

Netanyahu's Speech at 11:11 am on 3/3

This past week saw two more astounding warnings from Almighty God directed primarily at the United States of America and I especially want to thank you, my subscribers, for alerting me to these two amazing events. The first of these was Benjamin Netanyahu's speech to Congress which he gave on March 3rd, that is 3/3, at exactly 11:11 a.m. in the morning. That numerology was not accidental. That was a warning from Almighty God.

I'm sure most of you know that 33 is a prime number of Free Masonry since he highest level is the 33rd degree. And the 11:11 is a very significant number for the Illuminati; and both groups are working very hard to bring order out of chaos but first they are going to bring

about the chaos in order to bring in the reign of the Antichrist. Incidentally, the Antichrist's number is 666 and all of these numbers are found in Bible Prophecy.

Now first, I want to show you a clip of the beginning of the Prime Minister's speech and on your screen you will see sometimes the number 8:11 and sometimes 11:11 and that's because they are giving both the Pacific Standard Time and the Eastern Standard Time but the local time, the time Prime Minister Netanyahu gave his speech in Washington DC, was 11:11. *"Speaker of the House, John Boehner, President Pro Tem, Senator Orrin Hatch, Senate Majority Leader, Mitch McConnell, House Minority Leader, Nancy Pelosi..."* Now, isn't that amazing? The precise second the clock turned to 11:11 was the precise second that Benjamin Netanyahu began his speech. That was not accidental and Benjamin Netanyahu did not look at his watch to start at that time. That was a warning from Almighty God. Both the numbers 33 and 1111 are extremely significant.

At this time I would like to clear up a claim made against Prime Minister Netanyahu by one of my subscribers. He said the Prime Minister is a 33rd degree Mason and he pointed me to the Internet and I found several sites which gave a list of quite a few Free Masons and he was on that list. But also on that list were quite a few American

Presidents who I know were avowed Christians, for example, Jimmy Carter, Ronald Reagan and quite a few others. Even the first President, George Washington, was supposedly a Mason and you can find pictures of him wearing a Masonic apron. I suspect that many of those titles are honorary in nature and, in fact, George Washington received a vision from the Blessed Virgin Mary, another very famous warning to the United States about these End Times.

Therefore, I do not believe that it is significant if Netanyahu is a Free Mason. I don't believe that detracts from his character one bit. In fact, on my last program I demonstrated that Benjamin Netanyahu is found in Bible Prophecy as the **"anointed one"** in Daniel 9:26 and as **"the man who cleaves to the Lord"** in Zechariah 13:7. I believe both he and Pope Benedict will be martyrs in these End Times for the Nation of Israel. One of my subscribers, Anne Thyme, pointed out that they're both named "Ben": Pope Benedict and Benjamin Netanyahu. I believe they will sacrifice their lives for Israel.

Now, the second astounding warning from Almighty God to the United States this past week occurred when Harrison Ford's plane crashed; and as you can tell from these photographs, the number 50 on the side of his plane was very obvious.

That refers to the 50 United States. It also refers to Jeremiah chapter 50 which describes the fall of Babylon; and End Times Babylon in Bible Prophecy refers primarily to the United States of America. In fact, if you read Jeremiah 50, verse 44,

that verse refers to President Barack Obama and that's because he's our 44th President. He is also the leopard in Daniel 7:6 which has "four heads and four wings". And don't forget he was born on August 4th, that is 8/4.

And now getting back to the number 11:11, the exact time when Benjamin Netanyahu began his speech. The question is: "Why is that an evil number? Why do the Illuminati love that number?" Well, first of all, when the 12 Apostles were diminished to the number 11, that was because the traitor, Judas, was removed. The number 11 represents

judgment in Bible Prophecy. Visually, the number 11 represents two males, in other words, homosexuality. That is not an accidental feature of the number 11.

The number 11 is also found in every bar code because the first, middle and last numbers, that is 666, which are hidden, are represented by two thin lines, or in other words, the number 11. However, we need to realize that Almighty God has given us a solution to that evil number 11. Remember when lightning struck the Vatican at exactly 5:55 pm?

That was obviously not an accident. That was Almighty God giving us a warning of these End Times. He was very displeased that Pope Benedict resigned on that day. Incidentally, that day was February the 11th.

And you may remember when that devil moose from Belarus crashed into that tour bus. He did it at exactly 5:55 p.m. and the odometer read 666.6. Again, that was not an accident. Almighty God was giving us an End Times warning. He was giving us the solution to the number 11 because 6 plus 5 equals 11.

In other words, even though Almighty God warned us very much this week about the fall of America in the fall of that airplane, and in the number 33 for Freemasons, and the number 11:11 for the Illuminati, the solution is to break that

number 11 down into two components. And we find all through End Times Bible Prophecy from Daniel to Zechariah to Ezekiel to St. Matthew's Olivet Discourse: those chapters about the End Times are

broken down into a series of 6-6-6 verses followed by a series of 5-5-5 verses in all those four examples from Bible Prophecy.

In conclusion, I do not believe Almighty God is going to give us anymore of these numerological warnings. I don't see how He can do much more. I don't think He can be much more obvious. However, I know many of you are not going to take up Mary's Rosary even though that is what defeats the Antichrist. That's the number Almighty God has given us in Bible Prophecy and in these contemporary prophecies as well. You do not want to enter the battlefield without knowledge of your weapon. David trained many years in how to kill someone or to kill a wild beast with a shepherd's sling and a smooth pebble. He chose 5 smooth pebbles against Goliath because that symbolized Mary's Rosary. And that dent he put in Goliath's head, prefigured the woman crushing the serpent's head back in Genesis 3:15.

And finally, if you would like to solve the mystery of God's hidden numerology from Genesis to the present, visit my www.thirdeaglemedia.com website. Just click on the Daniel tab or the Zechariah tab under "Old Testament Prophets", or the Revelation Unraveled tab and you will see how 666, the number of the Antichrist, will be defeated by Mary's Rosary, the number 555.
