

Pope Invokes Witchcraft at Youth Synod

This morning the Lord woke me up at 5 a.m. and I couldn't get back to sleep so I got up and I said, well, I might as well check my email and see what kind of messages I've got. And one of my subscribers sent me a note; he said: ***'I am watching the concluding Mass at the Youth Synod and would you believe, Pope Francis is carrying a witches stang'*** and, of course, I knew right away what he meant because I had predicted two days ago that it was very likely he would carry a witches stang: that's because witchcraft has taken over the Vatican.

Now, I showed you what it looks like: this is a witches stang and sure enough, that's exactly what he was carrying, both into the mass and when he left.

Let me show you a close-up of that. This is what the witches stang looks like. It's basically the crotch of a tree.

When they make it out of metal it looks like this. I'll show you what it looks like in metal. All you have to do is go to the Witchcraft Museum; google it and they show you what a witches stang looks like. This is derived from Hathor the cow goddess: it's an Egyptian pagan symbol. And what it symbolizes, basically, is two male members on either side of the sun. This is Hathor the cow goddess and Ra the sun god.

So I thought I would just show you a little clip of the conclusion of the mass at the Youth Synod and this was just, oh, three or four hours ago, shortly after I woke up this morning. So, let's take a look at this clip.

Now like I say, I predicted just a couple of days ago, it was very likely that the Pope would carry a witches stang at the concluding mass of this Youth Synod. So let's take a little look at the clip that I did from that program just a couple of days ago.

"And this is about as far from a true cross as you can get. As I say, it's called a witches stang. Look for the Pope carrying this at the concluding mass for the Youth Synod. He may very well want to carry that to show how up-to-date he is and how modern. In fact, it's actually very old."

So now, what is the significance of the Pope carrying this witches stang and invoking witchcraft at the concluding mass of the Youth Synod? What it signifies is that Bible prophecy is being fulfilled about the Roman Catholic Church. The Church is being trampled underfoot by the Gentiles as prophesied by John in the book of Revelation. Let's take a look at chapter 11, verse number 1: **'And there was given me a reed like unto a rod and it was said to me: Arise and measure the temple of God and the altar and them that adore therein.'** Now the temple of God in the End Times is the Roman Catholic Church and when he says 'measure the temple of God and them that adore' he means to take stock of who is the remnant faithful Catholic Church and that is those who adore at the altar, not the temple itself as we see in verse number 2: **'But the court which is without the temple cast out and measure it not for it is given unto the Gentiles and the holy city** (this is Rome) **they shall tread under foot for 42 months.'** The holy city in the End Times and the great city are reversed: the holy city is Rome, the great city is Jerusalem. When he says the 'court which is without the temple' he's talking about all the formal parts of the Church: all of the cathedrals and churches and seminaries and convents and universities, like Notre Dame and Georgetown, for example, and all of the parochial schools: all of this has been given to the Gentiles. The only thing that's left that's worth measuring is the remnant Catholic Church.

And I will prove what I'm talking about now, because a few verses later, verse number 7, here's what John writes: **'And when they shall have finished their testimony** (and these are the two witnesses, Enoch and Elijah) **the beast that ascends out of the bottomless pit** (that would be what we call the deep state; not by the way, the Antichrist) **shall make war against them** (against the two witnesses) **and shall overcome them and kill them.'** And verse number eight: **'And their bodies shall lie in the streets of the great city** (now in John's time, the great city was Rome, but not in the end times; how do we know? because he says) **which is called spiritually Sodom and Egypt** (well, that still could be Rome, but let's look at the last part of this verse) **where also our Lord was crucified.'** So this is an End Times prophecy. Our Lord is crucified in Jerusalem, of course, and therefore the great city of the End Times is not Rome, it is Jerusalem. The holy city is Rome but it is not to be measured because it is being trampled under by the Gentiles. That is the significance of the Pope carrying this symbol of witchcraft; the holy city is being trampled under by the Gentiles: Pope Francis represents the Gentiles.

Now, what should he be carrying? He should be carrying a true cross; and here is what a true cross looks like, and I've showed you this before.

The true cross is a symbol of the Divine Trinity. The horizontal member; that represents stability: that's God the Father. The vertical member; that represents activity or vitality: that's God the Son. But there is a third member, a hidden member, through the center: that represents the Holy Spirit. The symbol which he is using is a symbol of the End Times UNHOLY Trinity.

These are male symbols; in other words they're expressing God the Father and God the Son in sexual terms. This is highly immoral. The opening between the two males is considered a female form. So they're expressing the Divine Trinity, Father Son and Holy Spirit, in sexual terms, whereas it should be in symbolic terms like a Holy Cross. The Pope doesn't use a cross anymore; he uses the witches stang.

Baphomet wears witches stang

in these End Times, as also prophesied in Scripture.

Now, let me remind you once again how we defeat the Gentiles who are trampling the holy city under foot and Mary is our weapon against the unholy trinity of the End Times. She is standing on the unholy trinity which is the False Prophet and the Antichrist. Those are the two horns of Hathor. She is blocking out the sun, the Sun God Ra. Mary will be our victor in this defeat of the witchcraft, of the witch's stang, the unholy trinity, the Antichrist the False Prophet and Satan

So, in conclusion, we Catholics have to be very concerned that End Times prophecy is now coming true, especially as regards to the fall of the Roman Catholic Church.
