less than a month ago in Indonesia, 44 passengers and one pilot were killed on a demonstration flight of a new Russian airplane. Does this correspond to the 44 killed in 2009 in Buffalo? Just a few days ago on June 13th, a plane crashed in Lagos, Nigeria with a 153 passengers and crew and all were killed. Does this correspond to the Yemeni plane crash back in 2009 in which there were 153 passengers and one was miraculously saved?

As I have been saying all along, President Barack Obama is one of the beasts in Bible prophecy, he is the Leopard in Daniel 7:6. The Leopard has four heads and four wings, that indicates Barack Obama. A leopard is a mixture of black and white colors, that indicates the race of Barack Obama. And Daniel says that the Leopard is given dominion, and the President was given dominion four years ago when he was elected, and back in 2009 in January when he was inaugurated. That was a fulfillment of Bible prophecy.

We also know from Bible prophecy that the Antichrist will be defeated find Mary's Rosary. Now the question is: can Barack Obama be defeated by Mary's Rosary? We know that 444 is followed by 666, which is the Antichrist, however, that is always followed by the number 555, which also signifies Mary's Rosary. Is that the lesson which we are to learn from these tragic plane crashes?

So, in conclusion, I hope and pray the Lord does not have to allow any more plane crashes for us to learn our lesson and the lesson is that will take much more than the three R's currently running against Obama to defeat a beast in Bible prophecy. The three R's of course are Romney, maybe Rubio, and the Republicans. The only three R's that are going to defeat Barack Obama are revival, repentance and the Rosary.
