

## Pope Francis is the Fallen Star, 'Wormwood'

Like many of you, I did watch some of the canonization ceremonies this weekend of Pope John XXIII and Pope John Paul II and I did find quite a few disturbing images which I will share with you in a few minutes. First of all, I want to talk about Pope Francis as the False Prophet. Now that we know his role in these End Times, quite a few Bible prophecies about him will be fulfilled in the coming days and weeks.

First, let's look where he is found in the book of Revelation as a lamb with two horns, Revelation 13, verse 11: **'And I saw another beast coming up out of the earth, and he had two horns, like a lamb, and he spoke as a dragon.'** And of course, the dragon represents Satan. I believe the **'two horns like a lamb'** symbolize the two points on a bishop's or pope's mitre, and when he speaks like Satan, that means he will undermine the rules of the Church.

For example, Pope Francis has stated that he will not kick homosexual priests out of the priesthood when he said *'who am I to judge.'* And he has had a week now to disavow what he said to that Argentinean divorcee when he told her she could receive Communion even though she married a divorced man outside the Church and that is against the rules of the Catholic Church as they are also expressed in the Gospel.

It's interesting that this second beast, the False Prophet, comes up out of the earth chronologically after the Antichrist, who is the first beast which comes up out of the sea. And yet we know that the False Prophet must come first because he will announce the Antichrist very much as John the Baptist announced Jesus Christ. That's why I believe we have to look earlier in Revelation to find a previous coming of the False Prophet and that's why I believe that 'Wormwood', who comes before the two beasts, is another name for the False Prophet.

Revelation 8, verse 10: **'And the third angel sounded the trumpet, and a great star fell from heaven, burning as it were a torch, and it fell on the third part of the rivers, and upon the fountains of waters.'** I believe the 'third part of the waters' symbolizes 1/3 of the Catholic faithful and the third part of the fountains symbolizes 1/3 of the clergy, that is the priests and the bishops, who will apostatize due to the false teachings of the Anti-Pope, Pope Francis.

Revelation 8, verse 11: **'And the name of the star is called Wormwood** (notice 'Wormwood' is capitalized; that indicates a person and the 'star', in this case, would be like a Hollywood movie 'star' or a famous sports 'star') **and the third part of the waters became wormwood (1); and many men died of the waters, because they were made bitter.**' I believe the waters also symbolize the beliefs of the faithful and when they accept the false doctrines and dogmas of Pope Francis, they will become bitter like wormwood, and 1/3 of the faithful will die a spiritual death.

In Revelation 9, another star falls from heaven and he represents a precursor of Pope Francis and that would be another Roman Catholic priest, the famous Martin Luther. Revelation 9, verse 1: **'And the fifth angel sounded the trumpet, and I saw a star fall from heaven upon the earth, and there was given to him** (notice this 'star' is a person) **the key of the bottomless pit.'** Martin Luther unleashed a five 'month' plague of locusts which symbolizes the breakup of Christianity and the thousands upon thousands of different denominations all of which preach that they alone have the full truth of the Gospel.

Revelation 9, verse 5: **'And it was given unto them** (that is the locusts) **that they should not kill them** (that is mankind) **but that they should torment them five months** (this is a symbolic number) **and their torment was as the torment of a scorpion when it strikes a man.'** The five 'months' symbolizes five 'centuries' and since Martin Luther posted his famous '95 Theses' on Halloween of 1517, those five centuries will be up on October 31st, 2017. And please note how close that date is to November 3rd, 2017 which is exactly 1290 days from April 23rd, 2014, this past week when Almighty God toppled over that huge crucifix and crushed that unfortunate young man who happened to live on Pope John XXIII Street.

And now, let's look at another very important mission of the End Times False Prophet in Revelation 13, verse 12: **'And he executed** (this 'he' is Pope Francis, the False Prophet) **all the power of the former beast** (this is the first beast which comes up out of the sea, the Antichrist) **in his sight; and he caused the earth, and them that dwell therein, to adore the first beast, whose wound to death was healed.'** This adoration of the first beast, that is, the Antichrist, will be the entire focus of the One World Religion. Don't forget, the Antichrist has **'seven heads full of the names of blasphemy'**. They symbolize

the seven leaders of the world's Apostate religions, and seven is a number of completion and that means that all the world's religions will support the One World Religion of Pope Francis, the religion that will worship the Antichrist.

And now I want to show you some clips from this weekend's canonization ceremonies where Pope Francis shows an amazing disrespect for the crucifix he carries because he uses it as a walking stick! When I was an altar boy, I was always taught to carry that crucifix right in the front and center of any procession and to show it to the people because we preach Christ and Him crucified. Now, I admit, Pope Francis may use his crucifix as a walking stick simply because he is old and feeble.

Notice in this clip where Pope Francis meets former Pope Benedict that the two points on his tiara could be considered as a symbol of two horns on a lamb.

And it was not just at the canonization ceremonies because last week on Easter Sunday, Pope Francis carried a different crucifix as a walking stick.

And now I wan to show you a very odd symbol from this week's canonization ceremonies which I have never seen before in Saint Peter's Square. Keep your eye on the lower right hand side of your screen. What in the world is that symbol?! What does it mean? And I notice at the bottom there are two horns. Do they symbolize the two horns of the False Prophet?

In conclusion, I must admit, all Popes have worn the two pointed papal tiara, and other Popes, including Pope Benedict, have on occasion used their crucifix as a walking stick. However, I believe in the coming days and weeks you are going to find a lot of famous Protestant leaders support Pope Francis because he is establishing a One World Religion and, as I have stated before, it will be a Protestant religion.

*1) Notice that 'wormwood' as an adjective is not capitalized. The fallen star, 'Wormwood', is a person, NOT a comet, or meteor or any similar body.*
