

Daniel Unsealed, Chapter 9, War Against Israel

On this program I want to talk about the unsealing of Daniel, chapter number 9. And I've already done the first two chapters, 7 and 8, of the vision chapters, and now you can go to my website:

thirdeaglemedia.com and download Daniel, chapter number 9. This chapter is primarily a warning from Daniel, the greatest of the Old Testament prophets of the End Times, to the modern day Nation of Israel and its leader, Benjamin Netanyahu. And the warning is not good because Daniel is talking about the destruction of Jerusalem and the defeat of Israel by its neighbors.

And Daniel also tells us why this will occur: because Israel has abandoned the Law of Torah; they no longer follow the Book of Moses, particularly as far as homosexuality goes. If you google 'Gay Capital of the World,' you will come up with is 'Tel Aviv', and Israel has spent \$88 million dollars just last year to promote Tel Aviv as the gay capital of the world. And it's for this reason God is going to fulfill His covenant with Israel and that covenant stated that: '**when you disobey my laws then you will be ruled by your enemies,**' and that covenant is just about to be confirmed.

And please, do not listen to the false prophets all over YouTube who are claiming that events in the Middle East are leading up to the Ezekiel 38 war. That is a lie from the pit of hell. Satan is blinding you! Events in the Middle East are leading up to the Daniel 9 war which is the destruction of Jerusalem. But you cannot understand this prophecy by reading Daniel as he is printed in your Bibles. Why not? Because the prophecy is sealed up. The angel told Daniel to seal up his prophecy, and the prophecies are hidden as printed in all Bibles.

What you need to do, you need to go to my new website: thirdeaglemedia.com and print out the four pages that have to do with Daniel, chapter number 9. What these pages will reveal is that Daniel sealed up his prophecies by means of a hidden verse structure. Now the first page you really don't need: my web manager wanted to include a picture of an angel, and of course the prophecy was revealed to Daniel through an angel. And all of these chapters, which you can find on my website, I hope to one day make into a book called '*Daniel Unsealed,*' although I don't think there is enough time left, and that is why I am presenting this information to you now in the form of a PDF file which you need to download.

So now let's take a look at how you join these three pages together, pages two, three and four, and that way you can understand the prophecy: you can unseal what Daniel is talking about. Once you download the three pages, pages two, three and four of Daniel 9 from my website and attach them together, then you can unseal the prophecies. And I have the center section with my reading instructions. These are not part of the prophecies, and I have set these apart in a gray colored box mainly because there would be a gap if I didn't.

The first twelve verses on the left are set apart by means of pairs. The first two verses are set apart by repeating the phrase 'first year.' Verses 3 and 4 are set apart by the phrase 'Lord, my God.' Now 5 and 6 follow a slightly different pattern. Daniel has paired these two verses by listing 6 items in verse number 5 and 6 items in verse number 6, and I have underlined these words. Now remember, I have underlined these words to show you the structure, not because these words are particularly important as far as the prophecy goes. Next, Daniel returns to a repetition of words in 7 and 8, and here the phrase is 'confusion of face' and as is often the case, these words are not found anywhere else in Daniel, chapter number 9. That's how we know these verses are related and the same with 9 and 10. And 11 and 12 are special because they are the last verses in this sequence and they are joined by the phrase 'upon us.'

The next five verses are separate because they do not follow this paired structure and therefore we place them parallel to the first twelve verses. And we justify them to the bottom, as we will find out later, because these verses at the bottom, that is 11 and 12 and 16 and 17, are related. The phrase in this case is 'Oh Lord our God,' as found in verses 13, 14 and 15. 16-17 are related by the phrase "O Lord our God," which is found in both those verses together.

And now Daniel returns to his pair system for the concluding ten verses of 18 through 27, and I won't repeat those until we get to 26 and 27 because these two are very important. These verses are related to 16 and 17 and 11 and 12. These six verses, justified to the bottom, describe the destruction of Jerusalem and the defeat of Israel by her neighbors. And the reason for this is, as Daniel explains in verse number 11: ***'And all Israel (this is the modern nation of Israel) have transgressed your law and have turned away from hearing your voice and the malediction and the curse which is written in the Book of Moses, the servant of God is poured upon us because we have sinned against him.'***

I have analyzed these prophecies of Daniel in his chapter number 9 on other programs, so I won't repeat myself as far as that goes. I do want to mention once again, however, the structure because this is how Daniel sealed up his prophecy and the prophecy is that Mary's Rosary will defeat the Antichrist and here is how he does it: as I said, the first twelve verses are in a series of pairs, in other words, 6 plus 6. And the next five verses are separate and when combined to the last 10 verses, which are in a series of pairs, that is 5 plus 5 plus 5, you get 66, the number of the Antichrist, followed by and defeated by 555 which is the number of Mary's Rosary. And this is the solution to the problem of the End Times. This is how Jesus will defeat the Antichrist.

Mary's Rosary will be His weapon just as David chose five, smooth pebbles to defeat Goliath, even though he only needed one pebble. Now, I fully realize that Daniel's prophecy of how Mary's Rosary will defeat the Antichrist, will be taken with a great deal of skepticism. Satan has done his work very well over the past five centuries. He has downgraded Mary's role in these End Times. But once Jerusalem is destroyed and both America and Israel are taken over by the Antichrist, then you will understand the prophecies. Then you will take up Mary's Rosary out of desperation or else you will take the Mark of the Beast. The choice then will be yours and it will be very clear. It would be better to pray the Rosary now and prevent the Antichrist from taking power; but I don't see that happening. It will only be after the Antichrist rules the world that you will take up your five, smooth pebbles which will defeat Goliath.
