

Amazing Significance of Jaycee Dugard's Abduction

On this program I want to talk about another amazing warning from Almighty God about these End Times, and I am speaking about the abduction of Jaycee Lee Dugard by Phillip Garrido. Phillip Garrido is a precursor of the Antichrist. Everything about this story indicates that this is a parable of the End Times.

This is not an ordinary kidnapping. This story has prophetic significance for all of us. First, let's take a look at Jaycee's name itself. JC of course, is a slang expression for Jesus Christ because JC are His initials. Phillip Garrido abducted Jaycee for 18 years. The number 18 is a sum of 6, 6 and 6. Garrido took Jaycee out of society for 18 years. This prefigures what the Antichrist will do. The great prophet Daniel says that the Antichrist will take Jesus away from all Christians in these End Times. The way he puts it is, that the daily sacrifice will be taken away from the prince.

Now the daily sacrifice is the Eucharist, in other words Jesus Himself. When Garrido took Jaycee away from society, he was prefiguring exactly what the Antichrist will do. The Antichrist also sets up the Abomination of Desolation. In other words he sets himself up to be worshipped in the temple in Jerusalem. One of the amazing features of this story is that Garrido fancied himself as some kind of a religious leader. His children Starlet and Angel called him, the Pastor. He considered himself the pastor of his own church, just like the Antichrist will consider himself the pastor of the entire world. I don't believe this is accidental. This is not a coincidence.

Garrido was playing out the role of the Antichrist. Notice that these incidents took place in Antioch, California. Antioch was named after a very famous biblical city, which is mentioned more than 20 times in the New Testament. The city of Antioch is located in Turkey, where I believe the Antichrist will originate. Antioch was founded by one of the generals of Alexander the Great, Seleucus Nicator, who was the first King of the North as described in Daniel chapter number 11. The fifth King of the North, Antiochus Epiphanes is another precursor of the Antichrist, because he also set up an Abomination of Desolation in the temple in Jerusalem. He completed the building of the city of Antioch. Antioch and Antiochus are both derived from the same name.

Another characteristic of the Antichrist is that he will be mesmerizing. And certainly this man Phillip Garrido had a tremendous hold on the

women in his life. Not only his wife Nancy but also on Jaycee Lee Dugard. He also must have had a tremendous influence on the parole officers and all the firemen and policemen who came out and visited him on regular occasions. None of them were able to free Jaycee from her enslavement.

As I have been saying all along on these programs, the one who will free us from the Antichrist will be Mother Mary. Notice that it took two women to free Jaycee Lee Dugard from Phillip Garrido, Lisa Campbell and Ally Jacobs were the heroines in this story. Ally Jacobs said it was her mother's intuition that alerted her that Garrido was a criminal, and it will be Mother Mary who frees us from the Antichrist.

As Saint Paul said, the Antichrist will be a man of sin. He will be a mesmerizing. He will lead the entire world astray. Phillip Garrido is a precursor of the Antichrist. He is evil personified. There are just too many details in this story of the Jaycee Lee Dugard kidnapping that coincide with events in the Bible. This kidnapping is a parable of the End Times. It is a warning from Almighty God Himself.
