

La Salette: The Last Four Popes Pt 3

This is part three in my series on the amazing prophecies that the Blessed Mother gave to two shepherd children, Melanie Calvat and Maximin Giraud, at La Salette, France, way back in 1846. These prophecies have been largely discarded, even in the Church, and this is a terrible mistake. This is apocalyptic prophecy and that means it becomes more important in these End Times. We need to understand what Mary is saying because it refers to us.

Probably the biggest reason the prophecies of La Salette have been misunderstood is because people do not understand the true chronology. Mary divided up this apocalyptic prophecy into seven different sections and each one has a different chronology. They each start with a year back in the nineteenth century and they end with an End Times event, such as Armageddon.

In my last program on La Salette, we had begun to look at the third section of these amazing prophecies and that section began with the year 1864 and we had worked our way up to where Mary was prophesying about UFOs, alien abductions, and zombies. I think most of us recognize that the UFO phenomenon really began in the fifties, especially with that incident in Roswell, New Mexico. As far as zombies go, I received a very interesting letter from Jim O'Connor, and he gave me permission to use his name, and I would like to read this for you and see if you think that he had an encounter with zombies.

“William, I graduated from West Point in 1976. In 1972, I and my roommate lived in room 4714 of North Barracks. We were in company G-4. We were the two Plebes who saw the West Point ghost for a period of about forty days. One of the more unusual things that happened to us, and not widely known, we were visited by a being who appeared to be an upper class man, (a junior year cadet) who identified himself as John Hamilton. We were warned if we told anyone his name we would suffer a terrible curse. He identified himself as the 7th son of a 7th son and that he was a warlock in his religion. He told us exactly what the ghost would do in his next appearance for a period of two weeks in an attempt to gain our trust. He was very tall, strong looking and flawlessly handsome. He would not let us look into his eyes which are the mirror of the soul. No other cadets ever saw him come or go into our room. During the two weeks he appeared to us he tried to get us to trust him and join him in chants. He hated the rosary and the brown scapular. When it was clear to him that we continued to

cling to our rosary and scapular, he left and never came back. During our 35th reunion, my roommate and I took part in the ghost story in room 4714 to cadets in company G-4 and some of our classmates. This room was closed for about twenty years and was reopened only as a study hall. After the reunion my roommate's eyes and my eyes were opened to who cadet John Hamilton really was. He was a devil in a human body or human form and not a real person. In the history of West Point there was a cadet named John Hamilton. (Jim, I'm not sure here if you mean there was a cadet or there was not a real cadet. Maybe you could add a comment below and clarify this for us) Had we not been protected by the prayers of some fellow cadets, who were non Catholic, pleading with us to receive Communion every day and pray the rosary and wear our scapulars, we would have been easily tricked into following the lead of this apparent wonderful being. He matches the description of a zombie that I understand from your recent video. His goal was to separate us gradually from Jesus. After that, we would have been totally without God's protection; we would have been at the devil's mercy. No one wants to be in that position. You have my permission to use this story to help warn others of the dangers, and you can use my name, if necessary." Well, thank you very much Jim O'Connor, that's a very eye opening story and it shows that zombies have been with us for at least forty years.

So, that brings us up to the nineteen sixties and what I believe Mary is prophesying about in this second half of the third section of the secret of La Salette, and I call this subsection, "The Last Four Popes". Mary begins: ***"Everywhere there will be extraordinary wonders because the true faith has faded and a false light shines on the world"***. I believe Mary is prophesying here about the second Vatican council, and it's interesting that she blames all of these terrible demonic manifestations of the End Times on a Church event, in other words, Vatican 2. Since the second Vatican council, thousands of priests and nuns have left the Catholic Church. Mass attendance is way down all over the world and only just recently have the Bishops started to correct some of the errors of that council. In fact, just in the past few weeks, we in the Catholic Church have started to go back to the English translation of the Mass that was used before Vatican 2, and I believe they are beginning to acknowledge some of the grievous errors that occurred back in the sixties in the Church.

And Mary continues with this prophecy of La Salette: ***"Woe to the princes of the church who only think of piling up riches upon riches to preserve their authority and proud domination. The***

Vicar of my son will have much to suffer (I believe this refers to the successor of Pope John and that would be Pope Paul VI) ***because for a time, the church will be the victim of great persecution: this will be a time of darkness and the Church will suffer a frightful crisis.***

Again, I believe this frightful crisis refers to Vatican 2. ***“As the holy faith of God has been forgotten every individual will wish to be his own guide and be superior to his fellow man.”*** Now, I believe Mary is referring here to the open defiance that many Catholic bishops gave to Pope Paul VI when he issued that amazing encyclical against artificial contraception called "Humanae Vitae". ***“Civil and ecclesiastical authority will be abolished. All order and all justice will be trampled underfoot. Nothing will be seen but murder, hatred, jealousy, falsehood and discord without love for the mother country or for the family.”*** There are some really scary stories about the Vatican that were revealed about this time through the prophecies at Bayside; and you can read these at tldm.org. Mary said in those prophecies that Pope Paul VI was so ill that he was replaced by a double, an Italian actor, who made public appearances in place of the Pope. And, as far as murder goes, Mary revealed in those same Bayside prophecies, that Pope John Paul I was murdered in the Vatican, and she even names the three guilty Cardinals who did it (Bellini, Casaroli, Villot).

And now, that brings us up in the La Salette prophecies to Pope John Paul II. ***“The Holy Father*** (now I believe this is Pope John Paul II, and I will tell you why, in a moment, I believe Mary is prophesying about him) ***will suffer a great deal. I will be with him until the end and receive his sacrifice. The wicked will make several attempts on his life, (this can only refer to Pope John Paul II), but they cannot harm him. But neither he nor his successor*** (his successor would be our current Pope, Pope Benedict XVI) ***will live to see the triumph of the Church of God.*** This last phrase is extremely important. Once again, I believe Mary is prophesying here about a final Pope, one who WILL see the triumph of the Church. I believe this is the Pope who Saint Malachy refers to as "Peter the Roman" (Petrus Romanus), and I believe this is the same Pope who Mary referred to in section two of this La Salette prophecy as the one who must guard against the workers of miracles and, of course, the workers of miracles can only be the Antichrist and the False Prophet.

That brings us up to the very end, the kingdom of the Antichrist, the One World Communist Tyranny: **“All the civil governments will have one and the same plan which will be to abolish and to do away will every religious principle, to make way for materialism, atheism, spiritualism and vice of all kinds.”** So now, we see how chronologically speaking, this third section of the La Salette prophecies, is once again complete, that is, going from a year in the nineteenth century, 1864, right up until the final one-world government.

Now, I want to read a section from Revelation 17 which corresponds almost exactly with Mary's description in this last passage of the final Communist tyranny: **“And the ten horns which you saw are ten kings which have not yet received a kingdom but receive power as kings for one hour with the beast. These have one mind and shall give their power and strength to the beast** (this is the eighth beast, by the way). **These shall fight with the Lamb** (this is Jesus fighting against the One World Tyranny at Armageddon) **and the Lamb shall overcome them.”** Woe to you people who support the new world order, you will be cast into hell along with the False Prophet and the Antichrist, because He is Lord of lords and King of kings, **“and they that are with Him are called, and elect, and faithful”** (Revelation 17:14).

And now, looking ahead to my next program on La Salette, which will be part four and which I call the "Thousand Years of Peace". Mary, once again, begins with a new year: **“In the year 1865 there will be desecration of holy places.”** So, I hope everyone is beginning to understand just how important these End Times prophecies are which the Blessed Mother gave at La Salette, France. Once you know the chronology, you see that they are for us; those of us living in these very dangerous times. And, once again, I would like to thank Jim O'Connor for sharing his testimony with us and his experience with a zombie at West Point.
