

Why did God put out the Lights on Donald Trump?

This past week our president, Donald J Trump, held a meeting with members of Congress and the press and he tried to rectify something he said at the Helsinki press conference which he held with Vladimir Putin and he tried to tell everyone that he DID have full faith and support in our intelligence agencies. And everything was going fine except when he left off the 'support' and he just said 'I have full faith', the lights went out. I believe that was a message from Almighty God telling us that Donald Trump does not have full faith because Almighty God was verifying the prophecy about Donald Trump in Isaiah 45. So I'm going to play this clip for you and you will notice that first Donald Trump says 'I have full faith and support' of the Intelligence Agencies. God does not put the lights out when he says that. The third time he says 'I have full faith and support for the intelligence agencies', again, God does not put the lights out. It's when Donald Trump says 'I have full faith in the intelligence agencies' that the lights go out because Donald Trump does not have 'full faith' as we know from Bible prophecy. So let's play that clip: https://youtu.be/E_g2IKzEqms?t=227

Donald Trump speaking: ***'We begin by saying that once again the full faith and support for America's intelligence agencies; I have a full faith in our intelligence agencies. Whoops, they just turned off the light. That must be the intelligence agencies. There it goes. Okay, you guys okay? Good. That was strange. But that's okay. So I'll begin by stating that I have full faith and support for America's...'***

So very, very interesting. Thank You Mr. Donald Trump, because Almighty God still has his hand on you and is directing your activities. But He is also telling us that Isaiah is correct when he says you do not know Almighty God. You have some faith, you are a practicing Christian; but you are not a Catholic. That represents the 'full faith'. So,

let's read Isaiah where he says you do not have faith, you do not know God. Isaiah 45, verse 4: **'For the sake of my servant Jacob, and Israel my elect, I have even called you by your name: I have made a likeness of you, and you have not known me.'** That's why the lights went out: Donald Trump does not have 'full faith'. That's an important verse, by the way, because the 'servant Jacob' refers to the remnant Jews of the End Times. In Revelation, Saint John talks about the 'servants' who are sealed by the prophet Elijah. Those are the End Times saved Jews. And 'Israel my elect'; the 'elect' is a term in both Revelation and in the Olivet Discourse for the remnant Catholics.

When Donald Trump converts he won't convert to the Roman Catholic Church of Pope Francis; instead he will become a Remnant Catholic. And let's look at verse number 5; God says the same thing about Donald Trump, he does not have 'full faith': **'I am the Lord and there is none else; there is no God besides me: I girded you and you have not known me.'** Now, isn't that exactly what happened in Donald Trump's meeting? The lights went out when he tried to claim that he had 'full faith'. And what's the solution? Isaiah says that he is going to gain 'full faith' when he becomes a Catholic! Let's look at verse 3 of Isaiah 45: **'And I will give you hidden treasures and the concealed riches of secret places: that you may know that I am the Lord who calls you by your name, the God of Israel.'** Notice the distinction there: not the God of Jacob, but rather, the God of Israel. That is Israel's new name. That represents the new religion of the End Times, the remnant Catholic Church.

And I used to interpret 'hidden treasures and concealed riches' in a literal meaning; in other words, that it represented 'money' or 'gold' or something like that; some kind of 'currency'. I now believe it has a much more significant spiritual interpretation. I believe that the **'hidden treasures and concealed riches'** signify the Eucharist; the body and blood of our Lord. That's why it is 'hidden treasures' and 'concealed riches' and the 'secret places' where you find those things would be in the tabernacles of Catholic churches. So, I've been telling for you for a long time that Donald Trump, not only will convert, he must convert, to fulfill Bible prophecy. And Almighty God, just this past week, gave us a little gentle reminder of what He prophesied to us through Isaiah. I hope you watch this video too, Mr. Donald Trump, because then you will understand the real reason the lights went out at your meeting with Congress and that press conference.
