

End Times Prophecy in Gangnam Style

Lately, I have been getting very little sleep because the Lord keeps waking me up in the middle of the night and revealing to me more things about this amazing video called 'Gangnam Style'. I believe this video is an End Times prophecy from the great Prophet, Enoch. The reason I say it is from Enoch is because he reveals in here the timing of End Times events, and I won't get into that until the next video because I haven't worked it out completely yet myself, but he tells us when the destruction of the Catholic Church will occur. He tells us when the destruction of the United States will occur, and he also tells us when Russia and China will invade the West. Like I say I will do that in the next program and I may enlist your help in figuring out exactly the dates that Enoch is giving us.

Now, in this program I want to continue showing how this video is about the False Prophet and the Antichrist and Psy in this video portrays the Antichrist with seven heads and ten horns and he gives the False Prophet two horns in all three instances that the False Prophet is shown thereby proving that this video is about the End Times. But first, I want to talk about the sexuality of the Antichrist because I stated on the last program there is one more point I want to make. We know the AC is probably a homosexual, a transvestite and possibly a paedophile but he is also bisexual and in this particular scene we see that he is probably not only married but he is very likely to have two wives.

Here we see Psy as the Antichrist with a woman on each arm and I believe one of the reasons for all the garbage in his face is because he will take a lot of flak for being polygamous but, as we see, this does not faze him in the least.

The other possibility is that this scene merely indicates that the Antichrist will be promiscuous. So if the Antichrist does have two or more wives that would not be surprising as far as Bible prophecy goes because that would indicate that he is very likely a Muslim. And there are other indications in this video that show the Antichrist will be a great promoter of homosexual marriage and I think the reason is because he may also want to marry the False Prophet, as hard as that may seem to believe. I think that's one reason society is now pushing for gay marriage so that the Antichrist may marry the False Prophet.

Let's take a look at how Psy as the Antichrist promotes gay marriage through the use of phallic symbolism.

In this and in the following scenes we see that Psy, as the Antichrist, is wearing 2 phallic symbols around his neck which is what an open bow tie looks like and these two phallic symbols also look like the number 11 which, as I have always stated, is a symbol for homosexuality.

Now sometimes Psy wears black phallic symbols with a white shirt, as in this skyscraper scene, but the contrast is always very obvious.

I believe the many scenes where Psy wears these phallic symbols indicate that the Antichrist will publicly proclaim his support for gay marriage. Here Psy is wearing the phallic symbols in front of the carousel,

and with the sexy ladies,

and even on the tennis court,

and even on the toilet, the Antichrist is promoting gay marriage with his phallic symbols.

Now please don't ask me to define phallic symbols or else Anderson Cooper will have me on his Ridiculist for the umpteenth time. I believe the Antichrist will justify his marriage to the False Prophet by pointing to Scripture. He will say that just as Christians claim that the Church is the Bride of Christ, he has a right to also join himself to the Church because he will claim that he himself is God.

And now I want to show a few more scenes from "Gangnam Style" which clearly prove this video is about the End Times and that we are seeing images of the False Prophet and the Antichrist. You may remember from my last video I pointed out all the 6's in Psy's beach blanket at the beginning of 'Gangnam Style' and now at the end of 'Gangnam Style' we see a cartoon and in this cartoon we will find the seven heads and ten horns which are prophesied to be on the Antichrist in the Bible.

First of all, in this cartoon please note the very prominent number 6 in the top center and of course the seven heads of the Antichrist are symbolized by the seven horses' heads, 4 on the left and 3 on the right. So I guess it's pretty obvious where the seven heads of the Antichrist are symbolized in this cartoon.

But where are the ten horns? Let's take a look at the overhead lighting. On the top left side of the cartoon we see 6 lights, and there are always six lights whether they are blinking or not, and there are 4 lights on the right.

So the seven heads and ten horns of the Antichrist are symbolized in this cartoon by the horses' heads and by the lights; so why should there be 6 horns on one side and 4 horns on the other? Why not 5 and 5, for example? And the reason, of course, is that would mess up the numerology. 5 plus 5 would indicate Mary's Rosary and that is not what this image is symbolizing. This image is all about the Antichrist, therefore, you put the numbers as 6 plus 4. 6 of course is the number of the Antichrist and 4 incidentally is the number of mankind because it represents two couples. 6 and 4 is far more appropriate than 5 plus 5.

And now, let's look at the three instances where the False Prophet is revealing the Antichrist in this amazing 'Gangnam Style' video and, as I said, in each case we will find that there are two horns on the False Prophet. As you know, the Bible says that the False Prophet is **'like a lamb which comes up out of the earth with two horns'**. In this very first scene, we see the dancing boy and, by the way, notice that the dancing boy who symbolizes the False Prophet is wearing very bright colored slacks and the reason is, I believe, is because the False Prophet will be a high-ranking Cardinal in the Roman Catholic Church.

It's entirely appropriate for a child to represent the False Prophet because the Bible says he is **'a lamb with two horns'** and I believe he two horns are symbolized by these posts which appear to come out of the dancing boy's head.

This boy does move around quite a bit so he is not always shown with the two horns.

Next, let's take a look at the famous elevator scene. Of course, a lot of people think that these scenes in 'Gangnam Style' are silly and they are if you do not understand that there is an underlying significance. This scene is about, once again, the False Prophet revealing the Antichrist and, once again, the False Prophet in this scene has two horns. Now I don't know about you but it's pretty obvious to me that the hat on the elevator man is curled up in the shape of two horns.

So far we have seen that the Antichrist does have seven heads and ten horns as prophesied in Scripture. We've seen that the False Prophet is 'like a lamb with two horns' and now in this next scene where the Antichrist comes up out of the sea, again as prophesied in Scripture, once again we will see that the False Prophet does indeed have two horns. As you can see in this pool scene, the figure who represents the False Prophet also has two horns.

Okay, so now maybe that wasn't too obvious. Let's take a little closer look because, yes indeed, this second figure in the pool, does have two horns.

It's truly amazing that all three representatives of the False Prophet in this 'Gangnam Style' video show two horns just as prophesied in the book of Revelation. Please understand people, this is not accidental.

So why throughout this video is the great Prophet Enoch verifying to us that he is indeed talking about the False Prophet and the Antichrist? As you know, Prophet Enoch's main mission, or one of them in these End

Times, is to give the timing of events and I believe that is what he is doing in this video. The purpose of this video is to warn the Catholic Church and to warn the United States and to warn, in fact, all of the decadent West that we are about to go under, that we are about to be taken over by the One World Government and the One World Religion. And, as I said before, I believe Enoch is giving the timing of these events in this video and I am trying to post that as soon as possible, that will be part number 5; I hope to get it up in another couple of days.
