

Daniel 9 Prophecy Chart Now On Website

This will be just a very brief video for you, my subscribers, that if you go to my www.thirdeaglemedia.com website you can now download my explanation chart of Daniel 9:26 and 9:27 and I will explain in a minute how you can do that. The reason this is important is because very soon you will have to explain to the many widows and orphans here in America and also in Israel why God has allowed the great punishments to come upon our planet. And if people listen to the false prophets, and most of them will, they will not be prepared. This is why Zachariah says that "you false prophets are going to be killed even by your parents".

Why? Why is that so serious that you should be killed? Because you did not warn the people. You did not let them know that Daniel 9:26 and 27 is not about the Antichrist signing some kind of peace treaty with Israel. An awful lot of people today believe we cannot be in the Tribulation because such a confirmation of a covenant has not yet occurred but I am telling you that it is occurring right now! It is a confirming of a covenant by Prime Minister Netanyahu and he has been confirming it since 2009. The End is almost upon us for both Jerusalem and the United States.

So now, let me show you how to download this chart. Click on this link, https://docs.wixstatic.com/ugd/f9795d_dd7bd72190054a62a85d95a8830f8c0b.pdf (which is found under the tab, "Old Testament Prophets", then the tab, "Daniel Chapter 9 vs 1-27"), and then two different sheets like this are shown.

Download the files to your computer. Now when you do that and when you print off those files, be sure to make it as large as possible. I always click on the part that says "Fill Entire Page".

Now, once you've done that and once you have downloaded those two pages, they will look like this and then what you do is trim off the excess white and black sections. And then what I do is I attach it to a poster board so that it is much firmer because as I said, remember, this will be a teaching tool and you will need this tool to explain to, as I said, all the many widows and orphans what has just happened. God

will allow a tremendous punishment to earth and the false prophets; they won't be around to explain because they will be killed. They will be killed because they have led the people astray. If you go on YouTube right now and you search under "Daniel's 70 Week Prophecy" you will find thousands of videos listed and they are all in error.

The only true videos are my videos and as I say, practically all of them tell you that the Antichrist must sign some kind of peace treaty with Israel. That is a false prophecy. Don't forget what Jesus said. He said "In the End Times, many false prophets would arrive coming in His name and that would mean that they would claim to be Christians and they are not Christians, they are liars. Before you can understand Daniel you must unseal Daniel. Daniel sealed up his prophecies. The prophecies are hidden. So, as I say, please go to my website, download these two pages, and make them into a chart. You will need them because you are going to be the teachers of the End Times after the great chastisements finally come upon our planet.
